Shiloh's Consumption Cure.

This is beyond question the most successful Cough Medicine we have ever used. A few doses invariably cure the worst cases of Cough, Croup, and Bronchitis, while the most difficult cases in the history of medicine, Shiloh's first discovery, it has been sold on a guarantee, a test which no other medicine can stand. If you have a Cough we earnestly ask you to try it. Price 10 cents, 50 cents, and \$1.00. If your lungs are sore, Chest or Back ache, use Shiloh's Potent Plaster. Sold by C. H. Hagenbuch, N. E. corner Main and Lloyd streets.

Exchanged Signs.

Attorney Pomeroy sprung the following story upon a group of eager listeners in Max Reese's the other night:

"You remember Al Hunzinger, who kept a restaurant under the Egan building some years ago. Well, he ran in hard luck towards the close of his business career."

"Did they boycott him?"

"It wasn't that. It was the fearful want of education among the lower classes that worked the injury. One day he hired a fat old tramp who looked like a load of hay on legs, as a walking advertisement and had him float around town carrying a sign lettered:

"LUNCH AT HUNZINGERS."

"Great idea, that! Well?"

"Well, it worked fine, and then he struck another bum—weighing about eighty-five pounds—regular living skeleton, and hired him to carry a sign lettered:

"I DON'T LUNCH AT HUNZINGERS."

"Big scheme."

"Yes," continued Pomeroy, as he struck a match to light his cigar. "The scheme was all right, but pretty soon business got to be terribly bad. Hunzinger couldn't understand it until one day he came across the sandwich man. It seems that neither of the old rounders could read."

"But what did that?"

"They had changed signs. See?"

MURDERED BY ROBBERS.

THREE CHILDREN KILLED—THE MOTHER FATALLY WOUNDED.

Josua, Johnson County, Texas, July 16.—Yesterday morning at 1 o'clock two men went to the home of George Newberry living two miles west of Josua, and demanded admittance. Mr. Newberry being absent, his mother supposed that it was he returning, and opened the door. The men forced their way into the house and demanded money that they supposed had been received by Mr. Newberry a few days previously. Mrs. Newberry told them she had no money about the house. They grabbed the woman, who is sixty-five years old, took her to the yard gate, tied her with a rope to the post, and then cut her throat.

One man remained with the woman on the outside, while the other went into the house, where three children were sleeping. The oldest, a child of seven years, was awakened when the man came in. The man asked where her father's money was. The child told him she would tell her father of his trying to get his money. He took her out of the house into the yard and cut her throat with a butcher's knife. He then went back into the house and got the second little girl, aged five years, carried her to the yard and cut her throat with the same knife. He went back again, got the baby, a boy of two years, and killed him in the same manner and piled the bodies together. The murderer washed the knife and left it lying on the table.

The woman's neck has seventeen gashes, but she is still living and gave a full account of the affair. It is supposed that the murders were for the purpose of robbery, as Newberry had just got \$500 damages from the Santa Fe Railroad Company. Mrs. Newberry is still alive, but cannot live. Officers are scouring the country for the murderers.

Oh, What a Cough.

Will you heed the warning? The signal language of the sure approach of that more terrible disease, Consumption. Ask yourselves if you can afford for the sake of saving 50 cents, to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your Cough. It never fails. This explains why more than a million bottles were sold the past year. It relieves Croup and Whooping Cough at once. Mothers do not be without it. For Lame Back, Side or Chest, use Shiloh's Potent Plaster. Sold by C. H. Hagenbuch, N. E. corner Main and Lloyd streets.
