

**Let You Down Easy.**

The gentleman in the top hat attachment is apparently in an awkward plight. His position is analogous to the citizen who is called upon to do his own shopping and is unversed in the mysteries of grocers and prices. But if he visits Smith & Swingle, he need have no fear of being "brought up" with his purchases.

"Promoters of Low Prices, Paralyzers of High Prices."

# THE READY-PAY STORE!

Shenandoah, Penna.

Our opening has proven a grand success, far beyond our expectations. We have solved the problem of giving greater value for the money than any other store in town. Our method of doing this is simple enough when you master it, and consists in having cash with which to buy at the very lowest notch and the judgment to know a good thing when we see it. Having purchased at prices away below what our competitors have to pay, we offer goods at prices they cannot meet.

**Throwing Away Money.**

This steady individual, like many other reckless and improvident persons in this town, who throws away money in paying exorbitant prices for Groceries, should go to the ant and learn wisdom, or make their purchases of Smith & Swingle—promoters of low prices, paralyzers of high prices. They have inaugurated sweeping reductions in their line of goods, which consists of the finest line of foreign and domestic groceries. Call and be convinced.

Dollars saved are dollars made, so make your dollars roll where they will roll farthest. Below we quote a few of our prices:

"Yes, it is true, we always have a good fire since we got our coal from Zerle & Co.'s Mountain Colliery. Before we always had such a time getting a fire in the morning. That mine is all cross and crabs; but now everything is lovely. And, besides, it is cheaper. Mart Shoemaker takes orders, does the collecting and delivering."

Flitting soon.  
Moving time is near.  
March days are going.  
A pretty rough March so far.  
Winter ended astronomically.

The blue birds and robins came too early.  
The prevailing sleeve is a mass of wrinkles.  
The less people know the more they talk about it.  
Easter cards will be the next display for the stationers.  
Don't stop your carriage or wagon on a street crossing.  
There will be no scarcity of spring styles and patterns.  
Keep up the agitation about improved public streets. Good will come of it.

Under the new election law the pay of judges of election is increased from three to five dollars per day.

**An Important Difference.**

To make it apparent to thousands, who think themselves ill, that they are not affected with any disease, but that the system simply needs cleansing, it is brought comfort home to their hearts, as a coactive condition is easily cured by using Syrup of Figs. Manufactured by the California Fig Syrup Co.

**A Corner in Hats.**

Some hats are neither worth throwing nor taking out of a corner. A good hat is light, durable, snugly and a pleasure to the wearer; a bad hat isn't worth powder enough to blow it into perdition. Good hats are no more expensive than bad ones, but bad hats are expensive at any price and sensible men couldn't be paid to wear them. Our #2 hat is a perfect gem, and there is no reason to be without one at this low figure. The same is true of our \$2. Neckwear and Suspenders. Good shirts from 25c up to \$2. All the newest things in gent's underwear, collars and cuffs. Everything at rock bottom prices.
