HE DIED FOR LOVE Boulanger's Suicide Due to Grief Over His Mistress. COULD NOT BEAR TO LIVE ALONE.

The Act Not a Surplae to Some of His More Intimate Friends.

FUNERAL TO BE HELD SUNDAY.

The Paris Newspapers Make No Reflections Upon His Political Caroon.

The General Leaves a Will in Which Ho Explains Ris Friends to Proscents the Great Alms Ho Had in Life-His Infatuntion For Madame Bonnemain So Great That All Ambition Had Forsaken Him. His Poverty Also Proyed Upon His Mind-Excitoment Among His Followers-Roulanger's Rise and Fall.

PARIS, Oct. 1 .- The suicide of Boulanger has caused a tremendous sensation. The obituaries in the newspapers do not reflect upon his political carsor, except that in "Le Journal des Debats," which 60.ys:

"Boulanger knew the intoxication of the wildest and noisiest popularity. It was Boulanger who said that the weakness of one too often influenced the decision of another. His end fully justifies that dictum. He had not the courage to survive her who sacrificed her self for him.

him." Eculanger left a will and a political textament in his deak. It is stated that in the latter he enjoins upon his friends to prosecute the great aims he had in view. He ascribes his death solely to grief for the death of Madame Bonne-main. The funeral will probably be had on Sunday.

main. The funeral will probably be hold on Sunday. Aithough Boulanger was closer to poverity than he had been for many years, yet the evidence indicates that this was not one of his principal motives for suicide. Since the death of Madame Bounsmain, he had been deeply despon-dent. He seemed to have lost all his vigor, and to be living in a desultory and similes fashion. aimless fashion.

He would pass whole days in a morose silence from which his nices and other friends vainly sought to arouse him. He

But in spite of the efforts of politicians the Int in spite of the efforts of politicians the General's popularity grow by leaps and bounds until, at the manguration of the Circle Mili-taire, Boulanger, on his since celebrated black dharger, took the hearts of the focke Parisians by storm. It was noticed that since the death of Gambetta the French had not should 'Vive'' aut hody until the appearance of Boulanger on his black charger. In July, 1880, a blography of Boulanger was published, of which 195,000 copies were sold during the first month. Then M. De-roulede and the Patriots' League'put forward Houlanger as General Revenebe. He was

Houlanger as General Revancho. He was to be the revenger of prostrated France of 1870.

1870. This may be said to be the height of Boulan-ger's popularity. The politicians effectively combined to down him. He was dismissed from the Ministry of War. He lied to Brussels and thence to England.

thence to England. He engaged in an ignoble conspiracy to hand the Republic of France over to the Or-loanista. In time, he chariatanism was rec-ognized, and his popularity waned. For the past two years he has been living in retire-ment until his name has almost been forget-ten.

ton. Mmo. Bonnemain was a distinguished-look-ing woman who accompanied the General when he wont to Jersey. Bhe balonged to a goodfamily and was rich. He was said to have obtained a great quantity of money from hor.

MME. DE BONNEMAIN.

The Woman With Whom the Dead General Was Infatuated.

Panis, Oct. 1 .--- Mma. de Bonnemain is the lady with whom the dead General was most intimate. She accompanied him to England after his flight from France, and early in July last she was dangerously ill in Brussels, suffering with consumption. In spite of the ef-forts made to save her, Mms. de Bonne-

GENERAL BOULANCES. was even seen to shed tears, while he gazed continually at a photograph of his dead mistress. Instead of overcoming this feeling with the lapse of time, he had yielded to it more and more. His ambition forsook him, and of late he seemed to take no interest in French politics, about the smallest incident of which he used to show the most lively interest. His sni-cide, therefore, is not a supprise to his intimates, although sudden and sensa-tional to the public. main died July 17. It was greatly through Madame de Bounemain's favor that General Boulanger was able to carry on his political in-trigues, for Madame had inherited a for-tune of \$1,500,000, all of which sum she devoted to the cause of the than popular leader.

To such an extent did General Boulanfor carry his infatuation for Mine. do Bonnemain that when the French gov-ernment determined to arrest him he could not be persuaded to pose as a mar-tyr before the French people by going to

Mexican National Engineers Speak jall, preferring to fly with her from France to England, and eventually to Brussels, where they have both met their death.

A Young Man's Attempt On His Sweetheart's Life. THREW HER INTO THE WATER.

> William Wyncoop, in Jealous Rage, Tries to Drown Maggin Carroll.

> JEALOUSY'S VICTIM

He Would Rave Succoeded, Mad Not a Party of Yachismon Respond Rep-Hot Condition Critical-The Young Lady Merely Remarked that Some Young Mas Was "Nice" When Her Escort Started In to Kill Her.

Burodzeouv, Conn., Oct 1.-Maggis Carroll, a bosintful young girl, lies at the Emergency Hospital hovering bo-tween life and death. She went rowing last evening with William Wynesop, who had been keeping her company for a year and more, and when they left the athouse they were chatting pleasantly. They rowed to the breakwater and thence to the Seaulde Fark shore,

When near the beach Miss Carroll ramarked that a young man of her ac qualitance was "very nice." Thi White. aroused Wyncoop's jealousy, and he exulaimed:

daimed: "Repeat that and F'll drown you." Miss Carroll demanded that her com-panion row her immediately to the basen, that she might have him. Instead of doing so he dellberately threw har into the water, and in doing so was pitched out himself. out himself.

