DR. H. N. COXE

Our fellow townsman, Dr. H. N. Coxe, than whom no man has a cleaner political record as a steadfast and active Republican worker in our midst for more than thirty years, and who is so widely and favorably known as an honorable and progressive business man, has entered into the contest as a candidate for State Senator from this, the 29th Senatorial District. Of him it may be said that few men can truthfully lay higher claims to the important office to which he now aspires, and we know of no one better fitted, by reason of his abilities and sterling worth of character, to perform the duties of this high and responsible position.—*Schuykill Haven Call.*

Hill's "freeze out" convention received a warming up at the hands of the Clevelandites in New York Thursday night. The cold and warm blasts are refreshing to the Republicans. The Empire Democrats can't take Hill's physis as gracefully as the Republicans did last year. The faces they make over the dose are amusing.

Free traders claim that trade balances like a pair of scales. "You can sell," they say, "no more than you buy." Then how did we come to sell \$44,000,000 more in November last than we bought? Why is it that the figures of a treasury balance sheet can never be got to harmonize with the theories of the free trade professors?

SOME of the "missing" guests of the Hotel Royal would doubtless be extremely obliged if the New York authorities would permit them to remain undiscovered.

THE white-necktie and straight-laced Democrats who are now holding up their hands in horror over Hill's attempted steal of the National Demo-

atic convention could see no vice in theft when the same Hill stole the New York Legislature.

THE spring elections in New York are decidedly encouraging to the Republicans. The Hill-Tammany Democrats will find their steal of the Legislature a boomerang.

A LARGE factory is to be transported from Glasgow to Chester, Strange, we never hear of our manufactories being transported from this country to Glasgow.

It is far better to have a gigantic monopoly with a capital of \$250,000,000 and a stable coal trade, than a tottering corporation in the hands of trustees and at the mercy of an unprincipled pool.

BLAINE will not leave the Cabinet after all.

Important.

It is important as well as a benefit to you that I have purchased the good will and stock of groceries, flour, feed and provisions of M. Muldoon's store, corner of Centre and West streets, where we will be pleased to continue to serve the old customers and as many new ones as may favor us with their patronage. The business will be conducted under the name of Gallagher and Bro. in a manner that has never been equalled. We invite you to visit our store and examine our goods, even if you do not make a purchase. We have also purchased an additional stock from the city and intend to run a general store to meet the wants of every one. Fresh creamery butter and eggs received daily. Also everything in the line of green truck, fish, etc. Don't forget the place.
Yours truly,

All Promptly Met.

TOPICS GLEANED ON THE STREETS.

WHAT SOME EXPECT FROM THE BIG DEAL.

HOPES OF SOME BUSINESS MEN.

A Real Estate Deal That Hung Fire for Months Falls Through.
Mr. Newhouser Changes His Mind.

A prominent North Main street gentleman said yesterday, "According to the reports from the County Commissioners' office the hat will go around before the new court house is finished and yet we hear of the Pottsville people going into an ecstasy of delight over the prospect of securing a \$100,000 government building. Shenandoah would accept a \$25,000 government and would bind itself not to go to Pottsville for money to fix up the grounds."

The employees of the Kebley Run colliery were paid yesterday. Superintendent Baird says that he is satisfied with the big Reading deal.

Two well known gentlemen of a neighboring town are seriously considering a proposition to build a new and large hotel in town.

There is a new pastime for those who pay daily visits to the Lehigh Valley depot. They are watching for the first P. & R. engine to pass over the line.

C. W. Newhouser, who made a bargain some time ago to sell his North Main street property to E. C. Brobst, has changed his mind and will not sell now.

The business men look forward to the abolishment of the company stores after the Reading company goes things in working order under the big deal. The miners also hope that the entrenchment on expenses for agents will enable the company to abolish the obnoxious basis system.

It seems of our would-be progressive citizens could be inoculated with some of President McLeod's brains Shenandoah would soon have a healthy Board of Trade.

The Pennsylvania's short route to Pottsville has regained its old hold on the people of town. "Give me a short line ticket" is a common expression at the window in the Lehigh depot now.

RESULT OF THE CITIZENS' BOROUGH CONVENTION.

LESSIG AND REESE RENOMINATED

Higgins, the Democratic Nominee, for Receiver of Taxes, Indorsed, and Tempest Nominated for High Constable.

The Citizens' borough convention was held last night in Oliver's hotel. All the conferees elected at the recent primaries were present. They were Messrs. Charles Gibson, Adam Mort, James Tempest, First ward; A. Woomer, R. D. Hagenbuch, P. Sullivan, Second ward; R. A. Davenport, Robert Oliver, Owen Thomas, Third ward; T. W. Powell, Michael Brown, Daniel Reigel, Fourth ward; Joseph Temple, James Morgan, Christ, Foltz, Fifth ward. R. A. Davenport was made chairman of the convention and Thomas W. Powell secretary.

James B. Lessig was re-nominated for Chief Burgess by acclamation and, on motion of Owen Thomas, John F. Higgins, the candidate on the Democratic ticket for re-election as Receiver of Taxes, was indorsed.

