

Let You Down Easy.

The gentleman in the humpen attachment is apparently in an awkward plight. His position is analogous to the citizen who is called upon to do his own shopping and is unversed in the mysteries of grades and prices. But if he visits Smith & Swingle's he need have no fear of being "done up" with his purchases.

"Promoters of Low Prices, Paralyzers of High Prices."

THE READY-PAY STORE!

Shenandoah, Penna.

Our opening has proven a grand success, far beyond our expectations. We have solved the problem of giving greater value for the money than any other store in town. Our method of doing this is simple enough when you master it, and consists in having cash with which to buy at the very lowest notch and the judgment to know a good thing when we see it. Having purchased at prices away below what our competitors have to pay, we offer goods at prices they cannot meet.

Throwing Away Money.

This sooty individual, like many other reckless and improvident persons in this town, who throws away money in paying exorbitant prices for groceries, should go to the ant and learn wisdom, or make their purchases of Smith & Swingle—promoters of low prices, paralyzers of high prices. They have inaugurated sweeping reductions in their line of goods, which consists of the finest line of foreign and domestic groceries. Call and be convinced.

Dollars saved are dollars made, so make your dollars roll where they will roll farthest. Below we quote a few of our prices:

A Cheerful Home.

"Well, Mary, how cheerful your home is. You always have such a cheerful fire." "Yes, it's true; we always have a good fire since we got our coal from Zerbe & Co.'s Mountain Colliery. Before we always had such a time getting a fire in the morning. That made us all cross and crabbed; but now everything is lovely. And, besides, it is cheaper. Mary, Zerbe & Co. takes orders, does the collecting and delivering."

LOCALETTES.

Those who have to move this spring will soon be making the preliminary preparations.

There's a bright side even in rheumatism—you feel so awfully good after it has left you.

During leap year it is the woman's province to adopt the rightful function of the office and seek the man.

March is well maintaining its reputation for blissty and cold weather.

Prodigal sons always come home with heavy hearts and light pocket-books.

Sausages and scrapple are slowly beginning to fade into the misty has been.

A man may be lantern-jawed and yet his face never light up.

The lover who is jilted should cover his wounds with court plaster.

The man who sends into a newspaper office an item just to "fill up" with has our heartfelt sympathy.

Wearing wigs and dying whiskers never deceive anybody but the people who do it.

The most consequential real estate operator in the spring months is the carpet shaker.

An Important Difference.

To make it apparent to thousands, who think themselves ill, that they are not affected with any disease, but that the system simply needs cleansing, is to bring comfort home to their hearts, as a costive condition is easily cured by using Syrup of Figs. Manufactured by the California Fig Syrup Co.

A Corner in Hats.

Some hats are neither worth throwing nor taking out of a corner. A good hat is light, durable, shapely and a pleasure to the wearer; a bad hat isn't worth powder enough to blow it into perdition. Good hats are no more expensive than bad ones, but bad hats are expensive at any price and sensible men couldn't be paid to wear them. Our \$2 hat is a perfect gem, and there is no reason to be without one at this low figure. The same is true of our Neckwear and suspenders. Good shirts from 25c up to \$2. All the newest things in gents' underwear, collars and cuffs. Everything at rock bottom price.
