DRUNKENNESS
Or the Liquor Habit, Positively Cured by administering Dr. Haines' Golden Specific.
It is manufactured as a powder, which can be given in a glass of beer, a cup of coffee or tea, or in food, without the knowledge of the patient. It is absolutely harmless, and will effect a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. It has been given in thousands of cases, and in every instance a perfect cure has followed. It never Fails. The system once impregnated with the Specific, it becomes an utter impossibility for the liquor appetite to exist.

YELLOWSTONE PARK.

Report of the Superintendent—Hard Work Watching Tourists.

WASHINGTON, Sep. 2.—Secretary Noble has received a report from Capt. George S. Anderson, superintendent of the Yellowstone National Park, on operations since he assumed control on February 14 last.

He says the most ceaseless vigilance is needed to prevent tourists from mutilating the beautiful formations in the park, and he believes 10,000 men could not entirely accomplish it.

The lakes and rivers of the park are literally filled with trout. The elk have increased enormously, and the most conservative estimates place their number at 25,000.

He says $100,000 could be judiciously expended in the construction of and repair of roads.

Trouble Brewing in Hayti.

WASHINGTON, Sep. 2.—Advices from Hayti declare that it now appears as if Hippolyte had lost all hope of being able to successfully resist the coming revolution. He has sent his family to Cape Hatien for safety. The commandant of Fort National has received orders to turn the guns on the city if the exiles return and succeed in overpowering the guards of the Palace. It is probable that in such a case Hippolyte will retreat to Cape Hatien and there make his last stand.

Gov. Campbell Still Quite Ill.

COLUMBUS, O., Sep. 2.—Governor Campbell's condition is not so favorable to-day. He cannot leave his room, and has severe pains in his limbs and head and the indications are that the malady has a strong hold upon him. It is probable that within the next two or three days the Governor will leave for some point in the East if his physician is able to make him see the importance of such a move. His family and friends are somewhat worried at his condition.

Big Damages Against a Railroad.

SUSQUEHANNA, Pa., Sep. 2.—Mrs. James Hamm of Forest City has been awarded $8,412.50 damages against the Delaware & Hudson Railroad Company for the death of her husband, who was run down by a train on that road in 1888. Mrs. Hamm had previously been awarded $4,000 damages, but the company appealed to the Supreme Court, which put the case back to the lower court for retrial with the above result.

Indiana's Growth.

WASHINGTON, Sep. 2.—The Census Office has issued a bulletin giving the population of Indiana by minor civil divisions. The total population of the State for 1890 is placed at 2,192,404, an increase 214,108 over 1880. Of the 93 counties in Indiana 25 show decreases, only four showing decreases of more than 10 per cent.

Site for Lynn Public Building.

WASHINGTON, Sep. 2.—Treasury Agent Lowe has recommended the purchase of a site for the Lynn, Mass., public building. It is located at the end of the block, and is bounded by Liberty, Willow and Washington streets. The price is stated as $33,000. He recommends that a part be purchased outright and a part be purchased by condemnation.

Missing Since August 4.

BALTIMORE, Sep. 2.—Nothing has been seen or heard of David Ruth, of the firm of S. Ruth & Son, tin can manufacturers of this city, since Aug. 24, on which day he left his home. His relatives and friends fear that his mind became unbalanced over business troubles and that he has committed suicide.

Court Martial for Galt.

WASHINGTON, Sep. 2.—The Navy Department has detailed a court martial to convene at Norfolk, Va., next Thursday to try Passed Assistant Engineer Robert W. Galt for neglect of duty. The trial grows out of the recent theft of goods from the storehouse at the Norfolk Navy Yard.

Government Fair Building Bids Excessive.

WASHINGTON, Sep. 2.—Assistant Secretary Nettleton said to-day that it was probable that all the bids for the erection of government buildings at the Chicago World's Fair Exposition would be rejected as excessive and new proposals invited.

Oh, What a Cough.

Will you heed the warning? The signal perhaps of the sure approach of that more terrible disease, Consumption. Ask yourselves if you can afford for the sake of saving 50 cents, to run the risk and do nothing for it. We know from experience that Shiloh's Cure will Cure your Cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves Croup and Whooping Cough at once. Mothers do not be without it. For Lame Back, Side or Chest, use Shiloh's Porous Plaster. Sold by C. H. Hagenbuch, N. E. corner Main and Lloyd streets.

