MAHANOY CITY MATTERS.

What is Going on in the Quiet Neighboring Town.

Mine Inspector Stein and wife and Mrs. C. Holderman, of Shenandoah, were guests of friends here on Thursday.

The three-day-a-week working time in the mines has knocked the life out of this place, but our merchants hope for a revival of a permanent nature when the electric railway reaches this point. That will be very soon.

Foot racing is occupying the attention of our sports, an effort is being made to match Stride against Griffiths, of Park Place. The former wants three yards start in a hundred. Griffiths is considered a "daisy" by many.

Chief Burgess Smith, of Shenandoah, was here a few days ago and the sports "guyed" him unmercifully on the late Griffiths-Sykes foot race. "Jim" took the treatment kindly and said that he had seen Sykes make good time in Shenandoah.

C. D. Kaier has purchased another hotel property. It is said he paid \$9,000. It is the Christ Budwash property. It is said that Kaier has also purchased the property on West Centre street in which Peter Leary keeps a saloon. Kaier now controls about fifteen saloons, which form a good outlet for his brewings. A gentleman who seemed to know what he was talking about stated the other day that if Kaier enjoys his present success for another year he will have cleared the \$100,000 his brewery cost him.

Hon. John Parker is still very sick. It is feared he will never recover from the stroke of paralysis he suffered last week.

"Bill" Lewis has made considerable money lately and he says some of it is going out on bets that Corbett will win his fight with Sullivan. Lewis also entertains an idea that Sullivan will back out before the time for the fight arrives.

Dr. Thomas A. Grigg is closing his practice here preparatory to moving to the far West—Washington.

Fred. V. Heisenberger, who has been in the employ of his brother-in-law for several weeks past, contemplates returning to his home in Shenandoah shortly.

The splendid structure of the Chicago Beef Company at the rear of the Lehigh freight depot is about completed.

Some of our people think that a county fair would be a paying experiment at Lakeside. Our people will send large delegations to the park every day during the week in June that Pawnee Bill's show will be there.

Carpenters are very busy here. New buildings are going up in all sections of the town. Many carpenters from the idle mines find employment on them.

Some Democratic Shenandoah politicians visited us recently and predicted that Judge Pershing will be renominated. They also said that he will receive the support of all the Shenandoah delegates. Many of our Democrats doubted both statements.

A Little Girl's Experience in a Lighthouse.

Mr. and Mrs. Loren Trescott are keepers of the Gov. Lighthouse at Sand Beach, Mich., and are blessed with a daughter, four years old. Last April she was taken down with measles, followed with a dread, cough and turning into a Fever. Doctors at home and at Detroit treated her, but in vain, she grew worse rapidly, until she was a mere "handful of bones." Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you may get a trial bottle free at C. H. Hagenbuch's drug store.

Still in the lead. Cabinet photos only 75 cents per dozen at Hall's, 29 W. Centre street, Shenandoah. 5-5-14

A Cheerful Home.

"Well, Mary, how cheerful your home is. You always have such a cheerful fire."
"Yes, it's true; we always have a good fire since we got our coal from Zerbe & Co.'s Mountain Colliery. Before we always had such a time getting a fire in the morning. That made us all cross and crabbed; but now everything is lovely. And, besides, it is cheaper. Mart Showmaker takes orders, does the collecting and delivering."
