The cheapness of the sugar has much to do with the great amount of jellies and preserves put up this year, for which we are indebted to McKinley and his tariff bill.

Progress.

HALEFAX, N. S., Aug. 29.—A syndicate of men from Gloucester County have leased the late Anthony Grove's property on Oak Island, Chester, and have begun a search for Captain Kidd's treasure which, tradition says, is hid somewhere on the island. They are said to have considerable capital behind them and intend to prosecute the search vigorously. This is the same spot where several companies spent thousands of dollars in a fruitless search for the same treasure.

American Pork Abroad.

CHICAGO, Aug. 29.—Secretary Rusk is in this city. In an interview he said: "We will have our pork on the European markets in a very short time. Everything is favorable for our packers to place their products before the Europeans, and the prices pork will bring will be highly satisfactory to the exporters. This conclusion I have not arrived at hastily nor without due consideration. I have devoted much of my time to it."

STRAW HATS

A BIG SALE IN STRAW HATS

STRAW shows the way the wind blows, but they don't show what hard blows we have been striking at straw hat prices. Some hats are dear at any price; these hats are cheap at double the money. If what covers your head is not becoming to you, all the pains you take as to the rest of your attire are simply thrown away. Come and see how you will look in one of our straw hats. There's no use in giving any further description of them than to say this—they are stylish. We cut the price down because we want to clear our stock down. Another big bargain in hats is our \$1 black stiff hats.

People get into financial holes—and they are the worst kind—by paying more for things than they are worth. To get out, buy only what is worth all it costs.
