### A DESPERATE MORNING STRUGGLE.

#### A POLE BADLY KNIFED BY TWO ROBBERS.

#### THE VICTIM BADLY INJURED.

The Robbers Were Daring and Desperate Men—The Three Men Arrested Last Night Have Been Identified by the Victim.

PERHAPS POTTSVILLE will have another murder case to try in the near future. Three Polish fellows are in the lockup of this town awaiting the result of injuries inflicted upon one Andrew Bonovitz early yesterday morning, while he was thwarting a robbery at his residence on South Gilbert street.

The story of the case is this: At about two a. m. yesterday three Polish men effected an entrance to the house of the injured man by forcing open one of the kitchen windows. Two of them made their way quietly up the narrow stairway into the sleeping apartment on the second floor and picked up a trunk that was supposed to contain considerable money. As the men were about to descend the stairway with the trunk the owner, Bonovitz, was awakened and sprang from his bed. The two robbers dropped their burden and grappled with the man and a desperate struggle ensued.

Bonovitz's wife and children, terror-stricken, gave vent of cries of "murder!" while the husband and father made a gallant battle. But the odds were against him. The robbers were strong men and one of them flourished a knife with disastrous effect. The robbers finally got away, leaving Bonovitz in the yard, lying upon the ground and bleeding profusely from several very deep cuts on the head and face. The stairs leading from the sleeping apartment, the two rooms on the first floor and the ground outside the kitchen vividly told the story of the desperate struggle. There would not have been more blood if a pile had been stuck in the bed room and dragged down the stairs and out into the yard. Bonovitz was picked up and carried back to his bed. He was in a critical condition. A wound on the right side of the face showed where the blade of the knife had entered just below the eye and made its way through to the point of the right jaw. The injuries were of such a serious character that it was deemed advisable to take the injured man's statement. Two old hats were picked up in the house and kept as clues, and the police decided to keep the affair as quiet as possible until some trace of the owners could be secured. Bonovitz said he did not know the men, but was confident he could recognize them.

Last night Chief of Police Davis, Chief Burgess Smith and the patrolmen of the force surrounded a house in the First ward and arrested three Poles named Paul Rossmovitz, Joseph Gowles and Anthony Petroloski as they were playing cards and drinking with friends. The three men were placed in separate cells in the lockup. Subsequently they were identified by Bonovitz and his wife.

Two of the men arrested wore new hats they purchased at a store on East Centre street yesterday morning and one of their friends has identified the two old hats found in Bonovitz's house.

To-day the Chief Burgess and police were engaged in hunting up people who claim to have seen the prisoners near Bonovitz's house for hours before the attempted robbery, the object being to show that the men had well-laid plans.

To-day Bonovitz's condition was still critical and his friends fear fatal results may follow.

The three prisoners assert innocence, but their victim and his wife are positive in their identification and the old and new hats form an important link. The police also think that the three men were implicated in the robbing of two boarding houses in the First ward on Saturday. To substantiate this belief it is stated that it can be shown that the prisoners were practically penniless on Saturday. One of them paid Squire Monaghan \$18 costs on an old case yesterday.

The hearing in the case was fixed for this evening and will take place before Squire Monaghan.

**A Proficient Pianist.**

Samuel, son of William Kendrick, the East Centre street hotel keeper, has become an expert pianist under the tutelage of Prof. Swartz of Pottsville. The young man made a very apt pupil and is now an excellent manipulator of the "ivories."

### SUPT. WILLIAMS RESIGNS

To Become General Superintendent for the Union Coal Company.

If an earthquake had struck the town to-day it would not have surprised the people more than did the announcement that Mr. John L. Williams, Division Superintendent for the Philadelphia & Reading Coal & Iron Company, has tendered his resignation. Mr. Williams resigns the position to become General Superintendent for the Union Coal Company, with headquarters at Shamokin. Mr. Williams has served in his present position under the P. & R. C. & I. Co. for about eight years and has been one of the most efficient, trustworthy and reliable officials under the company. His popularity extended through the circles of all the subordinate officials and their employes and his departure from this section will be a source of deep regret. Before becoming Division Superintendent Mr. Williams served for about four years as District Superintendent, succeeding the late John Reese, who met his death at the Kehley Run colliery. In that capacity Mr. Williams had charge of the seven P. & R. C. & I. Co. collieries in the Shenandoah district, but as Division Superintendent, the position he now resigns, he had charge of all the P. & R. C. & I. Co. collieries from the East, at Ashland, through the valley to Mahanoy City—23 collieries in all. In becoming General Superintendent for the Union Coal Company Mr. Williams succeeds Mr. Holden Chester, who has held the position for several years and who resigns because his age requires his retirement from active business life. It is not known who Mr. Williams' successor will be.

