WASHINGTON, Oct. 7. -The President has accepted the resignation of ex-Senator Blair as Minister to China, the office that the Chinase government refused to allow him to occupy after his appointment to it had been confirmed by the Senata, Mr. Blair said, in speaking of the accepday. The detectives followed the two men to

Canada and caught them. They claimed lynorance of any forgery, and said that they had made the acquaintance of Boyce on shipboard and knew nothing what-ever about him. As it could not be proven that they had any connection with the swindle they were released. In the meantime the Scotland Yard detec-tives had been notified and took up the trail. From the description cabled to them they recognized the forger as Henry Danarais, better known by any one of the numerous allases he had assumed during a long and successful career of tance of his resignation. "I liked the idea of going to China, but when the Chinese government, in-fluenced by lies, refused to receive me, I was ready to retire to private life. I want no other office. The President was willing to give an other office of a start of the start willing to give an other office of a start of the start of willing to give me an office of equal dig-nity to that to which I was at first ap-pointed, but I told him I did not care for the numerous allases he had assumed during a long and successful career of crime on the other side.
