**LOCALETTES.**

Now for Maying.  
April went out with a chill. The girls are ready for the first picnic. The farmers are pushing their work with a will.  
Now is the time to beautify your yards and gardens.  
The house cleaning campaign is now on and will continue some time.  
Painting, and otherwise brightening up homes, is going on extensively.  
The swallows, always the latent of the birds, have made their appearance.  
The Fourth of July comes on Monday this year. Will Shenandoah have a celebration? Mud roads, as a luxury, are to be compared with mushrooms on toast for expensiveness. It is not generally believed that a liquid eye is essential to poring over a book.  
The trade in spades, hoes, shovels and garden seeds has been very brisk within the past few weeks.  
There is one thing to be said about the invertebrate story teller—he thinks a great deal of his relations.  
Now that spring house cleaning has commenced, be careful you don't tread on the soap that has been carelessly left on the stair steps.

**Strength and Health.**

If you are not feeling strong and healthy, try Electric Bitters. If "La Grippe" has left you weak and weary, use Electric Bitters. This remedy acts directly on Liver, Stomach and Kidneys, gently aiding those organs to perform their functions. If you are afflicted with Sick Headache, you will find speedy and permanent relief by taking Electric Bitters. One trial will convince you that this is the remedy you need. Large bottles only 50c. at C. H. Hagenbuch's Drug Store.

**A Little Girl's Experience in a Lighthouse.**

Mr. and Mrs. Loren Trescott are keepers of the Gov. Lighthouse at Sand Beach, Mich., and are blessed with a daughter, four years old. Last April she was taken down with measles, followed with a dreadful cough and turning into a Fever. Doctors at home and at Detroit treated her, but in vain, she grew worse rapidly, until she was a mere "handful of bones."—Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you may get a trial bottle free at C. H. Hagenbuch's drug store.

**Climb our stairs, it will pay you. We are better situated than any ground floor gallery in the town. Hall's, 29 W. Centre street.**

**Demorest Contest.**

The Demorest Contest held in Ferguson's theatre last evening was largely attended. It was given under the auspices of Hope Section No. 10, Junior Templars of Honor and Temperance. The contestants were Messrs. John Major, William James, Richard Davis, P. J. Mulhall and Misses Ann Brown, Emily Smith and Gerlie Muir. They all acquitted themselves creditably, the latter winning the medal. The declamations rendered by George Daluis, Frank Williams and P. J. Mulhall were well received. The singing by Mr. Cooper and party, James Patterson, A. Morgan, J. J. Price, Misses Brown, Hocks, Broughall and Nichols was repeatedly encored. James Lewis, M. P. Whitsker and Miss Anna Dangler acted as judges, James Lewis making the presentation speech.

**Little Locals.**

Shenandoah ought to have an all-night telegraph service.  
Much sickness in town.  
If we do not get the long-distance telephone service we will be at a great disadvantage.  
Just watch how "Do Ats" will stick together to-night. They have no compact! Oh, no.  
Scarcely a day passes that Shenandoah has not a sensation.  
Pottsville people were badly taken in by the soap fakir this week.

**Another Tune.**

The HERALD whines and snarls like a mad cur at eight of the fifteen members of the Borough Council, simply because they are a majority and very properly refuse to allow the minority (or in other words the gang and their hirelings) to run the Borough Council for them. The HERALD has long since gotten away from that good American principle "The majority rules."—*Republican correspondence.* "Billy," of organ fame, should take some of his own medicine before getting out of the woods.

**Rev. Anna Shaw.**

The lecture by Rev. Anna Shaw, of Massachusetts, of the summer school of methods, last evening was a literary treat. The speaker, one of the most distinguished women of our day, displayed a thorough knowledge of her subject. The speaker was introduced by Miss Partridge, who said that of all women in America, there is none other she would prefer to introduce to the audience.—*Wilkes-Barre Record.* Rev. Anna Shaw will lecture in this town in the M. E. church on May 6th.
