REFUGEES ON BOARD

Volunteers of Chili's Government Army Returning to Their Homes.

Rumored that Coquimbo Has Been Sacked By a Mob-Minister Egan Says He was Not a Partisan of Balmaceda-Used His Influence Solely to Protect Life and

VALPARAISO, Chill, via Galveston Sep. 5.—A report has reached here that the city of Coquimbo had been sacked by a mob. The report is generally discred-Ated, as it is thought that the authorities have ample force at their command to repress any disposition on the part of disorderly persons to create a disturbance.

The question of the refugees on board the German and American ships has been settled definitely.

The United States cruiser Baltimore sailed to-day, presumably for Callao, having on board Senors Mollendo, Bana-das, Espinosa, Godoy, Perez Montt and 17 other loss prominent Balmacedists.

The Congressional army was composed very largely of volunteers. So secure do the members of the Junta feel in their position at present that they have given orders that any of the volunteers who wish to do so may return to their homes, and hence the late victorious army is rap-

idly disintegrating.

In a few days it will hardly be possible to see any signs of the late war.

MINISTER EGAN TALKS. He Benies the Churges Which Have Been

Made Against Him.

Santiago, Chill, Sep. 5.—United States Minister Patrick Egan, in anjinterview, blames the English for the reports sent out about him. "Ever since my arrival here," said Mr.

"Ever since my arrival here," said Mr. Egn, with a trace of bitterness in his voice, "the English, who are naturally antagonistic to me, have looked with a jealous eye on my success in obtaining recognition for American citizens and payment of their claims.

"So far as my sympathies go they are extended to all. For four months my house was the asylum of prominent insurgents. I have saved from death and imprisonment many men."

Imprisonment many men."

Cars are course.

Thinks the English Against Him.

New Yors, Sep. &-Eugene de Mit-iewitz, the much abused recipient of kiewitz, the much abused recipient of important commercial consessions from the Chinese Government, is in this city. It is asserted here that the recent attacks upon him have been inspired by agents of the English Government through fear that American capitel may eventually get into China to the detriment of British interests. It is claimed that the rejection of Minister Biair by the Chinese Government and the renewal of old accusations against Mitkiewitz emanate from the same source. from the same source.

General Komeroff's Appointment.

VENNA, Sep. 5.—The appointment of General Komeroff as Governor of Warsaw has been coldly received by the Rus-sian Polos, as the General has a high reputation for severity in putting down dis-affection. While Governor-General of the Transcaspian he had an execution nearly Transcaspian he had an execution nearly every day of nomad natives who had violated some trival regulation of which they were ignorant. Komeroff is acknowledged to be an able commander, and his appointment to Warsaw may mean that he is wanted where his mill-tary services will be needed.

"The district assemblies in cities and towns, where such exist, and local assem-blies where no districts are organized, are requested to make lists of saloon keepers and others who sell beer manu factured by the J. place also of dealers who display the advertisements of these firms, and forward these lists to this office."

It is understood that this order is preparatory to an official beyout on the firms in question.

An emphatic denial is given at the headquarters of the Knights to the statement that the recent visit of A. W. Wright to the South was with a view of smoothing over trouble of the order created in that region by the color line. Secretary Hayes says: "There is no color line in the Knights of Labor."

BLIND AND DESTITUTE.

He Sues the Man who Caused Him to Loss fills Wife and a Home.

NEW YORK, Sep. 5.—John W. Slater, an inmate of the Home for the Destitute Blind in this city, has brought an action in the Supremy Court to recover from Thomas Finnican, a prominent politician of Queens County, the sum of \$25,000 for the alienation of his wife's affections.

It appears that the Siaters conducted a hotel at Woodsbury, L. I., for Finnican, and in March, 1888, the owner turned out the husband and retained the wife.
Slater them got a divorce.

A ten-year-old son of Slater's makes affidavit to the improper actions of his mother. Finnican denies all the charges.