A savage fight followed, Wyndoop try-ing to push Miss Carroll under. He suc-ceeded in doing so, but propie on a passing yacht had been attracted, and wont to her resoue. Both were taken on board, the lady unconscious, and she was taken to the heavital

STRUCK A GOLD MINE.

The Marvelous Find of a Illiforts Peput Inna Minne.

SAN ANTONIO, Tox., Oct. I .- B. B.

years prospecting in the Sierra Madre range of Maxico, came to Han Antonio yesterday, in search of Mrs. May Frend. Bhe is the wife of an acquaintance, a miner like himself. Needham says that after almost in-conceivable hardships, Frend has made a strike of fabulous richness. His find is in the heart of the Glant range, 200 miles from a rallway. Chibuahua, the capital of the State of Chibuahua, is the nearest

point.

point. The mine scome to be of limitiess ca-pacity and of little trouble to work. Thure is plenty of water and wood. The yield is the purest of wire gold, as Need-ham expresses it, "the strike is like picking up yellow dollars." Frend is now in Chihauhau with specimens of the metal. The city, which contains numer-ous miners and mining speculators, is much excited. Mrs. Fremd was found; she has been living in straitened circum-stances and was overcome by the news of stances and was overcome by the news of her good fortune. She accompanied Needham to Chihauhau.

CLOSED ITS DOORS. The Houtsdale, Pa , Bank Suspends Excited Depositors.

HOUTEDALE, PA., Oct. 1.-The Houtzdale Bank closed its doors at 10:80 yesterday morning. W. H. Dill of Clear-field owned the bank and was its president, with John B. McGrath of Houtz dalo, cashier. W H. Dill is also presi-dent of the First National Bank of Clear-field, Pa., which closed its doors at the same time

The Houtsdale bank has done a large bushness in the way of deposits. Indi-vidual deposits range from \$13,000 down, while many secret and beneficial associa-tions, the borough and several township transurers are depositors in various sums, aggregating many thousands of dollars. The savings of Hungarian and Swele miners that are locked up in the bank aggregate \$70,000.

tional to the public.

GRNERAL BOULANCER

or perior in boundary and a mission and a second perior of the dead mistress, who died recently in that city. He stood alone by the grave for some time, appearing to be deeply affected by sorrowful recollections. An attendant who remained some dis-tance away suddenly heard a sharp re-port. Rushing to the spot hs found Boulanger lying dead on the ground with a revolver clutched tightly in his right hand. He had placed the muzzie to his right are not some and the heavier to his right ear and sent a bullet into his brain.

Boulanger often drove to the cemetery Boulanger often drove to the cemetery to mourn at hi mistress' grave, and for these melancholy journoys he had pre-pared a carriage draped with black. He had ordered to be inscribed on the tomb-stone, in letters of gold, the words: "'A bientot, Marguerite." Finally, he had caused room to be made in the vault for his own remains.

On Monday the General caused all his on Mondaxy the General caused an inse-accounts with the trades people to be settled up. He secretly drew two wills and placed them in the hands of his law-yer. His relatives had become con-vinced that he would seize the first opvinced that he would seize the first op-portunity to carry out his purpose of self-destruction, and they made every effort to thwart his intention. All weapons within the household were hid-den on Monday, and from that time the strictest watch was kept upon his move-ments. Monday night his niece, listen-ing at his bedroom door, heard him sob-bing bitterly and uttering exclamations of source and despair.

THE LATE GEN. BOULANGER.

Brief Sketch of His Career as a Soldier-

Brief Sketch of His Career as a Soldier-His Extle. George-Ernest-Jean-Marie Boulanger was born at Ronnes, in Brittany, on April 20, 1687. His father was a small country attence who was barely able to give his son sufficient edu-oution to outer the military school. His mother was of English birth, but had lived most of her life in France. Young Boulanger's early years were passed in Brighton, Hagland, where he was put to school under the supervision of his maternal uncles.

The News in London.

LORDON, Oct. 1.-The sulcide of General Boulanger caused a tramendous sen-sation here. Although the General had long ceased to be a lion in London soclety, yet his personality was sufficiently familiar to Englishmen for them to feel more interest in the man than if he had been a stranger to these shores. The papers are full of the details of the suicide, accompanied by long sketches of Boulanger's public service.

IT IS DR. MARY.

Her Identity Established-Will Not he Beleased at Present.

HANOVER, N. H., Oct. 1 .- Dr. Mary Walker is still detained by the authori ties. Her identity has been established beyond a reasonable doubt by Prof. Jas. F. Colby and Dr. Earle of Washington,

and by telegrams received from Oswego, N. Y. and Boston. It is not likely that she will liberated at present as the feeling is general that even Dr. Mary Walker has gone beyond the first of diverges better for going beyond the limit of endurance in this affair.

"Ellershe's" New Superintendent.

RONDOUT, N. Y., Oct. 1.-Vice-Presi-den Levi P. Morton has engaged H. M. Cottrell, assistant superintendent of the Kanass State Farm, and a gradinate of the Kanass State College, as Superinten-dent of "Effershie," Mr. Morton's country residence at Rhinebeck, on the Hudson.

To Mark "High Tide" at Gottysburg.

GEVITYIMUNG, Oct. 1 .- Colonel Bashel-der, government historian of the battle, der, government instaland er use battie, is here to superintend the eraction of the tablet at the copes of trees on Cemetery Ridge, which has been designed to mark the "high tide" of the rebellion. The dedication will take piace this fall
