Williams was 70 years of age, and had been out during Sunday, and when he returned home it is said his wife unbraided him for his conduct. His wife paid no attention to his threat, but shortly after found her husband had swallowed the contents of the bottle.

Good Looks.

Good looks are more than skin deep, depending upon a healthy condition of all the vital organs. If the liver be inactive, you have a Bilious Look, if your stomach be disordered you have a Dyspeptic look and if your kidneys be affected you have a pinched look. Secure good health and you will have good looks. Electric Bitters is the great alternative and Tonic acts directly on these vital organs. Cures Pimples, Blisters, Boils and gives a good complexion. Sold at C. H. Hagenbuch's Drug Store, 50c. per bottle.

"O'Dowd's Neighbors" To-night.

Clever entertainers, besides a large chorus in "O'Dowd's Neighbors," go to make up one of the most complete farce-comedy organizations ever seen in the city, and it goes without saying that the overflowing audience at the National last night was delighted. The comedians, Mark Murphy and Sam J. Ryan, are irresistibly funny. Their singing and dancing were enthusiastically received. Some popular songs were introduced. One number, not so well known, was the famous sextette from Lucia which was sung with fine effect. Miss E. E. Lynton, well known as a comic opera singer, has an important role in "O'Dowd's Neighbors" which she ably sustains. A new dancer, Regalencia, created a sensation in Spanish terpsichorean scenes. Philadelphia Evening Star, "O'Dowd's Neighbors" will be produced at Ferguson's theatre to-night.

Pronounced Hopeless, Yet Saved

From a letter written by Mrs. Ada E. Hurd, of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my lungs, cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me, and thank God I am now a well and hearty woman." Trial bottle free at C. H. Hagenbuch's drug store, regular size, 50c. and \$1.00.

Indian Artists.

All our North American Indians paint, and the patterns vary with the individual, with the family and with the occasion. From notes made upon Sacs and Foxes painted for the dance we will give but one or two cases. One man's face was painted black, except around the eyes and mouth, which were scarlet. Upon his forehead was a neat chequered pattern of yellow on the black background. Another face was divided by a vertical line in two parts, one of which was bright yellow, the other an equally bright green.

His Heart Was True.

Twenty-eight years ago a young Irish girl of Downpatrick refused to marry and accompany her fiancé to New Zealand, for the reason that she could not leave her mother. The old woman entered the almshouse, where her daughter cared for her until she died a short time ago. The former lover, who had become rich in New Zealand, heard of it and sent a ticket to his sweetheart, who is now, at the age of fifty, on her way to New Zealand, and the first time beyond the limits of her native town.
