ANTHONY'S
THE NEW STYLES

ANTHONY can be tolerated in almost any thing but hats. If the head is out of date the rest of the body is pretty sure to follow suit. Nobody but a millionaire or a genius can afford to wear ancient headgear, and even they take a good many chances when they do it. It will cost you no more to be up with the times than it will to be half a mile behind them. Everything about our \$1.50 hat is handsome but the price, and \$1.50 for such a hat can scarcely be called anything but a ridiculously low figure. The same can be said of our 25c neckwear. Our line of gentlemen's furnishing goods is the lowest priced in the market.
