Rocky Mountain Cure. -

The druggists claim that people call daily for the new cure for constipation and sick headsons, discovered by Dr. Silas Lane while in the Rocky Mountains. It is said to be Oregon grape root (a great remedy in the far West for those com plaints) combined with simple herbs, and is made for use by pouring on boiling water to draw out the strength. It sells at 50 conts a package and is called Lane's Family Medicino.
