Nearly every pattern of % Horse Blanket is imitated in color and style. In most cases the imitation looks just as good as the genuine, but it hasn't the warp threads, and so lacks strength, and while it sells for only a little less than the genuine it isn't worth one-half as much. The fact that % Horse Blankets are copied is strong evidence that they are THE STANDARD, and every buyer should see that the 5a trade mark is sewed on the inside of the Blanket.
