### A COUNTY ALC ABLAZE

Terrible Forest Fires Producing Devastation in California.

SAN FRANCISCO, Oct. 5.—Terrible forest fires have been raging for over a week in Eldorado County, and more than 40 square miles of country have been burned over. The flames spread over Greenwood Creek County, and all the country to the west of Garden Valley, destroying many dwellings, barns, hay, and thousands of acres of dry feed. At Pilot Hill the postoffice, town hall and many residences were all burned.

At Burner Hill there is nothing left of the village but a hotel, school house and one or two scattered buildings on the outskirts of the town. All the grass on the hills in that section of the country has been destroyed, and the loss of stock will be large in consequence. Farmers and ranchers have been rendered penniless by the fire.

### Weather Indications.

WASHINGTON, Oct. 5.—For Eastern New York, Eastern Pennsylvania, New Jersey, Maryland and Delaware: Showers sudden westerly winds.

For Western New York and Western Pennsylvania: Generally fair; cooler; northwesterly winds.

For New England: Fair; cooler; northwesterly winds.

ANTHROPOMORPHIC can be tolerated in almost any thing but hats. If the head is out of date the rest of the body is pretty sure to follow suit. Nobody but a millionaire or a genius can afford to wear ancient headgear, and even they take a good many chances when they do it. It will cost you no more to be up with the times than it will to be half a mile behind them. Everything about our \$1.50 hat is handsome but the price, and \$1.50 for such a hat can scarcely be called anything but a ridiculously low figure. The same can be said of our 25c neckwear. Our line of gents' furnishing goods is the lowest priced in the market.
