TRANSFER OF THE ITATA. of the Chillian Vessel.

WASHINGTON, July 8 .- A telegram was received at the Department of Justice during the day from United States Marshal Gard, at San Disgo, Cal. asking in-structions as to his course in regard to the seized Chilian steamer Itata.

The acting Attorney-General tele-graphed United States Attorney-General Cole at San Dego to lited the vessel at once and turn here ever to the United States Marshal by the process of law.

By special arrangement with the Navy Department the vessel will be trans-ferred to the custody of the civil authori-

tics immediately. United States Marshall Gard states United States Marshall Gard states that when the Chilian steamer Itata ran away from San Diego two months ago she had on board four sixty-pound guns, one Gatling and one Howltzer. She also had sixty new and 200 old rifles. The Marshall says be has abundance of testimony to prove this.

THE QUAKER CITY MUDDLE,

City Officials to Probe Still Further Into the Bardsley Stealings.

PHILADELPHIA, July S .- There was a long and important conference at the City Hall over the Bardsley investiga-tion between the members of the Councils

Committee and the city officials.

The discussion, which was held to the mayor's office with closed doors, resulted in determining to continue the inquisition, and the committee will mest in

open session again next Friday.

While all those present at the conference were very relicent, it was admitted that the principal topic discussed was as to the advisability of making public the statement said to have been made by John Bardsley, and which is now in the hands of Mr. McKean of the Ledger.

WHITE PEAKS AND DARK CANONS,

WHITE PEACH AND DARK CANONS,

Colorsdo is a land of shurp contrasts, or brilliant lights, or inverse shedows a land where leights and depths make obvious the meaning of the word antithesis; a land where every moed in mind can find an inswering moed in nature. The high, white adharcts of the noughline from those sender planetes find the wind-blown barrers or the snow, appear with sient clogeners to the othy sagirations of the soul; the sombre channs ofen by Titus forces through granite-bearied life which slope together the contrast of the beart, a longing that thrills, inspires and westing and swiring torrents on holographs days index shrough and swiring torrents on holographs of the beart, a longing that thrills, inspires and wes. It does not follow that those glories of white pakes and those glooms of dark casions preclude the pleasant internals, the samy mendows or the secluded looks wherein the tired mind or wearled looks wherein the tired mind or wearled looks any find peaceful rost and refuge from turnol and toll. To one making a journey in Colorado, New Maxico or Unab, or taking a transcominential four from Kost to West, or rice versa, the benver and its Grande Raitrand offers necember and in the court of the most important improvements and insury to those of any other line with the added attractions of the unrivalled scenary along its line, abounding in a megalificant of the most important improvements in raitrond facilities lind has yet been unde in tolorado and the West. The completelon of the standard gauge of the Denver and Riodinade Raitrod ram Denver, colorado, over the of the most important improvements in railroad navilities that has yet been made in tolornals and the West. The completion of the
standard gauge of the Denver and Riodirande
Hailroad from Denver, Colorado, over the
meantains to Ogdon. Utah, which five years
ago was decimed an impossibility, is certainly
a triumpa of daring and engineering skill.
The new line is by the way of Leadylin, tunneing Tennessee Pass, threading the canons
of the Fagic and Grand Rivers, giving a view
of the Mount of the Body Cross, enrouse, takhig its trains through Glenwood Eprings and
down the Grand River to Grand Junction,
times to Sell Lake City, Ogdon and San
Francisco, By this route one is given an oppromity to behold the magnificence of Engle
River (anon and the marvelous lessuity and
grandeur of the Canon of the Grand. The
overland train is a model in overly respect.
From the engine to the last first-class couch
everything is bright and new, and of the
most wiegant style of workmanship and