Frank C. Reese was re-nominated for Borough Auditor by acclamation.

The only contest was for High Constable. T. W. Powell nominated David Evans and Michael Brown named Joseph B. Tempest. Only one ballot was taken. Tempest received 9 votes and Evans 5.

Michael Brown and R. D. Hagenbuch were tellers.

After the nominations were made Chief Burgess Lessig and Auditor Reese were introduced.

The candidates made brief addresses, thanking the conferees, and James Tempest responded for his brother, the candidate for High Constable. The stag party rule—tell a story, sing a song, or "beat 'em up" was then declared in force and for an hour or two conferees and candidates had a jolly time. The fun was interspersed with serious talks on the ticket. It was declared an excellent one and pledges were made to work industriously for its success.

THE FIFTH WARD PRIMARY.

Brown for Council, Roberts for School Board.

Forty-one members of the Citizens' party and a number of spectators assembled in Schmidt's hall last night to see what the party would do about putting a ticket up in the Fifth ward. The meeting was a very harmonious one. John L. Hassler called the meeting to order and was made chairman. William H. Reinbold was made secretary and William H. Bachman and Richard Reese secretaries.

William Brown was nominated for Council by acclamation.

Samuel Roberts, for School Director, Edward Mason, for Judge of Election, and William H. Reinbold, for Assessor, were also nominated by acclamation.

A contest for Inspector of Election resulted in George M. Byer receiving 36 votes and Charles Blaker 10.

Jerome Roxby and James Morgan were contestants for Standing Committee and the former was elected by a vote of 25 to 16.

Joseph Temple, Christ, Foltz and James Morgan were elected conferees by acclamation. Mr. Morgan was elected in the place of Benjamin Richards, who could not attend the borough convention.

Hereafter the Roshon gallery will open on Sunday for the accommodation of those who cannot come on week days. 2-12-92.

Obituary.

Clement S. Foster died at his home in Pottsville yesterday in his 69th year. The deceased was one of the oldest and best known residents of this county. He was a native of Portsmouth, New Hampshire, but had been a resident of Pottsville since boyhood, his parents having located at that place then. Mr. Foster conducted a shoe store in this town about sixteen years ago. He then went to Ashland and later returned to Pottsville. A widow and six children survive the deceased. T. J. Foster, formerly of town, but now of Scranton, is one of his nephews. Rufus J. Foster, also now of Scranton, is one of his sons.

PASSION'S SLAVE.

The Baldwin Comedy Company Gives a Good Performance.

The severe cold weather of last night prevented a large house from attending the performance by the Baldwin Comedy Co. at the opera house, but those who braved the elements made up in hearty appreciation what they lacked in numbers. The play presented, "Passion's Slave," is too familiar to theatre goers to require any notice; it is a comedy with just enough of pathos running thread-like through it to make it a true picture of human life. The cast was well taken. Mr. Allen Demond was a meritorious *Manuel DeFoe*, the hero, and John W. Barry did the leading heavy in a manner which brought most appreciative smiles from the gallery. Billy Barbour and Edwin F. Gardner supplied the humorous element as *Major Short-sleeve* and *Gulight*. Miss Sadie Farley, as *Minnie Briscoe*, deserves notice. Miss Aida Gardner filled the captivating role of *Patty* well, and Mrs. Waters entered admirably into the thorough French character of *Clotilde*. The dancing of Edwin F. Gardner and Miss Aida Gardner was capital, and thoroughly deserved the encore it received. The company got one insistent curtain call.—*Lockport, N. Y. Union*. They will appear at Ferguson's theatre the entire week of Feb. 15th, (except Wednesday). Matinee Saturday, Admission, 10, 20 and 30 cents. Seats now on sale at Kirin's drug store.

SILVER WEDDING.

Rev. H. G. James and Wife Celebrate Their Anniversary.

Rev. H. G. James, pastor of the English Baptist church, and wife, celebrated the 25th anniversary of their marriage last evening, at their residence on West Coal street. About sixty members of the congregation were present and gave the clergyman and his wife a handsome silver tea service. The presentation was made by Thomas Hough and Rev. James accepted the gift gracefully, after which a bounteous supper, prepared in excellent style by Mrs. James, was served. Singing of "Praise God From Whom All Blessings Flow" and prayer by Deacon Pillingier followed. Most of the congregation will be poets now, as they sat in Rev. James' bardic chair.

This morning Rev. and Mrs. James received a very beautiful and costly present by mail from Hornellsville, N. Y.

They Never Fail.

J. N. Harris, 8 Fulton Market, New York City, says: "I have been using Brandreth's Pills for the last fifteen years. There is nothing equal to them as Blood Purifiers and Liver Regulators. But I wish to state how remarkably they cure rheumatism in the legs. My business (wholesale fish dealer) naturally leads me to damp places. I could not walk, and at night I suffered fearfully; I tried Balsams, Sarsaparilla and all kinds of tinctures, but they did me no good and I was afraid of being a cripple. I finally commenced using Brandreth's Pills. I took two every night for ten nights, then I began to improve. I continued taking them for forty days and I got entirely well. Now, whenever sick, I take Brandreth's Pills. They never fail!" 1w