The coal haulers are busy.

Ask Your Friends About It.

Your distressing cough can be cured We know it because Kemp's Balsam within the past few years has cured so many coughs and colds in this community. Its remarkable sale has been won entirely by its genuine merit. Ask some friend who has used it what he thinks of Kemp's Balsam. There is no medicine so pure, none so effective. Large bottles 50c and $1 at all druggists'.

Hay fever patients are praying for frost to relieve him.

A Cure for Constipation and Headache.

Dr. Silas Lane, while in the Rocky Mountains, discovered a root that when combined with other herbs, makes an easy and certain cure for constipation. It is in the form of dry roots and leaves, and is known as Lane's Family Medicine. It will cure sick headache. For the blood, liver and kidneys, and for clearing up the complexion it does wonders. Druggists sell it at 50 cents a package

Farmers now bring in plenty of sweet cider.

NEW YORK, February 28, 1890
Alva's Brazilian Specific Co.—Gentlemen: I take pleasure in certifying to the cure I received through your medicine, the Cactus Blood Cure. I have been a sufferer from eruptions upon the skin eczema, etc., for several years. During that time I was treated by several skilled physicians in those troubles without any benefit. After taking two bottles I am entirely well, and heartily recommend the medicine to any one suffering from like troubles. B. McKEON,
818 Main avenue
Sold at Kirlin's Drug Store, Ferguson House Block, Shenandoah.

The fairs are all being held earlier this year.

Shiloh's Consumption Cure.

This is beyond question the most successful Cough Medicine we have ever sold, a few doses invariably cure the worst cases of Cough, Croup, and Bronchitis, while its wonderful success in the cure of Consumption is without a parallel in the history of medicine. Since it's first discovery it has been sold on a guarantee, a test which no other medicine can stand. If you have a Cough we earnestly ask you to try it. Price 10 cents, 50 cents, and $1.00. If your Lungs are sore, Chest or Back lame, use Shiloh's Porous Plaster. Sold by C. H. Hagenbuch, N. E. corner Main and Lloyd streets.

Fruit still plenty and housewives busy preserving.

How to Succeed.

This is the great problem of life which few satisfactorily solve. Some fail because of poor health, others want of luck, but the majority from deficient grit—want of nerve. They are nervous, irresolute, changeable, easily get the blues and "take the spirits down to keep the spirits up," thus wasting money, time, opportunity and nerve force. There is nothing like the Restorative Nervine, discovered by the great specialist, Dr. Miles, to cure all nervous diseases, as headache, the blues, nervous prostration, sleeplessness, neuralgia, St. Vitus dance, fits, and hysteria. Trial bottles and fine book of testimonials free at C. H. Hagenbuch's drug store.

Railroad travel shows no diminution.

MANY HOTEL FAILURES.

A Disastrous Season for the Proprietors at Atlantic City.

ATLANTIC CITY, N. J., Sep. 2.—About as complete a demoralization as ever visited the hotels in this city is being brought out now as a result of the past season's business.

Among the principal failures is that of the United States Hotel, the proprietors of which are Messrs. Neal and Hamilton, who are between $8,000 and $9,000 in debt.

The principal loss is suffered by Hugo Herold, the proprietor of the Grand Union Hotel, who has left town with a $4,000 debt behind him.

Congress Hall has gone up with about $4,000 indebtedness, although it is understood that the whole amount will be assumed by the Conn Bros., the owners of the building, who had leased it to C. G. Gillette, the present proprietor.

Seven or eight other large houses are reported as having failed, but particulars cannot yet be obtained of their status.

Simmons Indemnified His Bondsmen.

NEW YORK, Sep. 2.—Judge Benedict, of the United States District Court, has handed down a decision declining to accept Cornelius H. and Jacob Tallman as bondsmen in the sum of $50,000 for James A. Simmons, under sentence of six years' imprisonment for bank wrecking. He discovered that Simmons had given the parties an indemnity contract for the sum, and said that he did not care to aid any scheme of flight, as such it appeared on the face. Simmons wishes his liberty while the stay of execution of sentence, pending appeal, is in force.

Seized With Chinamen on Board.

