A Success.

The ent-riain ents given by the Primitive Methodist Sanday school on the evenings of the 15 h and 16th, were a grand success and reflect great credit on the children and teachers. The fur celachildren and teachers. The fur cels brated characters, performed by four small girls, and the College of the war, and will direct to be recognitional the buildings. Nation, or Liber y, seasing a home," was especially grand and deserve special mention. The large audience that greated the children was highly delighted and was profuse in their praise. Many deserved a

Inferior Goods.

The only safe way for pu hasers is to inat on having the genuine article, and not allow themselves to be swindled by having plasters said to be 'just as good,' or 'containing superior ingreducate," imposed upon hem. Thes are only tricks to sell inferior goods that no more compare with A lcock : Porous Piasters than cop, er does with gol :. One trial of Ailcock a Perous Plasters will convince the most ak prical of their merits The emine (Henry A. Mott. Jr., Ph. D., F. C. S., late Government Chemist, certi-

"My investigation of Allcock's Per-us Plaster shows it to c main valuable and essential ingredients not sound in any other plaster, and I find it superior to and more

efficient thin any other placter."

Ask for Al week's, and let no selicitation or ex, is ation induce you to accept a substitute.
