Are You Going?
A trip to the seashore, over the Philadelphia and Reading Railroad, at the low price of \$3.50, is not to be encozored at. It takes place to-morrow, the train leaving the local depot at 10:00 a. m., reaching Philadelphia in time to catch one of the flyers to Atlantic City. Tickets good for seven days.

Picnics.
The Presbyterian Sunday school and congregation of town will picnic in conjunction with the Lutherans at Lakeside on Wednesday.

There is some talk of the married folks holding their annual outing at the same place as soon as the committee, of which Capt. A. H. Rhoads is chairman, get together and fix the date.

It has been suggested that the members of the Schuylkill County Bar hold their picnic at Lakeside. The members north of the mountain favor the idea.

Simple and Thorough.
In the Primary Educational Department of The Colliery Engineer writing, arithmetic, drawing, ventilation, methods of mining, mining machinery, and all the science connected with mining are treated in the simplest style possible. For a working miner who is preparing to stand any examination required by the several states it is invaluable. He can prepare himself for examination by it without the use of books. Subscription, \$2.00. Send to The Colliery Engineer Company, Scranton, Pa., for sample copy.

Railroad Rumbblings.
Pennsylvania railroad bridge, No. 174, crossing a creek located between Riverside and Sanbury, in Northumberland county, owing to Thursday evening's heavy rain, was swept away.

The suit brought by Mrs. Kate Homan to recover damages for injuries sustained in the Mount Penn Gravity accident last summer was settled by the railroad company agreeing to pay her \$3,000. The suits brought for damages for injuries sustained by Mrs. Hiram Schiltler and Mrs. Liede Schiltler were also settled by the company agreeing to pay each \$4,750. These are the last of the suits brought against the company, and which were all satisfactorily adjusted before going into court.

The work on the Hazleton branch of the P. & R. R. is progressing.
The Pennsylvania Railroad Co. expect to carry an unusual large number of people to Detroit this year, and it is fully equal to the emergency.

SUMMER POLITICS.

What Our County Exchanges Have to Say.
Shenandoah wants a Jury Commissioner, also a Poor Director, likewise a constitutional delegate, moreover a Judge, together with the Sheriff and the clerk. Next * * * * * The above-the-mountain newspapermen have so long amused themselves by lying about Pottsville that they got to believing the lies themselves. They say Pottsville gets or wants everything. Here is Parker, of Mahanoy City *Tri-Weekly Record*, kicking because Pottsville has a first-class man for Sheriff in the field and a number of good men who would make good judges. Do you fellows up there want the earth? We published a list of all the elected officials in the county the other day. Pottsville has but one Congressman Kelly. We don't count the judges, because if a Mahanoy City or Shenandoah lawyer got in he would move to Pottsville to be at the centre place where he has all his work. Why Mahanoy City just got a fat office last fall. You'll be crying for the moon next. Take a vacation and go to the seashore for a while and give us a chance down here.—*Evening Chronicle*

There has been much talk about, and many slates made for the Republicans to consider at their approaching county convention. A north of the mountain man and another from the lower end of the county, both anxious for Republican harmony, dropped in upon us the other day and suggested the following ticket and organization for harmony's sake, to be spelled with a big "H." Judge, C. N. Bruner; Sheriff, S. A. Leach; Director, Geo. H. Hoffer; Jury Commissioner, Jack Whitehouse; Constitutional Convention, H. N. Coxe and Wm. Wil— This is to satisfy Pottsville County Chairman, John F. Finney; Secretary, J. M. Glick; Treasurer, D. D. Phillips. This would harmonize Shenandoah, and this, these sagacious countrymen thought, meant Republican harmony with a big "H."—*Daily Republican*.

What a Prominent Physician and Chemist says After Analysis and Practical Test.
Dr. J. Lester, formerly of Bellevue Hospital Medical College and Long Island College speaks as follows:
New York, October 23, 1899.
Atysa Brazilian Specific Co., 8 Wall str. et. —Gents: The sample of your Caetis Blood Cure, which I bought for analysis, I have subjected to a very thorough test, and can find not a single trace of mineral or chemical preparation in it whatever; and, as I have had considerable experience in its constitutional effect in certain diseases already known to you, I consider it the safest and best vegetable blood purifier in the market.
Yours respectfully,
D. J. LESTER, Ph. L., M. D.
