AFFAIRS CAUGHT HASTILY.

What News Gatherers Take a Moment to Tell About. The man who keeps his mouth shut never has to eat any crow. Talking about a double-shell race, what's the matter with the oyster? Fish stories are reeled off by the rod and should be measured by the line. A thunder storm in hot weather travels at the average rate of thirty miles an hour. This year Thanksgiving ought to be one of the most genuine and heartfelt for many years. The chilly nights and ripened leaves each reminds us that the season of frosts is approaching. Grapes are being offered at the market in large quantities. The crop is good and the quality excellent. The fact that a man has not cut his hair for ten or twelve years need not necessarily imply that he is eccentric. He may be bald.

To Dispel Colds,

Headaches and Fevers, to cleanse the system effectually, yet gently, when costive or bilious, or when the blood is impure or sluggish, to permanently cure habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, use Syrup of Figs.

TOO SMALL. Miss Daisy Cutler—Father, I can never accept Mr. Winaret. Mr. Coupon—Don't be reckless. Consider his wealth and position; and then, he is only thirty-five, and good-looking, too. Miss Daisy Cutler—He may be young in years, father; but the man who can pass a baseball bulletin without turning his head to see what the scores is, is too old for me.—Puck.

A Soft-Hearted Banker. A beggar told a harrowing tale of woe to a wealthy New York banker. Finally the latter rang the bell and said with a husky voice and quivering chin: "Kick this fellow into the street, he makes my heart bleed to listen to him."—Texas Siftings.

The Great Word If. "If that convention were to be held to-morrow, Jawkins would be nominated." "Very likely; and if I were married and had twins, I should be a father."—Jury.

Kickapoo, See? The other evening a man slightly under the influence of some beverage ran up against one of the Indians at Robbins' opera-house and said, "Look out, I'll kick you." The Indian smiled as he answered with the query, "You would not kick a poor Indian, would you?" 9-17-21

Merit Wins. We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Elixir Bitters, and have never handled remedies that sell so well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. C. H. Hagenbuch, Druggist.

STRAWS show the way the wind blows, but they don't show what hard blows we have been striking at straw hat prices. Some hats are dear at any price; these hats are cheap at double the money. If what covers your head is not becoming to you, all the pains you take as to the rest of your attire are simply thrown away. Come and see how you will look in one of our 50c straw hats. There's no use in giving any further description of them than to say this—they are stylish. We cut the price down because we want to cut our stock down.
