THE TIN PLATE SITUATION.

It is folly for any one to assert that we are not now making tin-plate, or that in all probability that we will not make in the very near future much more than the minimum amount mentioned in the tin-plate clause of the McKinley act. The United States Iron and Tin Plate Company are making 100 tons, or say 2,000 boxes, a month; the Apollo Sheet Iron Works state that they are making 100 boxes a day; Fleming & Hamilton, of Pottsville, make about 20 boxes a day; N. & G. Taylor, of Philadelphia, 40 boxes; Marshall Bros. & Co. about 100 boxes, and Niedringhaus some 50 boxes. This makes a total of at least 340 boxes a day—a small amount, to be sure, but an earnest of what is to come.

As to the future: Niedringhaus is actually erecting works with the capacity of 600 boxes a day, and will increase this to 2,300 boxes. The United States Iron and Tin Plate Company have contracted for machinery to increase there

The Abduction Case Settled—The Complaint Withdrawn Upon the Mother Agreeing Not to Molest the Boy.

The case of Mrs. Elizabeth Cooper, who was charged with abducting her six-year-old son, who had been adopted by William E. Phillips, from one of the public school rooms yesterday, has been settled.

Mrs. Cooper, after some persuasion and argument, was convinced that she would have to resort to some other method to regain possession of the boy.

Mr. Phillips told Squire Williams that he had no objection to restoring the child to the mother, but he wanted it done in a legal manner. When he was made the guardian of the boy the Directors of the Poor required him to give security for the faithful performance of his trust and he insisted that the mother should regain possession through the Poor Directors.

Mrs. Cooper finally produced the child and turned him over to Mr. Phillips, who consented to a withdrawal of the suit. This morning Mr. Phillips sent the boy to school again, the mother having stipulated not to interfere with him again until she has a right to do so through legal process.

Union County Fair.

The Union County Agricultural Society is one of the oldest organizations of the kind within the confines of the state. The experience it has had, therefore, is of considerable moment, and fully justifies the officers thereof in saying that their exhibition this year—the thirty-eighth—promises to eclipse anything of the kind heretofore held. It will take place at Brook Park, Lewisburg, Pa., Oct. 7, 8 and 9, 1891. The premiums offered are very liberal, covering all industries—the farm, the workshop, the freights, and the fleet-footed roadster. The race-course or track is in first-class condition, while trials of speed promise to be most exciting. Their spacious grounds and buildings are also in excellent order. The people of beautiful Buffalo Valley extend hearty greetings to all visitors at their coming fair. Make note of the date—Oct. 7, 8 and 9, 1891.

Comic Songs, Good and Bad.

What a relief to an audience when a comic song is on tap to find the rhyme smooth and the humor natural; it not only brightens the effect but adds to the enjoyment of reflecting on its merits. How many cheap, trashy, maudlin songs there are on our stage, ignorantly and murderously put together, leaving with us only regret that the author still had life to further inflict his nightmares upon us. But what was the pleasurable surprise of the vast audience last night when one after the other came original songs written in a masterly manner and convincing the spectators with their unctuous and irresistible humor. Never have I so desired to witness a performance a second time and never will I forget that interesting and brightest of plays, "O'Flynn in Mexico."—New York World, May 10th. B. J. SMITH,

Candidate for Sheriff on the Republican Ticket.

The nomination of B. J. Smith, our late townsmen, by the Republican convention for the office of Sheriff, is well bestowed and highly satisfactory to the people of Girardville and vicinity. As Mr. Smith was a part owner at one time in this paper we know him well, and from what we know ourselves and from what we have learned from others we relate the following incidents of his career:

Mr. Smith was born in Tamaqua in 1848, and was educated in the public schools. Later he took a business course in Eastman's College, of Poughkeepsie, New York. John Smith, the father of the nominee, located in Girardville in 1863. At that early date B. J. Smith, although but a boy, was employed at Garretson and Beatty's colliery as shipper and outside time-keeper, and also for a time at the Girard Mammoth colliery, Raven Run. Leaving the mines he afterwards clerked for the late Mr. William Haas, he remained with Mr. Haas until the store passed into the hands of Mr. John H. Davies, in whose employ he was still continued.

