Oh, What a Cough.

Will you heed the warning? The signal danger of the cure of that most common and most distressing ailment, the Cough, is the cure of the Cough.

To be cooler.

Rocky Mountain Cure.

The druggists claim that people call daily for the new cure for constipation and sick headache, discovered by Dr. Silas Lane while in the Rocky Mountains. It is said to be Oregon grape root (a great remedy in the far West for those complaints) combined with simple herbs, and made for use by pouring on boiling water to draw out the strength. It sells at 50 cents a package and is called Lane's Family Medicine.

Tomatoes plenty.

Hold it to the Light.

The man who tells you confidentially that what will cure your cold is prescribing Kemp's Balsam this year. In the preparation of this remarkable medicine for coughs and colds no expense is spared to combine only the best and purest ingredients. Hold a bottle of Kemp's Balsam to the light and look through it; notice the bright, clear look; then compare with other remedies. Price 50c. and \$1.

Peaches are now on top.

New York, February 28, 1890.

Alva's Brazilian Specific Co.—Gentlemen:

I take pleasure in certifying that the cure I received through your medicine, the Cactus Cure, I have been a sufferer from eruptions upon the skin, eczema, etc., for several years. During that time I have been treated by several skilled physicians in those troubles without any benefit. After taking two bottles of your Cactus Cure, I am now free from all eruptions upon the skin, and I heartily recommend the medicine to any one suffering from like troubles.

Shiloh's Consumption Cure.

This is beyond question the most successful Cough, Croup, and Whooping Cough Cure, a few doses invariably cure the worst cases of Cough, Croup, and Whooping Cough, while its wonderful success is due to the cure of Consumption, without a parallel in the history of medicine. Since its first discovery it has been sold on a guarantee, a test which no other medicine can stand. If you have a Cough or Whooping Cough, ask you to try it. Price 10 cents, 50 cents, and \$1.00. If your lungs are sore, chest or back aches, use Shiloh's Pulmonary Plaster, sold by C. H. Hagenbuch, N. E. corner Main and Lloyd streets.

The full fair time is rapidly approaching.

How to Succeed.

This is the great problem of the world, how to succeed. Some fail because of poor health, others want of luck, but the majority fail because of a lack of energy. They are nervous, irritable, and unmanageable, easily get the blues and "take the spirits down to keep the spirits up," thus wasting money, time, opportunity and nerve force. There is nothing like Shiloh's Consumption Cure, discovered by the great specialist, Dr. Miles, to cure all nervous diseases, as headache, the blues, nervousness, indigestion, constipation, neuralgia, St. Vitus dance, fits, and hysteria. Trial bottles and full book of testimonials free at C. H. Hagenbuch's drug store.

Tree agents are canvassing for the fall trade.

A Fatal Mistake.

Physicians make no more fatal mistake than when they inform patients that nervous heart troubles come from the stomach and are of little consequence. Dr. Franklin Miles, the noted Indiana specialist, has proven the contrary in his new book on "Heart Disease," which may be had free at C. H. Hagenbuch's drug store. It contains a full and complete description of heart disease, its symptoms, its treatment, and its prevention. It is the largest volume of any heart remedy in the world. It cures nervous and nervous heart disease, short breath, fluttering, pain or tenderness in the side, arm or shoulder, irregular pulse, fainting, smothering, dizziness, etc. Restorative Nervine cures headache, fits, etc.

Oysters and public schools re-open next month.

Miles' Nerve and Liver Pills.

Act on a new principle—regulating the liver, stomach and bowels through the nerves. A new discovery, Dr. Miles' Pills speedily cure biliousness, indigestion, constipation, constipation, (unequalled for men, women, children, seniles, mothers, nervous diseases, etc.). Samples free at C. H. Hagenbuch's drug store.

Completed to Deadwood.

The Burlington Route, C. & O. R. R., from Chicago, Peoria and St. Louis, is now completed, and daily passenger trains are running through Lincoln, Neb., and Custer, S. D., to Deadwood. Also to New-castle, Wyoming. Sleeping cars to Deadwood.

PHYSIOLOGICAL WONDERS.

Only think: 80 pounds of blood per minute from heart to heart's 307 miles per hour per hour, 268 miles per day. Is it wonderful that man's existence and follies wreck lives? The only safety is in pure blood, and the only infallible, safe, purely vegetable blood purifier now known is the Cactus Blood Cure. No rival, no mineral, no failures.

Do you suffer with Consumption, Coughs or Colds? You can be cured if you take Lane's Cough and Consumption Cure. 25 and 50 cents. Trial bottles free at Kirin's drug store.

THE PRESIDENT'S PLANS.

He Will Return to Cape May Point Saturday to Remain Three Weeks.

WASHINGTON, Aug. 25.—It is not likely that the President will return here before the middle of September. His plan when he left Cape May looked to a return to that point on Saturday next.

There he will remain certainly for three weeks. He expects Mrs. McKee and Mrs. Harrison to return home about the 4th of September, and they will spend a few days with the President's family. Mrs. McKee will join her husband in Boston.

President Harrison hopes to get a chance at some sport, as he has been told that there is fine snipe shooting in Jersey. The White House is hardly in condition to warrant a return for some weeks.

BAY STATE PEOPLE'S PARTY.

The State Committee Decide to Nominate a State Ticket This Fall.

BOSTON, Aug. 25.—The State Central Committee of the People's Party met here and a thorough State organization was effected. George F. Washburn, of Boston, was elected permanent chairman and P. Gerry Brown permanent secretary. It was voted to put a State ticket in the field this fall.

