The President Abandons His Ducking Trip.

BUSY ON BEHRING SEA AFFAIRS.

Senator Morgan Creates a Sensation in the Senate.

Be Wants the Views of Members, Who Are Possible Candidates for the Presidency, on the Silver Question-The Hoosler Poet, James Whitcomb Biley, WHY BURROWS DID NOT FIGHT. Entertains the President and Family-Army Officers as Indian Agents-A Life Saver Rewarded.

Washington, April 1 .- President Haring trip in order to personally conduct the negotiations for a renewal of the the enemy before further committing midnight by a mob of nearly 1,000 demodus vivendi, having brought the himself. matter to a point where it seemed probable that an early agreement would be

He has been busily engaged most of the day yesterday upon this subject. General Foster was with him some time, and later Senator Morgan, a member of the Senate Committee on Foreign Relations, spent a half hour with the President.

As stated Wednesday, there has been no further correspondence between the governments.

The negotiations proceeding wholly by personal interviews, the President's con-fidence that an agreement will be speedily reached is believed to be well founded

SENSATIONAL RESOLUTIONS.

Senator Morgan Fires a Shot at Presidential Caudidates.

WASHINGTON, April L.—Senator Morgan caused a decided sensation in the Senate yesterday by the introduction of a series of silver resolutions for reference to the Finance Committee, and his announcement that his purpose in bringing forward the subject in this way was to ascertain whether there were Senators who permitted the shadow of coming heroes in the Presidential contest to come between them and their votes on this important question, and also to ascertain the views of Senators on the silver question on his side of the Chamber who were now looming up as Presidential candidates. ascertain whether there were Senators dential candidates.

Mr. Morgan's resolutions come up again to-day.

To Relimburse Senate Contestees.

Washington, April 1.—The Senate Committee on Privileges and Elections examined the accounts of Mr. Claggett, the unsuccessful contestant for the Senate from Idaho, Mr. Dubois, the successful contestee from that State, and Mr. Davidson, the unsuccessful contestant from Florida for Senator Call's seat, and decided to recommend to the Senate that Mr. Claggett be allowed \$4,000; Mr. Dubois, \$3,000, and Mr. Davidson, \$1,-250. These amounts are expected to cover the sums expended by the gentlemen named in the contests.

Post Riley at the White House.

Washington, April 1.—James Whitcomb Riley, the Hoosier poet, appeared in Washington last evening before a large audience, including the President's family and several members of the Cabinet. After the performance he visited the rooms of the National Capitoi Press Club, where a large and fashionable reception, a kind of house warming by the club, was in progress, and delighted the club, was in progress, and delighted the guests with several recitations. To-night reception will be given in his honor at

Army Officers as Indian Agents.

Washington, April 1. — The Senate adopted the House provision in the Indian bill authorizing the President in future to appoint army officers instead of civilians as Indian agents, but with a proviso giving him discretion to continue at civilians where he deemed it

Free from Duty.

Washington, April 1.—The Treasury Department has decided that coffee shipped to Europe from Venezuela and Columbia previous to March 15 and imported into the United States from Europe would be entitled to free entry into the United States.

A Life Saver Gets a Medal.

the Affair. NEW YORK, April 1 .- All the parties concerned in the Borrowe-Drayton scan- the man who Wednesday backed his wife rison abandoned his contemplated duck. dal appear to be on the defensive, each, and two daughters in a horrible manner, anxiously awaiting further action from was taken from the county jail here

> The Millbank-Borrowe faction have issued a statement over Harry Vane Milibank's signature which defends Mr. Borrowe's failure to meet Mr. Drayton by quoting an agreement made by that

gentleman and his wife.

The statement is dated Oct. 28, 1891, and the part which concerns the monetary consideration is to the following ef-

"The wife has an income of \$35,000 "The wife has an income of \$35,000 per annum, under all circumstances she retains one-half. She agrees that the other half be piaced with trustees, \$5,000 of which shall be paid to the husband and \$12,000 to herself for maintenance of children; out of the money she receives wife to keep up establishment for husband and family; the husband's \$5,000 for his personal expenses, such as clothing, amusements, travelling, medical attendance, etc.

Wife agrees, should she hold any verbal or written communication with Mr. H. A. Borrowe, that the \$12,000 for Ar. H. A. Borrowe, that the \$12,000 for children shall be paid to the husband, and he shall have control of same and children. Husband on his part agrees that for the \$5,000 he will go to Europe with his wife, and make his dwelling taken down until the arrival of the Corplace there with her."

We score revolvers were area into the children had been composed of the best citizens, but poorly organized and lacking a leader. The body was not taken down until the arrival of the Corplace there with her."

