In the province of Sumara, for which

much of the relief provision was des-tined, the suffering is described as ter-rible by the agents. Of a total popula-tion of 2,500,000, fully 1,500,000 are in want, and 500,000 of these are on the

The distribution of the flour and other provisions has been accompanied by re-markable scenes. Peasants have fallen on the ground before the agents, klasing

on the ground before the agents, klasing their hands and the hems of their costs. Thousands who had resigned them-selves to death, roused themselves upon hearing news of the relief at hand and crawled to the soup kitchens and places of distribution. Half of the people are almost without clothes, and many peas-ants come with their families of naked children to her old. It has sweller with

children to beg aid. In the smaller vil-lages the meals now set before the poor

lages the meals now set before the poor are the first they have tasted for months. They were found living on gravs, the bark of trees and the seeds of weeds. The roads to all the larger towns in Samara are thronged with beggars. Often a group of ten or twelve may be seen sleeping in the rain and sleet by the wavide

Deaths on the road are of frequent oc currence, and the bodies are either burled under a few inches of earth by companions or, if near a village, are left

for the authorities to bury. The central government's efforts to al-

lay the distress are still inefficient owing to indifference and corruption among subordinate officials.

THE INDIANA IN PORT.

Her Offiers Enthusiastic Over Their Re-

ception in Bussia.

PHILADELPHIA, April 15 .- The steam-

ship Indiana arrived at her dock yester-

day morning. Chief Mate Rodgers and

Ship's Doctor Laban are enthusiastic

over the reception which was accorded the officers and men of the vessel by the

people of Libau. The mayor of the town,

as well as the most prominent of its citi-

zens, entertained them in a very hospi-

When the vessel left Liban, Captain Sargent had been presented with a hand-

some silver urn, on which was an in-scription tendering the thanks of the

basket of flowers and with a card, on which was written their thanks for the part the women of this city had taken in

table manuer.

The people are too weak from hunger

RELIEF

### ONE ENJOYS

Both the method and results when Syrup of Figs is taken; it is pleasant and refreshing to the taste, and acts gently yet promptly on the Kidneys, Liver and Bowels, cleanses the sys-tem effectually, dispels colds, headaches and fevers and cures habitual constipation. Syrup of Figs is the only remedy of its kind ever pro-duced, pleasing to the taste and ac-ceptable to the stomach, prompt in its action and truly beneficial in its effects, prepared only from the most healthy and agreeable substances, its many excellent qualities commend it to all and have made it the most popular remedy known.

Byrup of Figs is for sale in 50c and \$1 bottles by all leading drug-gists. Any reliable druggist who may not have it on hand will procure it promptly for any one who wishes to try it. Do not accept any substitute.

DAVID FAUST,

Another Typhus Case in New York.

NEW YORE, April 15. -Another case of typhus fever was discovered yesterday, and the sufferer, William Sullivan, an unknown man about b0 years old, was removed by the bealth officers to North Brother Island. Sullivan walked into a hospital and said he was very sick. He could give no account of himself as he was in a sort of a demented condition. The health officers cannot ascertain any-thing about the man.

### A Panic-Stricken Beligious Procession.

MADRID, April 15.-The Holy Thursday MADRID, April 10. — Instituy Hursday procession at Cadix was thrown into a panic-stricken rout by the diabolical deed of some Anarchists who threw petards into the crowd. No one was killed, but several persons received in-juries in the stampede. The police are making every effort to capture the mis-creants creants.

Boomers Enowed Under.

WATERTOWS, N. D., April 15.-The storm which set in Tuesday night pre-vailed for thirty six hours, and the Sisse-ton bourners have lodged themselves in front of the land office, with dry-goods boxes to protect themselves from the elements.

It Ourse Golds, Goughs, Hors 'Throat, Group, Influenza, Whooping Gough, Bronchilis and Asthima. A series ture ha Consumption to the man, and a same relation advanced stages. Cost space. Thu will say the re-sellent effort after taking the first dose. Soda up desires engineer, Lang hould be series and Glob.

nd rabits, have been mysteriously killed during the past week in this city. There during the past week in the morning with owners found them in the morning with their wings and backs broken. The complete absence of any trace of an in-truder or motive for the killing gave rise to all sorts of theories, which have stirred ap poultry dealers all over the country

county. It was thought some insane man was doing the work.

doing the work. The mystery was solved Wednesday night when Officer Cruger discovared two dogs, a setter and a mongrel, in a yard on South Bridge street. They had killed a chicken and a rabbit when the officer elimined the force. They had also officer climbed the fence. They had also torn away a part of the thin siding of a little building in which were a number of thoroughbred fowls. The dogs howled when they saw the

officer, and made their escape by leaping over the high fence, followed by bullets from the officer's revolver. A thorough search is being made for the dogs, but nobody seems to know where they belong

UNITED STATES AND CHILI.

