WAS HE THE THIEF?

Queer Case of Minister Lincoln's Butler.

HE CONFESSED TO A ROBBERY.

But After Being Released, for Lank of Proof, He Committed Suloids-

He Had the Confi tence of the Rousehold, and Was Not Suspected When Mrs. Bradley-Martin's Diamond Spray Was Steins He Accused Himself, but Could Tell Nothing of the downit-The Pageliur Features of the Case Attracting Wide Attention

LONDON, Dec. 17. - Society is stirred up to-day over a tragedy of International interest, involving a mysterious robbery of jewels fro a the American Lega-tion, and the dusta by suicide of the English butler who was suspected of

Munster Lincoln soms time ago engagut as butler at the American in ation John Thompson, or implishmen. The references given by Thompson were

His certificate of character showed that he was impricitly trusted in a bound cold water jewelry is a conspica-DESCRIPTION.

Minister Lincoln reposed the same out touce in Jon writing that his former constructe nad.

ut a month and "Tox. Bradley Martin was a great at the legation of Mr. and Mrs. Lincoln. A valuable diamond spray was massed during Mrs. Martin's stay. It was an article on which Mrs. Martin set value apart from its intrinsle worth, which was large, as indicated by the roward of £000 which she offered for

worth, which was large, as indicated by
the reward of £300 which she offered for
its recovery. A most minuse search
was made throughout the legation, but
no trace of the jewel was found.
The butler was not suspected, and no
one thought of assing him say questions. Great was the surprise, therefore, of Minister Lenedia, about a week
after the loss of the diamond spray.
Thoughso went to Scotland Yard and
contessed that he had tagen Mrs. Martin's jewelry, and that he felt it a duty
to surronder himself for punishment.
He said that eversines the robbery his
consciouse had been to meeting aim.
The man's story was not altogether
coherent. He could not or did not tell
what he buil done with the jewed. The
police thought likely that the man was
insane, and they transferred him to the
King street poites station, there to be
closely watched for any evidence of insauity.

sauity.

Minister Lincoln apparently believed Minister Lincoln apparently believed the inscally theory, for he insisted that the most on should be release if the positive did not consider that there was evidence to justify his prosention. Of course, the builds, upon either theory of insanity or probable guild, could not be taken back into the service of Mr. Lincoln, and Thompson went forth to the world that most foriorn of human beings, an English house servant without a character. out a character.

Thompson, deprived of his means of livelihood and shunned by his former associates, broaded over his condition. He sought employment, but was mable to get any engagement except the care

to get any engagement except the care of an empty house.

On Tuesday evening he said to his wife: "I am feeling tired. I think I will lie down." He went upstairs. A few moments after his wife search the noise which aroused her saspicion that something was wrong. She rushed upstairs. The blood was flowing from a wound in her husband's throat, and he was saill hacking away asif determined to make sure work of it. As she ran towards him he fell dying in her arms, and the blood splashed over her dress.

Public opinion inclines to the belief

blood splashed over her dress.

Public opinion inclines to the belief that Thompson was guitty of stealing Mrs. Martin's jewel, and that his conduct at the time of his confession, which the police thought pointed to insanity, was really the expression of the mental torium which he endured in contem-

sympathizers, who are contributing liberally to his funeral expenses. These hold that the man was innocent and that his self-accusation was caused by his brain being disordered over the mystery of the robbery and the idea that suspicion might possibly attach to

DEATH ON THE RAIL

Columbian Express Jamps the Track at Lima, O.

THREE KILLED, FORTY INJURED.

The Derailed Cars Telescoped With the Engine of a Freight Train-

Several of the Passengers in the Hospital at Fort Wayne, but the Majority Able to Ga to Chicago - The Wreck Due to a Broken Ball, and Decurred on a Straight Teach in Good Condition.

Pirranung, Dec. 17,-General Superinndeat Watte gives this report of the eck on the Pittsburg, Fort Wayne & leago Railroad, at Lima, O., yester-

A out 9:30 o'clock a m, the dining car 14 passenger train No. 25 (the Coinumber n express) left the track 200 feet siding at Lima, O., and the two following sleeping cars went with it. The diamz car was wrecked, and the two sleepers badly damaged by being thrown against the engine of east-bound freight train, second No. 72, which was wait-ing on the siding for No. 25 to pass.

KILLED.

PRILLIP NUTT, fireman of second No. This was standing on the ground near his engine and was caught by the dising ar which crushed his left leg and the wise injured him; dist at I o'clock.

H. J. Manuer, cook in dising carrestidely deal before he could be extracted.

cated from the wrock.

J. H. Oteris, cook in dining car, scalded; died in hotel.

INJUREO.

Mrs. H. N. Brown, New York; back builty hurs, and her child also acceived shight hurs, and her child also acceived shight injuries.

Mrs. A. Smith, Jersey City, N. J.; builty bruised about hip and shoulders. Mrs. Smith was accompanied by two young sons, one of whom is injured internally and is not expected to hive the other was not but. All three were taken to a hospital in Fort Wayns.

In addition to these three were 40 passengers and 4 trainmen hurs, all of whom were able to preceed with the train to Chicago.

General Superintendent Watts telesquepts the store a careful personal inspection in a data was ever that the content of the content of the first three seasons and content that the content of the first of the content of the content of the first of the fi

the trans were as using at the rate of Somiles an hour. The engine, begrage car and day couch passed ever in safety, but the train partial in the cear of the day couch, and the dining car and two alcepers were thrown over to the north

skeepers were thrown over to the north track with terrific force. The accident happened at the east end of the long siding which is morth of the mint track. The broken rail was found about 40 radiesast of the switch used by freights bound east. The freight train was standing on the Shing with the engine almost up to the switch.

The dining ear of the pre-cled train jumped to the side track and ran into the freight engine, which triesespect the car half a length. Little was visible of the engine besides part of the cab and tender. The alsoping car Dephos was ladly wretked, while the sleeping car Arden, the rear car, was thrown clear over on her side to the dutch but tuckily the passengers escaped with their lives, and only a few were severely injured.