WASHINGTON, Sep. 2.—The Treasury Department is advised that Captain Tozier of the Revenue Cutter Wolcott has seized the steamer George H. Starr bound from Victoria to Port Angeles, for having on board two Chinese subjects. Assistant Secretary Crouns has directed Captain Tozier to deliver the Chinamen and the vessel to the collector at Port Townsend, who is instructed to report the facts to the United States District-Attorney.

Chicago Cabinet Makers Strike.

CHICAGO, Sep. 2.—About 1,000 cabinet makers, employed in 50 shops have gone on strike for eight hours a day, the abolition of piece-work and an increase in wages. The employers say it is impossible to grant the demand of the men, as any change would result in throwing the Chicago manufacturers out of the market.

Pennsylvania's Democratic Convention.

HARRISBURG, Pa., Sep. 2.—Delegates are arriving slowly for the Democratic State convention to be held to-morrow. It seems to be the general belief here that Wright for Auditor-General, and A. L. Tilden for State Treasurer will be the ticket.

NEWS OF THE DAY.

John Young Brown was inaugurated Governor of Kentucky yesterday.

A. W. Gilliland & Co., produce commission firm of Philadelphia, have failed.

Secretary Tracy has returned to Washington, and was at the Navy Department to-day.

John J. Pierson of Pittsburg was arrested in Lancaster, Pa., yesterday charged by Andrew Cox of Philadelphia with a large embezzlment.

Edward Sweeney, who was sentenced at Buffalo yesterday to prison for disorderly conduct, died of heart disease ten minutes after being locked up.

George Durnean, forman of the farm of Gen. Beale, near Washington, D. C., was shot and killed yesterday by Nathius Robinson, a discharged employe.

The entire issue of $160,000 3 1-2 per cent. 20-year water bonds of the city of Rome, N. Y., were bid in at par by the Treasurer of the Rome Savings Bank.

Secretary Proctor will leave Washington the latter part of this week, to be absent for several weeks, on a tour of inspection of army posts in the West and Northwest.

Weather Indications.

WASHINGTON, Sep. 2.—For New England: Generally fair in the interior; showers on the coast; slightly warmer; variable winds.

For Eastern New York and New Jersey: Warmer; fair; southwesterly winds.

For Western New York and Western Pennsylvania: Warmer; fair southwesterly winds.

Return of the White House Ladies.

NEW YORK, Sep. 2.—Collector Fassett will place the revenue cutter Grant at the disposal of Mrs. President Harrison to-day, for the purpose of going down the bay and meeting the Majestic, which has Mrs. McKee and Mrs. Russell Harrison on board. The cutter will accompany the steamer to her dock, but will not take the ladies off the Majestic, on account of the danger attending such transfer.

A Fatal Mistake.

Physicians make no more fatal mistake than when they inform patients that nervous heart troubles come from the stomach and are of little consequence. Dr. Franklin Miles, the noted Indiana specialist, has proven the contrary in his new book on "Heart Disease," which may be had free at C. H. Hagenbuch's drug store who guarantees and recommends Dr. Miles' unequaled New Heart Cure, which has the largest sale of any heart remedy in the world. It cures nervous and organic heart disease, short breath, fluttering, pain or tenderness in the side, arm or shoulder, irregular pulse fainting, smothering, dropsy, etc. His Restorative Nervine cures headache, fits, etc.

It is vulgar to speak of a man as having been drunk. Call it an attack of staggeria tamarscensis.

Miles' Nerve and Liver Pills

Act on a new principle—regulating the liver, stomach and bowels *through the nerves*. A new discovery. Dr. Miles' Pills speedily cure biliousness, bad taste, torpid liver, piles, constipation. Unequaled for men, women, children. Smallest, mildest, surest! 50 doses, 25cts. Samples Free, at C. H. Hagenbuch's drug store.

SACKED THE TOWN

Balmacedist Soldiers Revolt and Shoot Their Officers.

THEY THEN ENTER CORONEL.

Where They Commit All Manner of Brutal and Revolting Outrages.

Congressional Chiefs Arriving at Santiago. A Very Bitter Feeling Against the United States—Nothing Yet Has Been Heard from Balmaceda—His Former Officers' Families Friendless and Penniless.

VALPARAISO, Chili, Sept. 2.—Exciting news is brought from the South by steamer from Talcahuano. The two regiments of government troops which were taken to that port recently from Coquimbo by the trasport Imperiale revolted when they heard of the defeat of the Balmacedists at Placilla last Friday.

