Progress.

It is very important in this age of vast material progress that a remedy be pleasing to the taste and to the eye, easily taken, acceptable to the stomach and healthy in its nature and effects. Possessing these qualities, Syrup of Figs is the one perfect laxative and most gentle diuretic known.

WICKED CHARLIE BRUNER.

Thirteen Years Old and a Horse Thief—Perhaps a Murderer.

GREENSBORO, Pa., Aug. 17.—Chief of Police Cannon of Latrobe arrested here Charles Bruner, 13 years old, on suspicion of being implicated in the murder of Samuel Reese at Ebsenburg, last Thursday. He seems to have been an important catch, if his confession is to be believed.

Charlie says that with his cousin Elmer Bruner, and the woman Ann Jackson they have been traveling together through Eastern Pennsylvania, New Jersey and New York for several months, stealing horses and then selling the animals. On reaching the Reese residence Elmer proposed bargaining the horse, the woman keeping a lookout. Mr. Reese attempted to shoot Elmer, whereupon the latter shot the old gentleman through the head, killing him instantly. Elmer then manacled the horse. Elmer and Miss Jackson went on to Wall's Station, near Pittsburg, while Charlie intended remaining in Latrobe for a few days.

The parents of Charlie and Elmer are highly respectable people and reside in Pittsburg.

MAY SHIELD HIS BROTHER.

It is Believed That Bank President Kennedy Will Plead Guilty.

PHILADELPHIA, Aug. 17.—The grand jury for the United States District Court will to-day act on the bills of indictment drawn up against Francis W. Kennedy and Henry H. Kennedy, the late president and cashier of the Spring Garden National Bank. It is generally understood that Francis W. Kennedy will plead guilty and endeavor to shield his brother, Henry, who is now out on bail.

After the indictments are returned the Kennedys will be called upon to plead. Indictments will also be presented against Charles Lawrence, the former assistant cashier of the Keystone National Bank, whose case is also to be called for trial.

Indictments will also be presented against the fugitive Marsh. This is desired by the State Department in order to notify the consuls that true bills have been found. United States District Attorney Reed hopes to get through with the whole business to-morrow, including the trials. He expects Lawrence will plead guilty, likewise the Kennedys, although he has no positive information as to the latter. He judges so, however, from the fact that there seems to be no defense for them to set.

HIS LIFE IN DANGER.

A Prosecuting Agent Goes Out Accompanied by a Guard.

BUNDESBURG, Conn., Aug. 17.—The life of Attorney Baron Wakeman, Fairfield's prosecuting liquor agent, has been threatened, and when that official goes out after nightfall he is accompanied by a guard and fully armed.

One night last week Wakeman was accosted by a Hungarian to whom he had been a benefactor, and the man told him his life was in immediate danger and begged him to go home as fast as he could.

Mr. Wakeman has stopped the sale of liquor to the colony of desperadoes men who are at work on the new trucks from the w. gons which were in the habit of bringing it to them from Bridgeport. The cutting off of this illicit traffic so enraged the Hungarians and Italians that they are ready to kill him.

Death of Charles Watrous.

SARATOGA, N. Y., Aug. 17.—Charles Watrous, of 728 Lexington avenue, New York, died of pneumonia at his summer residence on Union avenue, last evening, aged 65. He was sick with pneumonia when he reached Saratoga over a month ago, and was unable to stand the strain on his system. Mr. Watrous was one of the promoters of the Nicaragua Canal, and was one of the Warner Miller party which was wrecked on the Nicaragua coast not long since. His illness dates from that event. He will be buried in New York.

An Aeronaut Drowned.

STRACON, N. Y., Aug. 17.—James Buckingham, known as Professor De Lee, the aeronaut, made an ascension from Pleasant Beach, Oaoudaga Lake, at 7 o'clock last evening. When the balloon had reached a height of about 300 feet he loosed the fastenings of the parachute and dropped. The balloon was over the water when he jumped, and though the parachute opened all right, Buckingham became tangled in it and was drowned within fifty feet of 5,000 people.

An Asbury Park Spotter Wounded.

ASBURY PARK, N. J., Aug. 17.—Thos. Halstead, a spotter, employed by the Law and Order League, was badly wounded last night by the drivers of the beer wagons when he had been spotting. Charles Sexton, the driver of one of the beer wagons, is missing. Halstead received a bad knife wound over the eye, and one on the head. He was found unconscious on the road by a policeman.

Sorry She Had Not Killed Him.

BRIDGEPOR, Conn., Aug. 17.—Obadiah Newcombe and his wife Kate got into an altercation last night and Kate struck Obadiah with an axe, nearly splitting his head open. It is doubtful if he will recover. When arrested Kate said she wished she had killed her husband outright. The two had quarreled over the day's receipts in a butcher shop which Newcombe runs.

STRAWS show the way the wind blows, but they don't show what hard blows we have been striking at straw hat prices. Some hats are dear at any price; these hats are cheap at double the money. If what covers your head is not becoming to you, all the pains you take as to the rest of your attire are simply thrown away. Come and see how you will look in one of our straw hats. There's no use in giving any further description of them than to say this—they are stylish. We cut the price down because we want to cut our stock down. Another big bargain in hats is our black stuff hats.
