GEN. REEDER'S CHOICE.

The appointment, by the Republican State Chairman, of Frank Willing Leach assecretary, was a masterly stroke, and a disappointment to the enemy, the Democratic party, and its allies, the Mugwumps. It is needless, perhaps, to remark that no better appointment for this responsible position could have been made as Mr. Leach's extensive acquaintance and experience in several most important campaigns, both State and National, peculiarly fits him for the duties of the coming campaign which promises to be one of the most important for many years. Gen. Reeder acted wisely and will not regret his choice.