The Rumor That Diplomatic Belations

Bave Been Severed Not Confirmed, WARHINGTON, April 15.-There was a rumor current yesterday, lacking official confirmation, that the withdrawal of Minister Egan from Chill, on a leave of absence, will shortly be followed by the departure of Consul General McCreary, and that for some time to come diplomatic relations between the two countries will be severed. Senor Montt, who was the Chillan Minister here throughout the late difficulties, has left Wash-ington, and while his successor has been months. Mr. Egan's departure from Chili is on tured the shall and death was immmeappointed, he may not arrive for some

a leave of absence. It is distinctly de-nled in Washington that Minister Egan's leave of absence has any diplomatic antecedents, except that she was a lady meaning whatever. Meanwhile neither the American Minister to Chili nor the Chilian Minister to the United States is Chilian Minister to the United States is this city, who were informed of her at his post. It looks as though diplomatic relations, if not suspended, are who these relatives are. not cordial.

### AVOIDING EACH OTHER.

Washingron, April 10.—The incident in the House gesterday was the debate an the resolution of Mr. Burrows to ex. punge from the "Congressional Record" the extracts from the book of Henry George, "Protaction or Free Trade," in-terjected by several Democratic mem-bers. The discussion was at times quite mice semenality the george discussion was at times quite Borrows and Milbank Do Not Meet the Colonel or Fax.

Loxnov, April 15 -Borrowe, Milbank, Fox and Ochiltree have not yet crossed one another's path, nor are they likely to do so for some days.

Borrowe and Milbank arrived here at about breakfast time yesterday morning. Ochiltree started for Paris by the club train and does not return until Tuesday. It is rumored that he has gone to confer

the colloquy ended by a mutual apology. with the Duke de Moray. Fox says he will make no effort to see either Borrows or Milbank at present. He has placed his case in the hands of two friends, whose names he prefers to keep secret, but who have gone away from London to spend the Easter holi-Tobin, the west Shore regist conductor who was indicted for manshaughter in the second degree, was acquitted last night after a trial lasting four days. Tobin was charged with criminal negli-gence in causing the week at Monte-tauma on August 6, in which 15 lives were lost. He was tried at the December members in this city and the inter dia days.

Outsrio's Legislature Prorogued.

TORONTO, April 15 .- The Ontario Lag-Islature was formally prorogaed yester-terday afternoon by Chief Justice Hag-gorty, who acted for Lieut. Gov. Camp-

was dressed in a handsome nightrobe.

She struck upon her head on the stone

Two men ran across the street, and,

picking up the lifeless but quivering body, carried it up the stoop and rang the bell.

the bell. In the meantime a pollceman had been called by some ladies who had seen the woman fall. He repaired at once to the hospital. From Dr. Ayers he learned that the suicide was Mrs. Marie Lee, aged 22 who had been in the institution about two months.

about two months. The doctor was in-clined to be reticent, but finally he said

that the young woman, who belonged to a refined and well-to-do family in South Carolins, had a week or ten days ago given birth to a male child, since which time she had been delirious from pusr-

peral fever. Dr. Ayers said that Mrs. Lee had occu-

pled a separate room, and had had a special nurse, who had strict injunctions to watch the patient closely and not to

leave the room for any reason whatever, except when relieved by another nurse

These instructions were not obeyed, however, as the responsible nurse, whose name the doctor doclined to give, had

have the object defined to give, and left the room shortly after 3 o'clock yes-terday afternoon. Dr. Ayers himself asw Mrs. Lee about 2 o'clock, at which time she was excited and expressed the inten-tention of control of the she was expressed.

given a quieting potion and the doctor left her in charge of the nurse. This at

tendant had scarcely turned her back when Mrs. Les sprang from her bed, opened the window and leaped to her

diate. Neither Dr. Wyth nor Dr. Ayers would say anything about the woman's

Mr. Blount Resented the Charge.