IN THIRTY FEET OF WATER.

The Body of John Lawler, Supposed to Have Been Murdered, Found.

POUGHKEPSDE, N. Y., April 1.-T(mothy Conlon of Rhineliff, was arrested by order of Coroner Conklin and lodged in the Dutchess county jail here last night.

He is suspected of complicity in the killing of John Lawler on Vice President Morton's dock near Rhinbeck last Sunday. The two men were together all day and were seen on the dock together,

both being intoxicated. Sunday night Lawler was missing and there has been no trace of him until yes-terday, when his body was found in 30 feet of water, a short distance from where he was last seen in company with

Blood spots were found in different places on the dock, and there were evidences of a struggle. This, together with the fact that ugly cuts were found on the dead man's head, led to Conion's arrest. He will be held subject to the action of the coroner's jury, to meet action of the coroner's jury, to meet

again to-morrow.

Lawler was 23 years old and single. Conlon has a wife and two children.

An Incorrigible Hoy.

An Incorrigible Hoy.

Pirrssuno, April 1.—Allegheny has an incorrigible 9-year-old boy named Joseph Doyle, who, because of his misdeeds, languisnes in jail. He was arrested at the instance of his mother, who says that four weeks ago he sharpened a bone and stabbed his grandmother in the neck, inflicting a serious injury, because the old lady reported some of his misdoings. Wednesday he sharpened a butcher knife and threatened to cut his grandmother's throat. Last week he attempted to burn down their home by attempted to burn down their home by bis way to his sister's house, while traving lighted matches into it. He has stolen money from his mother and broken farniture mirrors and pictures. The horse and pictures are a short distance away. The broken farniture mirrors and pictures are a short distance away. The horse of public resort and have comparatively few field guns. Both Valencia and Caracas are already governed as if in a state of siege. Government spies are in every horse farniture mirrors and pictures. Yesterday he came home having on an entire new suit of clothes, which no one can tell how he procured.

Rept a Baby Farm.

LYNN, Mass., April 1.—Mrs. A. B. Fisher and her daughter, Mary C., were arrested at Saugus charged with keeping a baby farm. Six children, whose ages varied from 3 weeks to 8 years, were found in the old and squalld house which the women called home. The women refused to give the names or parents of the children found in their care. The finding of a body of a child near the Fishers led their arrest. They were brought here for trial.

BATTLE FOUGHT NEAR CARACAS.

The Insurgents Outnumbered Three to One and Defeated.

They Were Successful at First, But Were Finally Repulsed With a Loss of 300-The Revolution is Spreading-Prisons Are Crowded and the Newspapers Are Muzzled-The Government is Preparing for a Desperate Defense.

PANAMA, April 1 .- A French steamahip FINDLAY, O., April 1.—Joseph Lytle, which has arrived here brings authentic news of the uprising in Venezuela against President Palacio. The officers say that the country is in an anarchistic condition and that life and property in the The mob broke in the windows of the vicinity of Caracas are In constant

The rumors of a recent battle between President Palacio's troops and the insurgents under General Joaquin Crespo are confirmed.

The mob broke in the windows of the jail, but were unable to reach Lytle's cell by that route, and finally the doors were broken open and Lytle was taken to the bridge, about two squares away, and strung up to an iron cross-piece of the bridge.

Just as he was being pulled up a shot from a revolver rang out on the night air and the rope was shot in two, dropping the victim to the ground. He was then hurriedly taken to the nearest telegraph pole where the lynching was com-The battle was fought near Caracas and lasted for three hours. At first Crespo's forces were successful and drove the government troops steadily back on the road to the city. Reinforcements for Palacio's arms arrived as the retreat was becoming a rout, and the govern-ment troops made a stand on a wooded

As the mob entered the jail Lytle called their attention to the cell he was occupying as the one they were looking for. It took thirty minutes to batter down the cell door, when the doomst man was dragged out and theuce to the Main street bridge. After the first attempt was made to hang Lytle he was dragged by the neck through the street. Crespo's men were outnumbered al Crespo's men were outnumbered atmost three to one, the government having
7,500 troops to their 3,000. They tried
to storm the position on the knoll three
times, but were driven back with a loss
of 300. The government troops then
took the offensive and followed the insurgents, who retreated, leaving 300
dead on the field.
The insurants retreated toward dragged by the neck through the street to the fatal telegraph pole. Shots from two score revolvers were fired into the

The insurgents retreated toward Eastern Zamora with the intention of joining another insurgent army which is said to be 6,000 strong. Detachments of the government troops went in pursuit, and several skirnishes took place in which the revolutionists repulsed Pala-Lytle displayed great gameness and seemed to be satisfied that he was meet-ing with justice.

cio's men.

