Notice. A special meeting of the stockholders of the Citizens' Electric Light Co., of Shenandoah, will be held August 26th, 1891 between the hours of two and four p. m. at the office of said company, No. 24, N. Jardin street, for the purpose of voting or the question of increasing the capital stock of said company. By order of the board, Jones Gaunnes, Sec'y.

Just What We Said.

Shenandoah wants and should have a town clock, and should not hesitate in taking this progressive stop on account of the small outlay of each necessary to purchase a "ticker" which has been the great draw back for several years past. If they can not afford at present to secure a new one why not bid in the old court house clock, which will be sold as public sale in this city on the 30th inst?- Republican.

The Great Festival.

Referring to the great out-door eisteddfod to be held at Lakeside on August 15, next, the Wilkes-Barre Record says:

James Anwyl, of this city, has been engaged to sing a solo at the out-door elsteddfield, Lakeside Park, on August 15. He has two of the late Gwilym Gwent's fatest compositions that have never been published,

Prof William Apunadoc, of Chicago, will be the adjudicator or music at the eisteddfod at Lakeside Park, August 15.

A Musical Champion.

For some time past there has been condderable talk of arrangements for a monthorgan contest for \$500 a side. The follow-Can a man intexicated with music be ling is an extract from a letter received by the HERALD:

"I will have a contact for \$500 if the other man will play me, but it looks as if The Young People's Christian Union he wants to back out, as I have not heard wants to play, then I will have one of my men in Sunbury in a few hours time to make all the necessary arrangements for the coulest. As soon as he comes to time money will buy, so every family should I will let you know all about it, so you can have, at once, a bestle of the best family be present. I want it to take place in the Shenandeah opera bouse.

This is the fifth dividend since the rganization of the bank, June 9th, 1888 The first dividend of 3 per cent, was paid at the end of the first year and two dividend of 5 per cent, each have been paid yearly since then until now when th earnings of the bank permitted an in reased dividend of 4 per cent as declared vesterday by the management. The surplus fund now amounts to \$20,000 and the undivided profits \$7,000. In view of the fact that the bank has been in business but hree years, paying five dividends during three years, paying ave dividends during that time, and in a field too at the time of its organization already well occupied by two banks, the Hazleton Savings Bank and Markle Bros. & Co., it has certainly made Markle Bros. & Co., it has certainly made an enviable record as a money maker and reflects much credit upon the veteran banker, A. W. Leisenring, its president, whose well earned reputation as a financier second to none in the country. To Mr. David Clark, the vice president, belongs the honor of having secured some of the town's best business men as customers of the bank while the cashier, Mr. John R. Leisenring, and the assistant cashier, John Price, have been very energetic in their efforts to secure the patronage of our cople. The board of directors have been antiring in their labors and have contributed largely in making the bank what it is and in giving it a prestige seldom ac quired by an institution of this kind in sc bort a time. The First National Bank of Mauch Chunk declared a semi-annual divi lend of five per cent, vesterday as did also he First National Bank of Shenandoah MELLET'S Mr. Leissaring is the president of all three anks, while his son.
