

Let You Down Easy.
The gentleman in the hempen attachment is apparently in an awkward plight. His position is analogous to the citizen who is called upon to do his own shopping and is unversed in the mysteries of grades and prices. But if he visits Smith & Swingle's he need have no fear of being "done up" with his purchases.

"Promoters of Low Prices, Paralyzers of High Prices."

THE READY-PAY STORE!

Shenandoah, Penna.

Our opening has proven a grand success, far beyond our expectations. We have solved the problem of giving greater value for the money than any other store in town. Our method of doing this is simple enough when you master it, and consists in having cash with which to buy at the very lowest notch and the judgment to know a good thing when we see it. Having purchased at prices away below what our competitors have to pay, we offer goods at prices they cannot meet.

Throwing Away Money.
This sordid individual, like many other reckless and improvident persons in this town, who throws away money in paying exorbitant prices for groceries, should go to the ant and learn wisdom, or make their purchases of Smith & Swingle—promoters of low prices, paralyzers of high prices. They have unimagined sweeping victories in their line of goods, which consists of the finest line of foreign and domestic groceries. Call and be convinced.

Dollars saved are dollars made, so make your dollars roll where they will roll farthest. Below we quote a few of our prices:

Call around and spend a pleasant hour.

A Cheerful Home.
"Well, Mary, how cheerful your home is. You always have such a cheerful fire."
"Yes, 'tis true," we always have a good fire since we got our coal from Zerbe & Co.'s Mountaintop Colliery. Before we always had such a time getting a fire in the morning. That made us all cross and crabbed, but now everything is lovely. And besides, it is cheaper. Mari Shoenmaker takes orders, does the collecting and delivering."

FOR SALE!

We offer for sale a store of goods, consisting Ready-made Clothing, Hats, Caps, Boots, Shoes, and Groceries. The stock is first-class—no old stock, having started in business but two years ago, with an entirely new stock. Will be sold at a good discount, and reasonable time to pay for same. The store is in a good location, on the business street of the town. The store and dwelling are handsome, having been built recently with all modern improvements, hot and cold water, bath tub and water closet—a house to accommodate a good-sized family, all complete, at \$20 per month rent. There is only one clothesier in the town besides our stores. Reason for selling out is on account of going into the manufacturing business. Westberry is a flourishing borough of about 3,000 inhabitants, located on the Hooper Meadow division of the Lehigh Valley railroad, in Carbon county. It is 14 miles from Mauch Chunk, the county seat, and 104 miles from Philadelphia, with large Lehigh Valley railroad shops employing between 800 and 900 people, also containing the largest silk mill in the world employing 600 hands, and the Board of Trade is working to have large factories in the very near future. Apply to

JOSEPH VERZI & SON,
Clothing and Merchant Tailors,
Weathersy, Pa.
We also want to sell out our Merchant Tailoring, the stock being run down very low on account of going out of business. There is but one tailor in town besides ourselves, but we have the leading trade of the best customers, and is as good a trade as there is in the state for custom work. The tailoring department can be sold out separately, and will procure a store with fine French plate front, with good workshop and fine dwelling with water in the house, the place being formerly occupied by ourselves before we went into the clothing business. The store and dwelling is situated in the centre of the business part of town. Store, shop and dwelling, \$22 per month rent. Do not miss these opportunities, as this is open for 15 days only. Apply to

JOSEPH VERZI & SON,
Clothing and Merchant Tailors,
Weathersy, Pa.

A Corner in Hats.

Some hats are neither worth throwing nor being out of a corner. A good hat is light, durable, shapely and a pleasure to the wearer; a bad hat isn't worth powder enough to blow it into perdition. Good hats are no more expensive than bad ones, but bad hats are expensive at any price and sensible men couldn't be paid to wear them. Our \$2 hat is a perfect gem, and there is no reason to be without one at this low figure. The same is true of our 25c Neckwear and Suspenders. Good shirts from 25c up to \$2. All the newest things in grade underwear, collars and cuffs. Everything at rock bottom price.
