# A GREAT MAGAZINE.

# The Century's Programme 1892-

A New "Life of Columbus."

That great American periodical, The Con- will find that in many newspaper offices whose father is president of the Troy That great a subject of the own unrivaled re-ord in its programme for 1892, and as many they have to do four-fifths of the work. National Bank, is a fugitive, and a determined woman whom he has wronged is on his track. Crane is a handsome young man and has moved in the very of its new leatures begin with the November number, new readers should commence with swell set here. Some time ago his father sent him to Williston Seminary, East-hampton, Mass., to prepare him for that issue. In this number are the opening numbers of "Naulabks," a novel by Radyard Kipling, the author of "Plain Tales from the Hills," writes in collaboration with an American writer, Wolcott Balestier, It is the While there he visited his uncle in Brooklyn, N. Y., and during the visit story of a young man and a young woman resignation the corpse could dance all from a "booming" Colorado tows, who go to around any woman living." met Miss Mary De Garno, who lived near by. When Crane had completed his India, he in starch of a wonderful jeweled eklace, called "the Naulahka" (from which studies his uncle made him secretary of the story takes its name), and she as a physithe Cleveland Baking Powder Company, of which he was president. Crane fre-quently called upon Miss De Garno, and their friendship ripsaned into love, on her part, at all events. In the course of cian to women. The novel describes th ir remarkable adventures at the court of an Indian maharajah. Besides inis, The Century will print three other novels during the year, and a great number of short stories by the time Crane proposed marriage and was accepted, and then, so it is alleged, de-

best American story writers. The well-known humarist Edgar W. Nye the first of which, "The Autobiographies" By sending to J. M. Hillar, or C. J. Me-ustics of the Perce," is in November, This bould of the Bands, for a free sample under also contained satisfies and Shortly afterward he resigned the sec-Shoriy alterward he resigned the sec-retaryship and came to Ohio to prepare for his wedding, so he said. He went to Troy and there consulted his relations. They advised him not to mary the girl. He continued to write to Miss De Garno, unber also contains a valuable and sugg \*- instantly curs s colle pains and is free from e article on "The Food Sapply of the 'nture," which every farmer should read, to he followed by a number of othe s of great practical value to farmers, treating especially f the relations of the Government to the onier, what it is doing and what it should

 do. This sories will include contributions from officers of the Department of Agricul ture, and other well-known meal will discuss "The Parmer's Discontent," "Cooperation," etc., etc.
A cell strated spanish writer is to farmish a "Life of Columbus " which will be byllikaning finantiasi, and the publishes of *The Centerp* have arranged with the managers of the World's Fair to print articles on the build is univer allow and the movies to appear in 1999 is a story of New York life by the author of the Auglomaniacs," and the magazine will Next day she swore out the warrant, but it was too late. The rich relatives of Grane, it is said, offered to compro-mise the suit with Miss De Garno for any sum she would name. She refused the offer, however, and had detectives sent out in all directions to look for her recreant lover. Then, it is alleged, influences were brought to bear to have Miss De Garno arrested as an adventuress or a black-mailer. She was taken to Folice Head-quarters, examined and released. She says she does not wish to live with Grane, but wants a legal father for her "The Anglomaniaos," and the magazine will contain a great deal about the metropolis durng the year-among other things a series of Hustraled articles on "The Jews in New York." In Novamber is an illustrated de erip ion of the "Players' Club," founded by Edwin Booth, and one of the features of the olendidly Illustrated Christman (December umber is an article on "the Bowery. To get The Century send the yearly subscrip

