CHANGES MADE AT THE DEPOTS.

P. & R. OFFICIALS ANNOUNCED THEM THIS MORNING.

NO NEW HANDS ON TO THE LIST

Curtin, Golden and Sullivan Remain at the Passenger Depot. Riley and Connors go up Town.

READING RAIL-ROAD MATTERS

are settling down to a working basis in town and it is expected that by the opening of next week the consolidated management will be going as smoothly as if no changes had been made.

The changes of positions at the passenger and freight depots were decided upon this morning. After a lengthy consultation by Superintendente Beriolette and Bilslee, and Messrs. T. J. Davies and P. J. Ferguson, the changes were announced.

The assignments are as follows:

Passenger depot—Thomas J. Farrell, ticket clerk; John W. Curtin, operator; P. J. Golden, baggage master; Michael Sullivan, night clerk.

Freight depot—William Neiman, chief clerk; John D. Riley and William E. Davies, clerks; Louis Hafner, F. H. Hopkins, Jr., and Thomas Connors, depot hands; Samuel Sitzer, watchman.

But two of the old corps of employees are dropped, and as two vacancies were decided upon they were selected for suspension because they were the two youngest employees. They are Harry Hafner and Fred B. Morgan. Hafner was employed at the Lehigh depot and Morgan was night ticket clerk at the P. & R. passenger station. Morgan is at present temporarily filling a position at the Lost Creek depot.

James Quinn, who was in the Lehigh ticket office, becomes clerk at P. J. Ferguson, who was notified this morning that he has been appointed Assistant Claim Agent with permanent headquarters in this town.

All the changes go into effect at once.

PREPARING FOR MEMORIAL DAY.

THE GRAND ARMY POST APPOINTS A COMMITTEE.

SOME CHANGES SUGGESTED.

Many Favor a Plan to Have a Committee Decorate the Graves in the Morning and Have the Oration Delivered in Town.

COMMITTEE ON ARRANGEMENTS

for the exercises to be held in town on Decoration Day has been appointed by Watkin Waters Post, No. 143, G. A. R. The chairman is the Rev. G. A. R. Davis and Fred H. Hopkins is the secretary. A suggestion has been made to the committee that the programme for this year be made different to those of previous years, in that it shall provide for a detachment to be sent to the cemeteries early in the morning to decorate the graves; and after this is done, say about 10 o'clock, there be a parade of all the town societies over a route to be laid out by the committee to a suitable place selected in the town for the oration.

The committee has taken the suggestion under advisement.

The idea is certainly a good one. The route of parade, as usually laid out, is arduous enough for most of those who take part and there are few who do not dread walking up the mountain to the cemetery after the march. For this reason it has been impossible of late years to keep the societies together and have a fitting attendance at the place selected for the oration in the cemetery. If a suitable place is selected in town a larger and more imposing assemblage can be expected, and after the ceremonies those who wish to go to the cemeteries will first have a chance to rest.

Little Locals.

The town was alive with politicians today.

Will the trotting park be put to use this season? We fear not.

It is rather lonesome in the neighborhood of the old Reading depot now.

The street sprinkler has been making the rounds and setting the dust this week. Senator Monahan will please accept thanks from the HERALD corps for favors.

Garden-making, house cleaning and whitewashing is keeping all hands busy just now.

People do get a little mixed at the numerous trains that arrive and depart at the Lehigh depot.

The Schuykill County Homeopathic Society held their regular quarterly meeting in town this morning.

Our people are fast finding out how very convenient the electric cars are and they use them more frequently than one would hardly expect.

Ex-Mayor Mulholland is nicely fixed at the "Electric," in Eggo's building, East Centre street, McNeil's old place. He extends a cordial invitation to his old friends to visit him.

Electric Echoes.

Work at the Girardville end of the road is progressing rapidly.

The miners are patronizing the road much better than they did when it was first started.

Railmen are straightening the kinks and improving the curves in the rails between here and Girardville.

The summer cars are being anxiously looked for. They will be found a delightful means of travel during the summer season and will induce greater traffic.

No. 1 doubt whether there is any Cough medicine equal to Dr. Cox's Wild Cherry and Seneca. Price 25 and 50 cents per bottle.

Electric Running Time.

The electric cars now leave the corner of Main and Centre streets at 6 a. m. and leave at intervals of 45 minutes thereafter until 11 p. m. This schedule will be subject to a change from day to day, as the work of putting in the turnouts progresses. The miners will find the early morning cars convenient.

Open Air Concert.

If the weather will permit the Grand Band will give an open air concert at the corner of Main and Centre streets tonight. The members will appear in new uniforms.

The cheapest place for carpets and oil cloths is at C. D. Fricke's, No. 10 South Jardin street.

Pension Granted.

William Brown, inside foreman at Ellengowan colliery, has received through Squire Shoemaker a pension of \$6 per month. Mr. Brown was a member of Co. B, 14 Reg't., Pa. Vol., and the basis of his pension is asthma.

Lane's Family Medicine

A WATER PETITION.

Council to be Asked to Make Terms With the Company.

A petition is being circulated for the signatures of town citizens with a view to bringing about a settlement of the water question. A large number of signatures have already been secured and it is understood the petition will be presented to Council at its first meeting in May. The document reads as follows:

We, the undersigned citizens and taxpayers of the borough of Shenandoah, respectfully represent: That we believe the best interests of the whole people of the borough calls for your acceptance of the offer of settlement made to your body by the Shenandoah Citizens' Water and Gas Company, viz: that the Water Company should cancel the judgment obtained by them against the borough, pay the costs of the suit, give the borough free water for fire protection, that the borough abandon the proposed new water works, and that an agreement to that effect be entered into. We submit to your body we fully believe, and have upon inquiry the assurance of the directors of the Water Company, that they would still adhere to the offer made by them.

