AFFAIRS CAUGHT HASTILY.
What News Gatherers Take a Moment to Tell About.

February 1st.
The streams are well filled. More snow would be welcome. The doctors continue on the go. St. Valentine's day is approaching. "For rent" cards are being displayed all over the town.

Women with big feet always manage to keep them out of other people's way.

The new silver coins are very pretty, but they won't buy any more than the old.

A man never has so great a trouble as when he has one he can't blame on any one else.

Leap year surprise parties are in vogue. They are the same as any other surprise party.

Marriage may be a step in the dark, but it is generally the result of courtship in the dark.

Love does not boast of the battles it has fought, nor scratch its scars to make them look bigger.

Setting a broken neck is a great feat of surgery. Still it doesn't quite come up to putting a head on a man.

Electric Bitters.

This remedy is becoming so well known and so popular as to need no special mention. All who have used Electric Bitters sing the same song of praise.—A purgative medicine does not exist and it is guaranteed to do all that is claimed. Electric Bitters will cure all diseases of the Liver and Kidneys, will remove Pimples, Boils, Salt Rheum and other affections caused by impure blood.—Will drive Malaria from the system and prevent as well as cure all Malarial fevers.—For cure of Headache, Constipation and Indigestion try Electric Bitters—Entire satisfaction guaranteed, or money refunded.—Price 50c. and \$1.00 per bottle at C. H. Hagenbuch's drug store.

Lovers' Lane Again.

The police will learn, by occasionally strolling along Jardin street on Sunday evenings, that the winter has no terrors for the love sick maidens and youths. They are almost as numerous on that street during the present season as they are in the summer time, and all know they are as thick as flies about a barrel of molasses then. It is not the mere gathering on the porches and sidewalks by these nuisances that makes them objectionable. It is the language used by many of them. The police have done good work on "lovers' lane" in the past; let them repeat it.

Coming Events.

Feb. 3.—Grand supper and cake walk at Robbins' opera house, under the auspices of Co. A, Jr. O. U. A. M. Guards.

The disappearance occurred near Fort Wayne, Ind.

The train was running at a high rate of speed at the time and Dalton is of the opinion that Hyer was either killed or badly hurt when he jumped from the train.
