

Let You Down Easy.

The gentleman in the happen attachment is apparently in an awkward plight. His position is analogous to the citizen who is called upon to do his own shopping and is unversed in the mysteries of grades and prices. But if he visits Smith & Swingle he need have no fear of being "done up" with his purchases.

"Promoters of Low Prices, Paralyzers of High Prices."

THE READY-PAY STORE!

Shenandoah, Penna.

Our opening has proven a grand success, far beyond our expectations. We have solved the problem of giving greater value for the money than any other store in town. Our method of doing this is simple enough when you master it, and consists in having cash with which to buy at the very lowest notch and the judgment to know a good thing when we see it. Having purchased at prices away below what our competitors have to pay, we offer goods at prices they cannot meet.

Throwing Away Money.

This saucy individual, like many other reckless and improvident persons in this town, who throws away money in paying exorbitant prices for Groceries, should go to the aid and learn wisdom or make their purchases of Smith & Swingle—promoters of low prices, paralyzers of high prices. They have inaugurated sweeping reductions in their line of goods, which consists of the finest line of foreign and domestic groceries. Call and be convinced!

Dollars saved are dollars made, so make your dollars roll where they will roll farthest. Below we quote a few of our prices:

A Cheerful Home.

"Well, Mary, how cheerful your home is. You always have such a cheerful fire." "Yes, 'tis true, we always have a good fire since we get our coal from Zeite & Co.'s Mountain Colliery. Before we always had such a time getting a fire in the morning. That made us all cross and crabbed, but now everything is lovely. And, besides, it is cheaper. Mart Shoemaker takes orders, does the collecting and delivering."

LOCALETTES.

Winter is waning. Spring is on the way. March winds are howling. The moon was full Tuesday. Look out for the equinox next. Ox blood red will be a summer favorite. The trout fishing season will open next month. Old Sol will cross the equatorial line next Monday. The tariff debate is now the great time consumer. Tramps are now selecting their early summer routes. Finger bowls are out of sight this year. They are not used at all. March is serving up all sizes, shapes and conditions of weather. Love levels all things, but it doesn't make a fellow's head level. Druggists and seedmen are enjoying a run on early vegetable seed.

A Corner in Hats.

Some hats are neither worth throwing nor taking out of a corner. A good hat is light, durable, snugly and a pleasure to the wearer; a bad hat isn't worth powder enough to blow it into position. Good hats are no more expensive than bad ones, but bad hats are expensive at any price and sensible men couldn't be paid to wear them. Our \$2 hat is a perfect gem, and there is no reason to be without one at this low figure. The same is true of our 25c Neckwear and Suspenders. Good shirts from 50c up to \$2. All the newest things in gents' underwear, collars and cuffs. Everything at rock bottom price.