Mr. Smith early became active in local public affairs, and during the time of the panic, when people were looking everywhere for a remedy for the distressed condition then existing, he was elected a delegate to the Anti-Monopoly Convention held at Harrisburg to represent the business men of Girardville.

Mr. Smith was appointed Justice of the Peace in 1875 by Governor Hartranft, and the following spring was elected for a term of five years, Sheriff Michael Scanlan, who took his office in 1881, appointed Mr. Smith as deputy. The position of Deputy Sheriff has been held by Mr. Smith ever since; and since the death of Mr. Scanlan he has held the position under Sheriffs McCabe, Boyer, Duffy and Conroy, Scanlan, McCabe and Conroy were Republicans; Boyer and Duffy Democrats; and no compliment from our pen can atone to the fact of Mr. Smith's fitness for Sheriff so well as the fact that these Republican and Democratic Sheriffs have continuously kept him in the Sheriff's office. The people of Girardville knew Mr. Smith's sterling worth before he left us to move to the county seat; and his recognized worth in Pottsville by judges, lawyers, and the officials on the hill only proves his eminent fitness for the position that he was unanimously nominated for.

Mr. Smith, when associated with us in connection with this paper, exhibited a piety and earnestness in many of his articles that attracted more than local attention. The articles were occasionally republished by other county papers. Mr. Smith when he left our town parted with his interest in this paper.

The co-workers of Mr. Smith in reform matters, political matters, and business matters, with one accord speak well of his agreeable, firm, earnest, and conscientious course in dealing with his fellow men. This community can only do justice to itself by giving Mr. Smith such a vote as will prove that we respect and honor our citizens who live such a honest and unassuming lives as Ben Smith did while with us.

A Murderer Pleads.

On the 7th of last May, Peter Cherwic, a Hungarian, who had been a repairman on a section of the Lehigh Valley railroad at Buck Mountain, fatally shot his cousin, Anthony Cherwic, at the house of Andrew Iryin, at Mahanoy City. The latter was the section boss under whom Peter worked. Anthony died on the 10th of May. Yesterday Peter pleaded guilty before the court at Pottsville to murder in the second degree. He will be sentenced on Saturday.

VAGATION OVER!

PRESIDENT HARRISON LEAVES FOR WASHINGTON TO-DAY

GLOSE OF THE SUMMER COTTAGE.

Mrs. Harrison and Mrs. McKee Start at the Same Time for Boston—Those Who Will Accompany the President.

CAPE MAY POINT, N. J., Sep. 15.—President Harrison will leave Cape May Point at 2 o'clock this afternoon in a special train on which he will go as far as Camden, N. J. The President will be taken across the Delaware and leave Philadelphia at 4:41, arriving in Washington at 8:15 p. m. The special car with Mrs. Harrison and Mrs. McKee will be attached to the Boston express, and they will arrive in Boston to-morrow morning. Mr. and Mrs. Russell Harrison will go to New York and Mrs. Dimmick will go to Stamford, Conn.

The President has been at the cottage about three months, excepting twelve days when in New England in August. During the stay here business has been transacted as usual without delay. Everything came from the White House and the departments by mail or express, instead of through personal messenger service.

The Appellate Judges will not be appointed until December, and the vacancies in the Interstate Commerce Commission will be given the President's early attention. Every member of the Cabinet has visited the President excepting Mr. Blaine.

The President will go to Washington in good health, and will be accompanied by Gen. Lewis T. Michener and daughter, Lieutenant and Mrs. J. T. Parker, Secretary and Miss Jeannette Halford and Miss Alice Sanger.

ALBERTSON'S STEALINGS.

Took Over a Million But Mostly in Securities, Which Were Returned.