The revolution is spreading and the insurgent forces are augmented daily.

In Eastern Zamora the people are taking sides with Crespo, and many soldiers have deserted the government. Crespo, the branch officers say, has the reputation of the particle of the people in the Salmon in Canadian Rivers Becoming Boston, April L.-A petition has been forwarded from this city to the Canadian his policy at present is to remain inactive while his tores are swelled by deserters Minister of Marine and Fisheries signed by 113 owners and lessees of lishing privfrom Palacio's army and by discontented Heges in Canadian rivers, the signers be-

Even the most loyal citizens have been ing fairly divided between Canadians rendered restless by the despotic measures to which Palacio has resorted t The petition sets forth that of late calsuppress the rebellion. Spies of the Government are everywhere, and hardly mon have become more and more scarce each year in the Canadian rivers; that unless the Dominion Government shall promptly adopt some decided and egeca day passes without the arrest of some conspicuous man for utherances supposed to reflect on the Government. The prisons are crowded and the newspapers tive measures to enable a larger number of salmon to reach their spawning grounds great danger of extermination of the species will ue incurred; that the are muzzled.

are muzzled.

Large quantities of arms have been landed recently on the coast near Cabello. They are of American make and are known to have been distributed among Crespo's troops. When he shall have recruited and armed his forces sufficiently for a long campaign, Crespo is believed to intend to march at once on Valencies the capital of Carababo, or be raised from Saturday evening till Monday morning affords inadequate op-portunity for a fair proportion of the fish to safely reach their spawning Therefore, it is respectfully petitioned Valencia, the capital of Carabobo, or upon Caracas.

that all salmon nets and traps be here-after raised during three successive days and nights of each week, which shall be The Government is preparing for a desperate defense of both cities. The garrison in each has been doubled, and the same stated for three days and three men are at work night and day throw-ing up earthworks. Extraordinary suphave been stored in the Govern-buildings in both cities, and the It is Supposed that Moonshiners Carried roads have been flanked for a distance of 30 miles with small detachments of sol-Pirrsauko, April 1.-John Hochstetler,

The Government has an overflowing treasury and is supplied with an abund-water of small arms and a considerable number of cannons. The insurgents

have comparatively few field guns. Both Valencia and Caracas are already Government spies are in every place of public resort and have man fell and the two men proceeded to knock their victim on the head with guns. Young Beal fled from the spot and took another route to his sister's made their way into many private house holds. Arrests are made without apparent cause and men are held prisoners without examination or trial. Conspicuhome. On arriving there he told the story of what he had witnessed on the ous men not in full sympathy with the government fear to go alone in the streets at night for fear of being seized road. A party is now searching for the and locked up on false charges. Many have left the city to escape such a fate, after having been warned that the government spics were-watching them.

The French officers say that the cause of the revolutionists is the popular one, and that in case of two or three victories. Some months ago, at Scranton, John

Hochsteller testified against moonshiners of this county. The moonshiners' companions threatened to kill him and, as he went to Trent Wednesday and has not been seen since, it is believed they and that in case of two or three victories for Crespo, the great majority of the people would throw off the semblance of carried out their threats and threw the loyalty and join their fortunes with his The government has more money and New York, April 1.—The racing stable of the late David Dunham Withers, com-prising sevention 2-year-olds and seven 3-year-olds, was sold at auction at the better drilled troops than the revolu-tionists, and the issue of the conflict is therefore uncertain. At all events, they say, the struggle will be a long one.

Favorable Logging Wenther in Maine.

Bancon, Me., April 1.—Such favorable weather for logging in northern Maine is seldom known in March, and the amount of lumber hauled to the The Secret of Success.

C. At Hagorbuca, in dragination we that the secret of success is necessaring. Those fare he persist in the secretary of the first secretary to be a success of the first he persist in the action. It is thus of personners to the secretary to set of the secondary inverse all operates of the secondary inverse all operates of in 1999 policy min in side to should be, on persistent agreement, dry configuration of the secondary landings will be considerably in excess of midwinter estimates. Over 50,000,000 feet of logs will go into Mossehead this seeson, and that the total Kennelsec cut is now estimated as high as 140,000,000 feet, while the Penobscot cut will be even larger. About 131,000,000 feet will come down the Mattawamkeag.

Parts Still Excited.

Parts, April I.—The proof that Rayschol, the Anarchist leader in the recent
outrages, is a desperate criminal, whose
neck should be under the guillotine, has
intensified the excitement and appreheasion in regard to Anarchia outrages.
The police, on the other hand, express
gratification at the discovery.
