A Cheerful Home.

A cold March.

Mixed weather. Blue birds have cold feet.

March is fruitful of snows,

Some grip still lingereth among us. It takes an early riser now to get up by daybreak,

A mussy moustache denotes lack of self-control. Light muslin will be popular with the summer girl.

The ground hog has nothing more to do with the weather.

The cutaway is said to be the proper coat for an elopement.

The ben during Lent should be recognized as a lay member.

Both breakfast and supper can now be readily eaten by daylight.

The milliner will not only trim but make the summer hat. Fancy straw braids come in rolls for that purpose.

Bows of ribbon are now so elaborate that only professionals can make them.

An Important Difference.

To make it apparent to thousands, who think them-elves ill, that they are not affieled with any disease, but that the system simply needs cleansing, is to bring comfort home to their hearts, as a costive ondition is easily cured by using Syrup of Figs. Manufactured by the California Fig