They shot to death all of their officers and disbanded. Nearly 4,000 coal miners joined them, and together they have practically taken possession of the town of Coronel. All sorts of excesses have been committed by them. Houses and stores have been sacked and burned. The slightest protests against their actions is met by rifle shots. Women have been abused and subjected to brutalities of the most revolting character.

In fact mob rule in its worst form prevails.

Some outrages have been committed also in Concepcion and Talcahuano, but the force at the disposal of the authorities there has been sufficient to save them from the fate which has overtaken the 6,000 people of Coronel.

Foreign war ships have left for Coronel.

Senor Jorge Montt, General Canto and others of the Congressional chiefs arrived in Santiago yesterday. They were received with the greatest enthusiasm by the people of the capital. Gen. Baquedano, the acting President, received them officially. The other members of the Junta de Gobierno are expected to arrive here from Iquique to-day. They will at once proceed to Santiago, when the question of a new election and the reorganization of the government will be considered.

There is no disguising the fact that there is a very bitter feeling against the Americans on the part of the successful revolutionists. This feeling is so strong that unless it is placated in some way it may seriously affect American commercial interests in Chili for some time. The rebels have all along believed that the United States was favoring Balmaceda.

The feeling against Minister Egan is very violent, and there is little question that his recall will soon be demanded.

It is charged, and from the records appears to be true, that only a small portion of the cruelties perpetrated by the late government have been published.

The Congressionalists are giving trials to all against whom offences are charged, and executions up to this time have been remarkably few.

Much pity is felt for the families of the Balmacedist officials who have fled the country. Many of them have been left behind, friendless and penniless.

Nothing has been heard here of President Balmaceda since he was reported with his family and valuables at Los Andes. It is not likely that any definite news will be received of him until he gets within the range of telegraphic communication on the other side of the mountains.

It has been found impossible to bury all the bodies which were left on Friday's battlefield with the facilities at the command of the authorities, and it has therefore been decided to cremate them. This will probably be done to-morrow.

Feared that Both Have Been Drowned.

PLATTSBURG, N. Y., Sep. 2.—It is feared that George Gauthmann and Henry Lamonty, both of Lyon Mountain, have been drowned in Merril's Lake, where they went last Sunday for a fishing trip, and have not been seen since. Their boat was found on the shore of the lake with a part of Lamonty's clothing in it. A heavy wind prevailed on the lake on Sunday and it is supposed that the boat capsized and both were drowned.

Robbers "Hold Up" a Train.

TEXAS CREEK, Col., Sep. 2.—The Denver and Rio Grande train, No. 4, from Ogden was "held up" four miles west of this station by seven masked men, and the express car robbed of about $3,600. None of the passengers were molested. The robbers had horses ready for an immediate flight to Wet Mountain Valley. The Sheriff started in pursuit at once with as large a posse as he could summon on such short notice.

Mrs. Astor's Robes Sold at Auction.

NEW YORK, Sep. 2.—The gowns consigned to Mrs. Astor from Paris, and held by the Custom House, being rejected by Mrs. Astor on the ground that the consignor had attempted to defraud her as well as the government, have been sold at auction. No. 1, a green silk and velvet robe, brought $660; No. 2, a blue brocke silk robe, was bought by Koster & Bial for the singer, Jennie Joyce, for $770.

Young Garfield Defeated for Nomination.

CLEVELAND, O., Sep. 2.—In the State Senatorial convention held in this city yesterday James R. Garfield, son of the late President Garfield, was a candidate, but he was snowed under on the first ballot by ex-Speaker Lampson, who received 105 votes to young Garfield's 65. The nomination of Lampson is a victory for Foraker over Sherman in the United States Senatorial contest.

Connecticut River Railroad Statement.

SPRINGFIELD, Mass., Sep. 2.—The annual report of the Connecticut River Railroad, submitted to and accepted by the directors, shows the total income to have been $1,165,618, an increase of $6,228 over 1890; expenses, $936,618, a decrease of $28,771. The annual stockholders' meeting was called for September 16.

An Old Landmark Burned.

SCITUATE, Mass., Sep. 2.—The old town house, erected in 1654, was burned last evening. The building was not occupied, and was practically valuless except as an old landmark.

Favor Andrew White for Governor.

WATERTOWN, N. Y., Sep. 2.—The First district Republican convention for Jefferson County adopted a resolution favoring the nomination of Andrew D. White for Governor.