**PERSONAL.**

J. P. Scanlan, who was employed by the P. & R. Co. at Lost Creek, left town yesterday to fill a similar position for Bright & Co., at Chicago. Mr. Scanlan has many friends here who wish him unbounded success.

Wilson, 371 Clay St., Sharsburg, Pa., says he will not be without Dr. King's New Discovery for Consumption, Coughs and Colds, that it cured his wife who was threatened with Pneumonia after an attack of "La Grippe," when various other remedies and several physicians had done her no good. ### DEATH MET IN A MINE BREACH

#### MRS. IGO BECOMES THE VICTIM WHILE PICKING COAL.

#### OTHER GLEANINGS BY REPORTERS

Odd Fellows Day Hazleton—Shenandoah's Share in the County License Money This Year—Mr. Waters Will Not Leave Town.

**WOMAN NEEDED**

Igo met death in a mine breach at Jackson's Patch yesterday afternoon. While the woman was engaged in picking coal for her own use the clay above slipped down upon her without warning and she was smothered to death before the accident was discovered by some women who had been engaged in picking coal in the breach and were returning with their empty buckets for more coal.

The deceased was a married woman and left a son ten years of age. She was a cousin of Daniel Igo, who was killed by a coal train on the Lehigh Valley railroad, near the red bridge, a few weeks ago.

**The Davis Funeral.**

The friends of the late John Davis, who died at Paxinos on Sunday, will please note that the funeral will take place at Tamaqua on Thursday, instead of to-morrow. Messrs. John Ramage, Henry L. Jones, E. R. Williams, William Reineis, John W. Morgan and Charles Hooks have been delegated to represent Shenandoah Lodge, No. 591, I. O. F., at the funeral. The deceased was a member of the lodge.

**Odd Fellows' Day.**

The delegation that went from town this morning to take part in the celebration of Odd Fellows' Day at Hazleton was not as large as former years. This was undoubtedly due to the fact that there are few men who can spare a day for pleasure trips when they must make hay while the P. & R. C. & I. Co.'s sun shines but three days a week. The excursionists numbered about one hundred.

**Death of Charles Kantner.**

Charles Kantner, an old and respected citizen of Spring Garden, Schuylkill Haven, died on Saturday last, aged 81 years. Mr. Kantner was, for many years, engaged on the Schuylkill canal and owned a number of boats, but retired from the business several years ago. His funeral will take place to-morrow afternoon at 2 o'clock, from his late residence. He was an uncle of Mrs. H. C. Boyer, of this place.

What Council proposes to do with that \$10,200 license money.

**A Correction.**

The announcement in yesterday's Herald that T. C. Waters shipped his household goods to Bucks county and expected to move his family there was a mistake. Harvey Sherman, Mrs. T. C. Waters' brother, was the moving party. He goes to Bucks county to take charge of Mr. Waters' farm. Mr. Waters will remain in town.

**Fell in a Fit.**

Miss Wallace, a young lady residing at Freehold, while changing cars at the Lehigh Valley depot this morning, was seized by an epileptic fit. She received prompt medical attendance and was soon able to resume her homeward journey. Miss Wallace had been visiting friends at Girardville.

**A Wild West Drama.**

Arizona Joe's romantic melo-drama, "Black Hawks," appeared to a large audience at the Academy Saturday night. It is full of heroic rescue, gambling and shooting, and several well trained dogs are introduced. Arizona Joe introduced a number of fine feats in shooting and was loudly cheered. A clever bit of variety in the third act was one of the special features.—*Miner's Journal.* At Ferguson's theatre to-morrow evening.

### POLITICAL POINTS.

Pithy and Pertinent Paragraphs from Personal by the Politicians.

With a united party the Republicans of Schuylkill county will be sure of victory. Chairman Davis will render a good account of himself. He is in the right to score a victory for the whole ticket. Republicans, united, we will land our candidates victors.

Let the Republican learn all about the Baker ballot law. Let Republican clubs be formed and let them open schools for instruction on the law. An election booth can be erected, imitation ballots can be prepared, a judge, inspectors and clerks can be selected from the membership and the school is ready. Meetings of this kind would be entertaining and amusing, as well as instructive. The novelty of the affair will insure large attendances at all the meetings. Start the ball rolling.

County Chairman Davis is a worker and those he will choose for his executive committee will be obliged to be workers, too. There won't be any drones in the Republican hive this year.

If all the Republicans will pull together this year Schuylkill county will be redeemed.

James A. Rinck and J. O. Ulrich, Esqs., are candidates for the nomination for District Attorney on the Democratic ticket. They are Tamaqua men. "Uncle Jimmy" Minogosa, of Ashland, will also be a candidate for the nomination.

