**SHOT AND SLASHED.**  
A Saloon Keeper's Efforts to Fill Up a Hospital.  
**BIRMINGHAM, May 10.**—John Taylor, proprietor of the Theatre Royal saloon in this city shot two men and stabbed a boy last evening and narrowly escaped being lynched. He is now in jail.  
Taylor threw out a man who had got drunk in his place shortly after 8 o'clock. The customer returned, placed money on the bar and asked for a drink. Taylor refused to serve the drink and knocked the money off to the floor. The customer tried to strike Taylor and Taylor drew a revolver.  
He fired and the bullet passed through the customer's jaw and lodged in the back of his neck. As the man fell to the floor Taylor fired again and a gentleman just leaving the saloon with his son received the bullet in the shoulder. When the boy turned back and began reproaching Taylor the latter caught up an old sword and, running out, ran the boy through the arm.

Two men who had been in the saloon throughout the fight then caught Taylor, and, after a desperate struggle got him on his back. A crowd rushed in and, upon learning what Taylor had done, began shouting: "Lynch him! Hang him!"  
Somebody brought a rope from the rear of the saloon and Taylor was dragged out into the street and toward the nearest lamppost. His shouts for help attracted several policemen, who with difficulty pulled him away from the crowd and took him to jail. The crowd followed, hooting and shouting. They made three rushes upon the police, and once almost dragged Taylor off, but he was rescued and eventually the crowd was dispersed.

At the jail Taylor was a pitiable figure. His coat and waistcoat were gone, and his shirt hung in shreds. One leg of his trousers was gone and blood gushed from a deep cut in his bare thigh. His face had been pummeled and cut, and one of his ears was torn. He was crying and too much frightened to talk. A doctor dressed his wounds and he was locked up.  
The three persons wounded in the saloon were taken to a hospital. The boy's wound is not considered dangerous. His father is severely injured and will die. The man whose jaw was smashed by the bullet from Taylor's revolver may recover, although his condition is critical.

**Important Resolution Introduced in the Methodist Conference at Omaha.**  
**OMAHA, Neb., May 10.**—The old school Methodists will no doubt be horrified to learn that a scheme is on foot to allow the religious to mix a little gaiety with their piety.  
Among the many memorials presented to the Troy Conference is one from the General Conference to expunge from the discipline section 242, relating to amusements, or at least modified so that dancing may be permissible.  
The memorial is signed by the Rev. Wm. W. Foster, Joel W. Eaton, Wm. H. Hughes, John W. Thompson, E. P. Stevens, F. E. Sawyer and several others, all of New York. Bishop Foster, of Boston, approves the movement and has given his official sanction and will without doubt advocate its adoption.  
The memorial is now in the hands of the Committee on Discipline, to whom it was referred.

**Cruelly Wronged, Says Tom Ochiltree.**  
**LONDON, May 10.**—Col. Tom Ochiltree has been suffering with gout but is almost well. In regard to the Drayton-Borrowe affair, he says it would be cruel, in view of the fact that the Astor and Drayton families are plunged into mourning, to say anything more about it at present. He denies having stated that he possessed information that would clear Mrs. Drayton, and asserts that she is in no need of being exculpated, as nothing has been shown reflecting upon her. He states that he has documents in his possession showing that Mrs. Drayton has been cruelly wronged, but will not publish them unless obliged to by legal proceedings authorized by Mrs. Drayton.

**Giolitti to Form a New Cabinet.**  
**ROME, May 10.**—King Humbert has charged Giovanni Giolitti with the duty of forming a new cabinet. This selection is a blow to the Irredentists and friends of France. Giolitti was Finance Minister in Crispi's cabinet for a short time and is known to be an opponent of the popular demand for a reduction of the army.

—NOTICE OF A—  
**SPECIAL ELECTION**  
In the Borough of Shenandoah,  
For authority from the citizens thereof to increase the bonded indebtedness to procure a supply of water for domestic and other purposes, by the authorities.  
Notice is hereby given that at a regular meeting of the Town Council of the Borough of Shenandoah, held on Thursday, May 8th, 1892, the following ordinance was adopted:  
An ordinance to provide for a supply of water for the use of the inhabitants of the Borough of Shenandoah and for the erection and maintenance of works, machinery, engines and all other necessary apparatus for working, raising, conveying and introducing into the Borough of Shenandoah an abundant supply of pure water for domestic use of the inhabitants and to protect property in said Borough from destruction in case of fire and fixing a time for the holding of a special election to increase the debt of the Borough of Shenandoah for the purpose of increasing the bonded indebtedness for the purpose aforesaid.  
Be it ordained by the Town Council of the Borough of Shenandoah that it is hereby ordained by the authority of the same:  
SEC. 1. That the Borough of Shenandoah shall provide a supply of pure water for the use of the inhabitants of said Borough and erect and maintain all the works, machinery, engines, and other necessary apparatus for the making, conveying, raising and introducing into the said Borough an abundant supply of pure water, for the purpose of furnishing and distributing to the inhabitants of said Borough a sufficient supply thereof for domestic use and to protect the property therein from destruction by fire, and the said Borough of Shenandoah is hereby authorized to acquire streams of water and adjacent lands and rights of way to carry out the intent of this ordinance.  
SEC. 2. That Tuesday, June 14th, 1892, be fixed as a day for holding a special election in the said Borough by the qualified electors thereof for authority to increase the debt of the Borough for the purpose of providing a supply of water for the use of the inhabitants of said Borough of Shenandoah and the protection of property in said Borough from destruction in case of fire, and said special election shall be held at the regular polling places and by the regular officers provided by law for the holding of municipal election in said Borough.  
The following statement is hereby made as required by law:  
1st. The last assessed valuation in the Borough of Shenandoah is two million, ninety-three thousand, six hundred and ninety-one dollars, (\$2,993,691).  
2nd. The amount of the existing debt is \$40,577.97.  
3rd. Monies in the treasury, all outstanding solvent debts and all revenues applicable within one year to the payment of the same, is \$97,425.38.  
4th. The amount of the proposed increase is \$65,000.  
5th. The percentage of the proposed increase is 2.17 per cent.  
6th. The purpose of the proposed increase is, as set forth in the foregoing ordinance, viz. to provide for the erection of public water works at the expense of the Borough.  
A Joint Committee of citizens and Council has investigated the merits of a better and cheaper water supply, and the probable expense to be incurred in procuring the same, and have reported as the result of their investigation: Water, pure and abundant, can be obtained at an estimated cost of \$65,000. This amount added to present indebtedness of the Borough would only make 4 1/2 per cent, on the last assessed valuation in said Borough.  
By authority of the Town Council.

Pres. of Town Council.  
T. J. COAKLEY,
