Had he asked us, "Well, we know we should say, 'Oh, spare the blow!' " Yes, with streaming tears should pray "Weed, we live again, let him stay." In love he lived, in peace he died, his life was good, but God denied. HIS LOVING SONS.

In fact everything will be Japanese, from top to bottom.

Llewellyn, the Painter.

W. H. Llewellyn, the painter and decorator of town, has just received the largest stock of paint ever received by any one dealer in the town. Mr. Llewellyn also has now on hand more contracts for painting and decorating than any other painter in this district. He has finished the painting of the Shenandoah Beef Company's establishment. This work was incorrectly credited to Mr. Hagenbuch. The latter painted the signs, but Mr. Llewellyn did the other work. Mr. Llewellyn has been awarded the contract for painting the four large school buildings in town and a school building in Butler township. He has also just finished painting and decorating Gint's cafe in Girardville. The latter piece of work is undoubtedly the finest done in this section of the county for some time. Venle's, Wilkinson's, Kendrick's, Kochanowski's, M. Morrison's and several other town places have passed under his skillful brush. Mr. Llewellyn is also an extensive dealer in wall paper and has on hand paper that other local dealers know nothing of. He has flock, ingrain, heavy and light weight press, licorizer wallon, paper-weights, solid relief, etc. Orders for all kinds of painting, decorating and papering will be promptly attended to.

SHE'S DEATH ON SNAKES.

A Barefoot Tennessee Girl Kills Three Snakes at One Time.

MEMPHIS, TENN., July 9.—The country between Little and Big Black mountains is a great ginseng region, and the Parker family are noted as "sengers." The girls go out barefoot in the mountain, though the country is infested with rattlesnakes and copperheads, and dig the ginseng, for which they get good prices at the stores, and from which it is taken to Pennington Gap for shipment. But along Clover Fork and up Rattlesnake Creek are numberless reptiles.

Bessie Parker is about 19 years of age, strong, healthy looking and handsome, but with a very determined face. She is a splendid rifle shot, and is often with her Winchester. She goes after ginseng barefooted and often alone. The roots are gathered in May and September, and during the month just passed she did a thriving business. One day, however, she came across a den of rattlesnakes. She had only stones and sticks with which to fight the desperate battle.

Some of the snakes are considerably larger than a man's ankle, and a few as large as the calf of one's leg. For hours she fought them as they hissed and rattled around her. The mountains seemed filled with them, and no sound could be heard but the incessant and blood curdling rattle. But the brave, determined girl battled with them until she exterminated every one that did not succeed in hiding among the crevices of rocks and in the dense brush. When she had crushed the head of the last one to be seen she counted the dead, and there were just sixty-three.

The Secret of Success.

C. H. Hagenbuch, the druggist believes that the secret of success is perseverance. Therefore he persists in keeping the finest line of medicines, toilet articles, cosmetics, drugs and chemicals on the market. He especially invites all persons who have palpitation, short breath, weak or hungry spells, pain in side or shoulder, oppression, nightmare, dry cough, whooping cough, dizziness or heart disease to try Dr. Miles' unequalled New Heart Cure, before it is too late. It has the largest sale of any similar remedy. Fine book of testimony states from Dr. Miles' Restorative Nervine is unsurpassed for a nervousness, headache, fits, etc., and it contains no opiates.

To Our Readers.

Are you troubled with Consumption or a deep seated Cold, if so take "Tan-Tan-Cure" and Consumption Cure, and be cured. Don't delay. Trial bottles free at Kirin's drug store.
