THE EVENING HERALD. ALL THE NEWS FOR ONE CENT.

Has a larger circulation in Shenandoah than any other paper published. Circulation books open to all.

AFFAIRS CAUGHT HASTILY.

What News Gatherers Take a Moment to Tell About.

Grapes are cheap. Nut brown October. The revival season approaches. Silver headed canes are going out of fashion.

Society people look forward to a gay winter season.

Fond of a nap, but seldom found sleeping—the moth.

There are a good many sidewalkers that need repairing before winter. Tough goat leather is being used for men's shoes. It is waterproof.

A stung man can be relied upon to keep everything but his promise.

Put hops in yeast and they "raise" bread. Put hops in malt and they raise a disturbance.

The man who talks most about "How to succeed," is generally a conspicuous failure himself.

How many people would be dumb if they were forbidden to flatter themselves and slander others.

Now Try This.

It will cost you nothing and will surely do you good, if you have a Cough, Cold, or any trouble with Throat, Chest or Lungs. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to give relief, or money will be sold back. Sufferers from La Grippe found it just the thing and under its use had a speedy and perfect recovery. Try a sample bottle at our expense and learn for yourself just how good a thing it is. Trial bottles free at U. H. Hegenbuch's drug store. Large size 50c. and \$1.00.

Stationary packages, 5 and 10 cents each, at Max Reese's.

Powell's Management.

The Pacific Northwest base ball league season has just closed and the Seattle club, of which Abner Powell, of town, is captain and manager, has a record of 45 games won out of a hundred played and a percentage of 45. The Portland club heads the list with a percentage of 52. The result of the Seattle club's playing is creditable to the captaincy of Mr. Powell and he is down on the list as the best manager in the league. Manager Powell, during the season just closed, paid off nearly all of a large indebtedness of his club, while the other members of the league went behind several thousands of dollars. In writing to town friends Manager Powell says he may go to Sacramento for the balance of the season and he may winter in Seattle, but it is more likely that he will come east to greet his many friends.

ANTIQUITY can be tolerated in almost any thing but hats. If the head is out of date the rest of the body is pretty sure to follow suit. Nobody but a millionaire or a genius can afford to wear ancient headgear, and even they take a good many chances when they do it. It will cost you no more to be up with the times than it will to be half a mile behind them. Everything about our \$1.50 hat is handsome but the price, and \$1.50 for such a hat can scarcely be called anything but a ridiculously low figure. The same can be said of our 25c neck wear. Our line of gentlemen's furnishing goods is the lowest priced in the market. 19 S. Main St.—SCANLAN—Shenandoah