His Personal Experience.

Hon. James W. Husted, while serving his sixth term as Speaker of the Assembly of the State of New York, writes:

"STATE OF NEW YORK, ASSEMBLY,
CHAMBER, ALBANY, JAN. 19, 1890."

"I desire once more to bear my testimony to the value of Alcock's Porous Plasters. I have used them for twenty-five years past, and can conscientiously commend them as the best external remedy that I have known. Years ago, when thrown from a carriage and seriously injured, I gave them a thorough trial. In a very short time the pain that I was suffering disappeared, and within a week I was entirely relieved. On another occasion, when suffering from a severe cough, which threatened pulmonary difficulties, which I was recommended to go to Florida to relieve, I determined to test the plasters again. I applied them to my chest and between the shoulder blades, and in less than a fortnight was entirely cured. On still another occasion when suffering from an attack of rheumatism in the shoulder to such an extent that I could scarcely raise my arm, I again resorted to the plasters, and within a very few days the rheumatism entirely disappeared. I have them constantly by me, whether at home or abroad. My family as well as myself have found them to be a sovereign remedy, both for external and internal troubles. I never had but one kidney difficulty in my life, and the application of the plasters cured me in a week. I desire, as I said before, to bear my testimony in a public way to their efficacy, and I know of no better way of doing it than by giving you my personal experience."

Announcement.

The typographical appearance of the HERALD has not been as good as the publisher wished to have it the past few days, which is due to a delay in the arrival of a supply of summer ink. Hand Broken.

H. J. Muldoon has his left hand in splints. Several bones of the hand were broken while Mr. Muldoon was trying to get a barrel of liquor into the basement of his place of business.

15,000 AT THE CIRCUS.

The Great Foreign Snow Too Much for the Rainy Day Stay-at-Homes.

Notwithstanding the cold weather and rain yesterday and last evening a crowd which was estimated at fully 15,000 people attended the opening performance of the Foreign Shows at Broad and Huntingdon streets. Despite the hard rain in the evening everybody under the huge tent was as dry and comfortable as he would have been in his own home.

The grand spectacle, the "Fall of Nineveh," is perhaps the most attractive series of tableaux ever presented under canvas. It is reproduced with the utmost fidelity as to historic facts. The costumes, chariots, horses, trappings and scenery are copied from sculptured bas-reliefs and statues excavated from the site of the ancient city.

The tableaux open with the warning given by the Prophet Jonah to the Ninevites, who scoff at him. Immediately following the warning, a mounted soldier dashes up to the gate of the city, giving the inhabitants warning of the approach of the invading army of Medes, Persians and Arabs. In the conflict which ensues the Ninevites, under the leadership of Sardanapalus, the king, win a signal victory over the invaders.

During the feasting and triumphal processions which follow the victory, the prophet again warns the Ninevites of the destruction of their city. In the chariot races which form part of the games in celebration of the victory teams of thoroughbred horses are used. Intense interest was manifested in these by the throng which crowded the huge tent.

The gorgeous spectacle which was presented by the gay costumes, and bright armor of the performers during the triumphal march and grand ballet almost beggars description, and the final scene in which Sardanapalus himself applies the torch to the funeral pyre upon which he has caused his riches, wives and slaves to be placed in order to prevent their falling into the hands of the conquering army, is one which holds the spectators breathless, so realistic does it appear.

In the ring performance where so much was worthy of special mention, it is hard to particularize. Among the best were the female trapeze performers, the Vaidis sisters, in their thrilling revolving trapeze act, the Ducrows in their aerial evolutions, upon the flying bars, and the acrobatic performances of the Rosaries brothers. This is their first appearance in America and also the first appearance of the Vaidis sisters under canvas.

The gentlemen's Jockey race was won by the thoroughbred gray mare Silver, rode by F. Gallon, and the ladies' race by the chestnut gelding Ranger, rode by Miss Lillian Reed. The handicaps between a horse and a man was won by the horse, ridden by B. Johnson. The three-horse tandem race between B. Johnson and Albert Law was won by the latter.—Phila. Press, April 26.

Married.

Alonso Metz and Miss Irene Owens were married last evening at the residence of the bride's parents in Lost Creek by Rev. Potts, pastor of the Methodist Episcopal church at Wm. Penn. Messrs. Harry Owens and Samuel Small were the groomsmen and Misses Alice Metz, sister of the groom, and Mame Hagenbuch, of Mahanoy City, were the bridesmaids. A number of relatives of the contracting parties partook of an excellent supper after the ceremony. The presents were handsome and numerous and the couple have occupied a nicely furnished home at Lost Creek. Mr. Metz is employed as an engineer at Packer colliery No. 2. The HERALD joins the many friends of the couple in extending congratulations.

Patrick Matthews and Miss Mame Sheets were married by Rev. Father Kane at 4 p. m. yesterday in the Annunciation church. The groomsmen were Thomas Dowling and Miss Sarah Dunn, of Philadelphia acted as bridesmaid. The wedding presents were numerous and costly. At the reception last evening nearly one hundred friends were present.

Frank Hirst, of Easton, and Miss Carrie Lamb, of the same place, were married at Philadelphia on Tuesday. The couple have taken up a residence at Pottsville, where Mr. Hirst has employment.

Miss Sadie Krick, of town, and Ambrose Broscious, of Sunbury, were married yesterday at the residence of the bride's parents on South Main street, Rev. Jacob F. Wampole, of Shamokin, an uncle of the bride, officiating. Only a few immediate relatives of the contracting parties were present. Mr. and Mrs. Broscious left for Philadelphia. After a brief tour they will take up a residence at Sunbury.
