A Corner in Hats.

Some hats are neither worth throwing nor taking out of a corner. A good hat is light, durable, shapely and a pleasure to the wearer; a bad hat isn't worth powder enough to blow it into perdition. Good hats are no more expensive than bad ones, but bad hats are expensive at any price and sensible men couldn't be paid to wear them. Our \$2 hat is a perfect gem, and there is no reason to be without one at this low figure. The same is true of our \$2 Neckwear and Suspenders. Good shirts from \$2 up to \$2. All the newest things in gents' underwear, collars and cuffs. Everything at rock bottom price.
