### LOCALETTES.

Save eggs for Easter. Easter dyes are coming into demand. The trailing arbutus is beginning to bloom. Many building improvements this spring. Shad were never so cheap this early in the season. The birds will soon begin to bust and the leaves to shoot. Of his base—the deep voiced man who tries to sing tenor. The stamp of truth won't take a letter through the mails. The dandelion is a healthy spring, solid and good for the blood. Don't neglect to plant a tree on one of the coming Arbor days. The seven-pound ham is said to be best for boiling purposes. A man is as old as he feels but not always as big, not by a heap. Doctors recommend a heavy water cross consumption in the spring. The farmer has now entered upon his busy season and the tramp will keep away. Soon time to hunt up the fishing tackle and get it in order for the expected beauties. Have you strapped acquaintance with your new neighbor? And how do you like them? A fish diet is said to be good for the brain. Probably this is because the fish go so often in schools.

### Specimen Cases.

S. H. Clifford, New Cassel, Wis., was troubled with Neuritis and Rheumatism his stomach was disordered, his liver was affected to an alarming degree, appetite fell away, as he was terribly reduced in flesh and strength. Three bottles of Electric Bitters and seven boxes of Bucklen's Arnica Salve, and his leg is sound and well. John Spenser, Catawba, O., had five large Evers aches on his leg, doctors said he was incurable. One bottle Electric Bitters and one box Bucklen's Arnica Salve cured him entirely. Sold by C. H. Hagenbuch, Drugist.

### A GREAT SHOW.

Forepaugh is Leaving Philadelphia and Will Soon appear Here.

Everything is on the move at the winter quarters of the Forepaugh show, which is to appear here on May 9th, next, and which is now preparing to leave its winter quarters at Pullard's in Pa. The show starts out on its annual tour on April 23rd. The rolling stock of the company is now receiving its finishing touches at Point Breeze and consists of fifty-five show and sleeping cars and five for the use of the advertising brigade. The expenditure for the cars is enormous. Why, \$2,000 has been expended alone in placing safety couplers on the cars. The cars are fitted up to accommodate the one thousand people who accompany the show. The advertising cars have already started out to bill the country and on Saturday Mr. Allen, one of the advance representatives, was in town preparing to bill this place. The car of the manager of this great show is a marvel. It is a veritable house on wheels, with a regularly arranged kitchen, a handsomely furnished dining-room and spare-room, and a private bedroom. In addition there is a pleasantly arranged private office and an elegant observation platform in the rear of the train. The show carries with it over one hundred wagons for parade and other purposes and the best, birds and other creeping things that have been quartered the past winter at Edgemont street and Lehigh avenue, Philadelphia, are now being transferred to some of them. It takes thirty wagons to accommodate the zoological collection, alone. The majority of the beasts have been reduced to a state of learned submission by the famous animal trainer, George Arading-tall, who has charge of this department. India, the great specimen of the tiger family in possession of the Forepaugh show, recently attacked its mate and nearly chewed its head off. India's long, sharp claws have been trimmed and an extra guard will be placed over him during the travel. The lions are perfect specimens of the "kings of monsters," and Dick is the finest of his kind in America. One of the features of the show is the spectacular production of "The Fall of Nineveh." It is said to be superior to anything ever before produced and will be presented in a historically and architecturally correct manner. The attention given to details in the preparation of this production is surprisingly perfect. The armor, swords and chariots are all accurately designed, and even the coins that dangle from the helmets of the Assyrians are like those found by antiquarians.

### Now Try This.

It will cost you nothing and will surely do you good, if you have a Cough, Cold, or any trouble with Throat, Chest or Lungs. Dr. King's new Discovery for Consumption, Coughs and Colds is guaranteed to give relief, or money will be paid back. Sufferers from La Grippe found it just the thing and under its use had a speedy and perfect recovery. Try a sample bottle at our expense and learn for yourself just how good a thing it is. Trial bottles free at C. H. Hagenbuch's Drug Store. Large size 50c, and \$1.

Some hats are neither worth throwing nor taking out of a corner. A good hat is light, durable, slapsly and a pleasure to the wearer; a bad hat isn't worth powder enough to blow it into perdition. Good hats are no more expensive than bad ones, but bad hats are expensive at any price and sensible men can't be paid to wear them. Our \$2 hat is a perfect gem, and there is no reason to be without one at this low figure. The same is true of our \$25 Neckwear and Suspenders. Good shirts from \$2 up to \$2.