As we predicted, Frank P. Spiese, of Tamaqua, will be a candidate for the Democratic nomination for the Legislature in the Third district. He will get the "plum," as he will then be out of the way two years at least and leave the Senatorial field to Sen. Tor Monaghan.

**Pure and Wholesome Quality**

Commands the public approval the California liquid laxative remedy, Syrup of Figs. It is pleasant to the taste and by acting gently on the kidneys, liver and bowels to cleanse the system effectually, it promotes the health and comfort of all who use it, and with millions it is the best and only remedy.

**Memorial Day.**

At Friday evening's meeting Commander Mangum appointed a committee of arrangements for the proper observance of Decoration day. The committee consists of Messrs. David Morgan, Joel D. Ledden, F. H. Hopkins, M. O. Malla and H. C. Boyer.

Congressman "Jack" Robinson, of Media, Pa., has been secured, as orator of the day. Should he not be able to be present he has promised to send a substitute who will worthily fill his place.

The Sunday previous to the 30th of May the members of the Post, Sons of Veterans and the two ladies Auxiliary Societies will attend the English Lutheran church when Rev. M. H. Havice will preach a Memorial sermon.

**His Personal Experience.**

Hon. James W. Husted, while serving his sixth term as Speaker of the Assembly of the State of New York, writes: "STATE OF NEW YORK, ASSEMBLY, CHAMBER, ALBANY, Jan. 10, 1891." "I desire once more to bear my testimony to the value of Alcock's Porous Plasters. I have used them for twenty-five years past, and can conscientiously commend them as the best external remedy that I have known. Years ago, when thrown from a carriage and seriously injured, I gave them a thorough trial. In a very short time the pain that I was suffering disappeared, and within a week I was entirely relieved. On another occasion, when suffering from a severe cough, which threatened pulmonary difficulties, which I was recommended to go to Florida to relieve, I determined to test the plasters again. I applied them to my chest and between the shoulder blades, and in less than a fortnight was entirely cured. On still another occasion when suffering from an attack of rheumatism in the shoulder to such an extent that I could scarcely raise my arm, I again resorted to the plasters, and within a very few days the rheumatism entirely disappeared. I have them constantly by me, whether at home or abroad. My family as well as myself have found them to be a sovereign remedy, both for external and internal troubles. I never had but one kidney difficulty in my life, and the application of the plasters cured me in a week. I desire, as I said before, to bear my testimony in a public way to their efficacy, and I know of no better way of doing it than by giving you my personal experience."

Buy Keystone flour. Be sure that the name Luneto & Co., Ashland, Pa., is printed on every sack. 3-3-11aw

The dagger of the assassin is no more sure of its work of death than a neglected cough. Dr. Cox's Wild Cherry and Seneka will speedily cure you.

**Electric Running Time.**

The electric cars now leave the corner of Main and Centre streets at 6 a. m. and leave at intervals of 45 minutes thereafter until 11 p. m. This schedule will be subject to a change from day to day, as the work of putting in the turnouts progresses. The miners will find the early morning cars convenient.

### TO-BECOME GENERAL SUPERINTENDENT FOR THE UNION COAL COMPANY.

If an earthquake had struck the town to-day it would not have surprised the people more than did the announcement that Mr. John L. Williams, Division Superintendent for the Philadelphia & Reading Coal & Iron Company, has tendered his resignation. Mr. Williams resigns the position to become General Superintendent for the Union Coal Company, with headquarters at Shamokin. Mr. Williams has served in his present position under the P. & R. C. & I. Co. for about eight years and has been one of the most efficient, trustworthy and reliable officials under the company. His popularity extended through the circles of all the subordinate officials and their employes and his departure from this section will be a source of deep regret. Before becoming Division Superintendent Mr. Williams served for about four years as District Superintendent, succeeding the late John Reese, who met his death at the Kehley Run colliery. In that capacity Mr. Williams had charge of the seven P. & R. C. & I. Co. collieries in the Shenandoah district, but as Division Superintendent, the position he now resigns, he had charge of all the P. & R. C. & I. Co. collieries from the East, at Ashland, through the valley to Mahanoy City—23 collieries in all. In becoming General Superintendent for the Union Coal Company Mr. Williams succeeds Mr. Holden Chester, who has held the position for several years and who resigns because his age requires his retirement from active business life. It is not known who Mr. Williams' successor will be.

**PERSONAL.**

J. P. Scanlan, who was employed by the P. & R. Co. at Lost Creek, left town yesterday to fill a similar position for Bright & Co., at Chicago. Mr. Scanlan has many friends here who wish him unbounded success.
