Sour-kraut lunches are popular just now.

The turkey crop has been so badly crippled that sleighing parties do not get enough to satisfy themselves.

Our restaurants and eating houses may as well get their places in order for the increased trade that will surely follow the opening of the electric road.

As Others See Us.

Shenandoah has had an expensive Council during the past year. At Thursday night's meeting of that body Councilman Lamb said that during the past year the Council had expended \$5,000 more than during any two previous years. Is it any wonder that a policeman was ordered to go to Mt. Carmel to arrest a man who while an occupant of the lockup had destroyed a tin bucket?—Miners' Journal.

THE HEBREWS.

Items of Interest of the "Favored Race."

A large number of the retail Jewish butchers of New York have formed an organization to prevent the sale of fraudulent kosher meats.

Among the Jewish societies of New York are the "Mark Twain Literary Society," the "Emerson Literary Society," and the "Addison Literary Society."

There are 100 Jewish patients in the Montefiore Home for Chronic Invalids in New York. There are also many applicants for admission to the home, all of whose cases will be carefully examined.

A post office has been established at Montefiore, the new Russian-Hebrew settlement in New Jersey, in which there is now a factory that gives employment to over 100 workers, recently from Russia.

All of the pupils in the evening classes of the Baron de Hirsch fund in New York are Russian Hebrew exiles who work for a living in the day time. They like to read the Declaration of Independence, enjoy musical entertainments, and strive to learn the American language.

Free lectures on Jewish history are to be given every Monday evening, under the auspices of the Young Men's Hebrew Association, New York.

Rabbi Kohut delivered a sermon in Temple Ahawath Chesed, New York, concerning the Jewish appeal to Christians for material aid. He said: "If our Christian friends will help us to save the body of the Russian Jew with the anticipation of having a better claim to save his soul through the instrumentality of their reputable and ignorant missionaries, the sooner we withdraw our appeal the better."

There are between 225,000 and 250,000 Jews in New York. Nowhere else in the world have they been so successful financially. There are 514 Jewish firms in the dry and fancy goods business, with an aggregate capital of \$58,000,000. Jews occupy nearly the whole of 400 buildings on Broadway, between Canal street and Union Square, and out of 1,200 wholesale firms, 1,000 are Jewish. The banking business is largely in their hands. They own between \$150,000,000 and \$200,000,000 worth of real estate in that city. They say they do not want to go back to Palestine. "New York is my New Jerusalem. My Jerusalem is wherever I am doing well."

A Success.

The production of "The Midnight Alarm" at Ferguson's theatre last night for the benefit of the Columbia Hose Company was a grand financial success. The house was crowded and standing room was at a premium. The Schoppe orchestra rendered the overture and intermission and furnished one of the most enjoyable features of the entertainment. The play was an interesting and thrilling one, and at times the firemen in the house were aroused to a high pitch of enthusiasm.

Lecture.

Rev. Wm. Swindells, D. D., of Philadelphia, will lecture in the Methodist Episcopal church next Wednesday evening on "The Usages of Methodism." This is the first of a series of lectures under the auspices of the District Epworth League. The admission will be free but a collection will be taken for the benefit of district work.

Obituary.

Mrs. Samuel Small, one of the oldest residents of Lost Creek, died this morning at her late residence of pneumonia, after a short illness. The deceased was well known in Shenandoah, and her sudden death will cause general regret among her large circle of intimate friends and relatives. She leaves a husband and five children.