tion price (\$1.0)) to The Gen ury (o., Union equate, New York, N. y

raugements to sail for Europe. Miss Ds Garno's father is in Europe and will meet Crane when he lands, if he goes. If y u are contemplating a trip to the The girl's parents and attorneys say they will hunt Crane down if it takes a West, or southwest the question naturally rises, which is the best and most economi al way in which to make the journey This Information you can accertain by ending a postal to me answering the fol-DUBLIN, Nov. 18 .- The death of P. W. Nally, the noted trish Nationalist, who died Monday week in Montjoy prison, and whose remains have just been in-terred in Glasnevin cometery, near this city, will undoubledly prove one of the sensational features of the battie to be owing questions : Where are you going ! When are you going? Wh re will you ter; from? How many will there be in your party? What freight and baggage will you have to ship? On receipt of this sensational leadures of the ballie to be fought in Parlament, immediately after the reassembling of the Houses. For once it is expected that the sympathies of even some of the more rabid Tories will be emisted in the approaching in-I will write or call upon you prepared to arnish maps, time tables, and fullest nformation regarding routes, low strates of all class of tickets, land parablets, re-

quiry, for it is claimed that Auly's death was directly due to most hard and infamous treatment received at the hands of the keepers of the Millbank prison, London, where Nally was de-tained previous to being transferred to Worldow rechars The Missouri Pacific Railway and Iron Mountain Houte is noted for its superb he ugh car service. HIS BRIDE ABDUCTED. Martin Hamilton Fluits What It Is to

Marry Cloudestinely, PORTLAND, Me., Nov. 18 .- The inhabitants of the island of Chebesque, in Caseo Hay, are in a state of great exeltement over the abduction of a bride

vitement over the abduction of a bride by her inste mather. For some time past Martin B. Hamil-ton, aged 29, has been paying actentions to the village school mistress, a bright young woman of 19. Miss Zetta Hamil-ton. The courtship was opposed by the young lady's mother, and the couple re-selved to marry without her consent. Monday they went to the house of a friend and were married by Rev. Joseph Wright. The newly married bride re-turned to her parents to break the news, and the groom to his house to await fur-ther developments.

and the groom to his house to await fur-ther developments. Hearing nothing from his bride, he went to her home the next morning and received from his new mother-in-law a warm greating. He askod to see his wife, but his request was dunied. Two days passed, when the ceptive bride managed to send a letter to her husband. That aftornoon he was prom-ised an interview with her the next day. Early that morning the bride, with her eldest brother and mother, took the steamer for Partiand, before the groom know what had happened.

knew what had happened. The young man is nearly frantic at the loss of his wife, and has sought legal advice to have her restored to him.

# ACCUSED OF WITCHERY. A Woman Threatened With the Stake

and Brutally Beaten, WHEESERAHE, PA., Nov. 18.-French-town, Lauerne County, has been in a

turnoil for several days on account of the superstitious beliefs of the foreigners who compose that town. About a week ago Mrs. Feasure in an inguarded moment stated that she was the daughter of a mountain-shepherd in Austria-Hungary, and according to the native such a woman has the power of bewitching. Every little misfortune that has since

betallen any of the inhabitants of the town has been charged to her. She has been universally shunned and threaten ing letters sent her stated that the citizens would combine and burn her at citizens would combine and print and gives you an app tite. the stake if she would not commit sul-

A cow belonging to the leader against A cow belonging to the leader against the inneceut woman tools sick and disd and he charged the death of the animal to the 'witch." He went to the house and demanded that the cow be brought back to life within five hours. The penalty for failure to do so was death. When the five hours had expired and

When the five hours had expired and the animal had not come to life the owner collected a crowd and proceeding to her residence, dragged her from her home and so murderously assaulted her that her life is despaired of. Her husband had as many of the men arrested as he knew and in a hearing they were committed to jail.

### Preparing Their Flaus.

NEW YORK, Nov. 16. — Governor-elect and Mrs. Flower returned from Albany last night. Yesteriay morning Mrs. Flower made a tour of inspection of the Governor's mansion and isid plans for transforming the bachelor's dea into a mome labitation for a flower or with for transforming the bachelotr's den into a proper habitation for a Governor with a wife, and the Governor-elect journes-ed through the rain to the Capitol, where he visited the State departments and held an informat level in the Execu-tive Chambar, where the heads of the departments, clerks and messengers freely came to shake the next occupant of the Executive Chair by the hand,