New York, Sep. 15.—From letters received by bankers in this city, it seems that the loss to the Fidelity Trust Bank at Tacoma, Wash., by the defalcation of Edward Albertson, the secretary, was much greater than had been generally supposed.

It was heretofore believed that Albertson lost some \$9,000 only in speculation, and surprise was caused by the extraordinary efforts made to capture him. It now appears he took \$90,000 in cash and nearly a million in securities. The securities, however, he returned through an accomplice.

Albertson was suspected of complicity The thieves have escaped.

More Mail Suggestions.

It is suggested that the mail train known as No. 1, leaving Philadelphia at 4:10 a. m. and running only as far as Pottsville, have its route extended to Williamsport, which point it could reach at 12:51 p. m., making connections at Mahanoy Plains for Shenandoah and the mail would arrive here at 9:59 a. m., instead of lying at Pottsville from 8:40 a. m. until 12:30 p. m. This arrangement would be advantageous to a territory over one hundred miles in length giving it the benefit of a mail service covering such towns as Tamaqua, Mahanoy City, Gilberton, Shenandoah, Girardville, Ashland, Shamokin, Sunbury and Williamsport besides a large number of towns with smaller populations. For the return trip the postal clerk could leave on No. 10, known as the "Cannon Ball," leaving Williamsport at 3:35 p. m., arriving at Philadelphia at 10 p. m. The mail service between Philadelphia and the coal and lumber regions is miserable in many respects and radical changes cannot be made too soon. The authorities should make a complete investigation and they will find the affairs just as stated. It is suggested that when Postmaster Cole, of Pottsville, is making his inspection of the county offices he give this service his attention.

Pleas of Guilt.

Clerk of the Courts John J. Toole yesterday pleaded guilty before the court at Pottsville to the charge of assault and battery made against him by County Commissioner DeTurk. Sentence will be imposed on Saturday. It will probably be a fine.

A Trio Sentenced.

Charles Ringhoiser, Matt Fabey and John Madden were yesterday sentenced by the court at Pottsville to serve ten days imprisonment and pay the costs in the case of Bernard Monaghan, of the First ward, who charged them with robbery and assault and battery.

Tosh Settled.

The assault and battery case of Constable Thomas Tosh against C. I. Policeman George Geiger, of the L. V. R. R., will not go to court. The parties made an amicable settlement this morning by which Tosh withdrew the charge.

A Horse Hurt.

A horse belonging to Peter Quisicavage, of East Lloyd street, became unmanageable on Bowers street this afternoon and dashed against the standard of William Jones' stone wagon, sustaining severe injuries. The horse may have to be killed.

POLITICAL.

Pay your taxes. All the nominations are made. Sheriff Smith is making a sure canvass. Green grows in popularity every day. "I am sick, send for McGinnis," and give Bergen a good thrashing. Commissioner DeTurk has been read out of the Democratic party by the Chronicle. That's right. Keep on, Brother Hains. The contract is a big one.

The Journal's definition of mushroom clubs is a poor one and will fail in the purpose intended.

Dalzell is coming to Schuylkill county, and what for?—to stir up animosities, in order to gratify the Mugwump members of the party. Where is all the harmony promised at the beginning of the campaign? That little scheme of the old organizers for 1892 will fail just as sure as God made little apples. Harmony is wanted, but not at the sacrifice of one faction to please the other. Let there be a fair deal all around.

The Mugwumps have more at stake this year than the Stewarts. Without the help of the latter their little scheme for 1892 will be badly set upon.

Shenandoah has no candidates and therefore was generous, dividing all around.—Chronicle. The generosity of the Shenandoah Democratic candidates was only exceeded by the disappointment they suffered at the hands of their Pottsville friends.

One man has as much right to his choice as another. Because a clique in town failed to carry out a programme laid down by themselves, they kick. Their little trick was discovered in good time and was easily circumvented. Be honest, gentlemen, and acknowledge you were beaten on the square.