The platform endorses the action of the conference held at Cincinnati; demands that Treasury notes be issued in sufficient volume to transact the business of the country on a cash basis; favors the establishment of postal savings banks; demands the enactment of laws which will prevent tax dodging, and favors a graduated tax upon inheritance; favors government ownership of all means of communication; advocates municipal coal yards; demands that the importation, manufacture and sale of all spirituous liquors be conducted by the government or State; declares in favor of the eight-hour day, and demands restrictive immigration.

THE CHILIAN BATTLE

It Raged Hotly All Day at Vina Del Mar Beach.

BOTH SIDES FOUGHT BRAVELY.

Time After Time the Rebels Dashed Against the Government Lines.

When Morning Broke a Flag of Truce Was Sent Out—Both Armies Resting for the Final Struggle—Scouting Parties Searching the Country for Supplies—The Rebel General's New Scheme.

VALPARAISO, Chili, via Galveston, Tex., Aug. 24.—Darkness stopped the battle at Vina Del Mar Beach, opposite this city, which raged hotly all day yesterday, before any decisive result was reached, and, like tired gladiators, the contending armies got themselves in the best possible condition for the final bout which must soon decide the mastery of Chili.

Balmaceda's line of defence was strongly fortified, and was under the range of the guns from Fort Callao. While many of his troops were raw recruits, there was a good number of veterans among them.

Time after time the rebels dashed against the lines of the government troops, only to be repulsed with great bloodshed. They were not the only sufferers, however, for their artillery played with telling effect on the enemy, and their rifles were not useless in their hands.

Attack and repulse were repeated time after time, with no decided advantage to either side. The most desperate valor was displayed by veteran and recruit, Balmaceda and revolutionist.

There was little regret on either side when darkness came down and stopped the bloody work.

Under the cover of a flag of truce the ambulance and hospital corps of the opposing armies were busy during the night searching the field for the wounded and caring for them.

When morning broke it was expected the fight would be resumed. Both armies had suffered severely, however, and neither appeared to be in a position to assume the offensive, and practical truce with no fighting has been the result.

Neither side has been idle, however, during the day. Scouting parties from the insurgent army to have been scouring the country for supplies, and one of them out the railroad to Santiago at Salto.

It is generally believed that General Canto, the general commanding the rebels, will attempt a flank movement when he resumes operations, and this the Balmacedaists are doing everything in their power to frustrate.

Englishmen Side With the Insurgents.

LONDON, Aug. 25.—Great interest is felt here in the pending struggle in Chili, as it is believed that the encounter between the two contending parties near Valparaiso must lead to a speedy end of the contest. The English interests in nitrate, of which Col. North is the chief representative, are and have been all along friendly to the insurgents, and it is believed that it was through their agency that the insurgents received their arms which enabled them to make their present attack upon the centre of Chilean territory. English sympathy with the insurgent cause is general and outspoken, and Balmaceda is denounced as a despot and a usurper.

THE KAISER ARMED.

He is Strengthening the Garrison in Alsace-Lorraine.

BERLIN, Aug. 25.—Orders have been issued to strengthen the garrison in Alsace-Lorraine and all along the eastern frontier. The Kaiser is said, on semi-official authority, to be of the opinion that France is in a frame of mind that might lead to an attempt to war, that the people of France have been so stirred up by the evidence of Russian sympathy and friendship that they are likely at any moment to insult Germany in a way that would of necessity be followed by war.

The French sentinels on the Alsace frontier have of late become very arrogant in their treatment of Germans who cross the line, and refuse sometimes even to look at passports, driving the Germans back at the point of the bayonet. A similar disposition has displayed itself recently among the French customs officers, and all the conduct of the French points to a willingness to provoke a crisis by the maltreatment of German subjects. As for the Kaiser, it is said he would sooner fight while Lord Salisbury is in power in England, as he feels he has nothing to hope for from a Liberal Cabinet.

The Köln Gazette's correspondent at St. Petersburg has just sent word that the Czarina has influenced the Czar in the direction of establishing friendly relations with the government of France, and that the Russian ambassador at Paris, Baron von Morsheim, has obtained from that government an assurance that should Germany be defeated in war by France and Russia, Schleswig will be returned to Denmark.

Poisoned His Wife.

BUFFALO, N. Y., Aug. 25.—Howard D. Earle attempted to kill his wife during the day by giving her a dose of laudanum. The woman relieved herself of the dose, whereupon the husband forced her to take a larger dose and left her to die. Neighbors discovered her condition and physicians who were summoned resuscitated her and sent her to the hospital. Earle was arrested.

Another Chinese Outbreak Expected.

SAN FRANCISCO, Cal., Aug. 25.—According to advices by the steamer City of Rio de Janeiro, which has just arrived from Hong Kong, via Yokohama, the war spirit is still rampant in China. While very few actual outbreaks have occurred since the arrival of the last China steamer, the foreign population of Shanghai expect an outbreak daily.

Horribly Mangled by a Train.

PHILLY, N. Y., Aug. 25.—J. C. Herrick, a jeweler of Nunda, N. Y., aged 35 years, while walking on the track between Silver Lake and Perry during the morning was struck by a freight train and instantly killed. He was horribly mangled. He was spending the summer with his family at Silver Lake.

Damage by a Cloudburst.

CARLEIGH, Pa., Aug. 25.—A cloudburst occurred near Dillsburg last evening, doing considerable damage to property and crops. It is reported that several wash-outs have occurred on the Dillsburg & Mechanicsburg Railroad, blocking travel.

An English Church Setback.
