Passed Through Bobbin's Body and Was the Cause of Death.

As stated in the HERALD yesterday Coroner Guldin held an inquest on the body of Mike Bobbin, the Hungarian who was shot on the 8th ult., and who died at the Miners nesday. But the nature of the wound did little hopes for his recovery. not develop in the post mortem examination as the HEBALD foreshadowed yesterday. It had been thrown out that death was in all probability due to inflammation of the lungs, and not from the pistol shot wound The testimony of Caroner Guldin below Squire Dengler was that the pistol ball passed through the body and the wound was the cause of death.

Bobbins' case had quite fallen from view and the announcement of his death was taken by many as that of some poor, unfortunate miner who had been "shot" in a breast.

Crowds gathered about 'Squire Dengler's office at three o'clock in the alternoon, the time set for Toomey's hearing, and asked, "What's all the rumpus?"
