## AN INCREASED WATER SUPPLY.

### THIRTY-FIVE HUNDRED FEET OF EXTRA PIPE.

### NEW MOVE OF THE OLD COMPANY.

#### Connections Made With the Girard Estate Dams Whereby the Town May be Abundantly Supplied at all Times.

IN spite of the approaching special election to increase the borough debt for the purpose of establishing public water works, the Shenandoah Water and Gas Company has inaugurated steps to greatly enlarge its capacity for supplying the town with pure wholesome water. Within three weeks the company will be in a position to supply the entire town with an abundance of water from two independent sources. The company has made arrangements by which it receives an unlimited supply from the Girard Estate Lost Creek dams. Connections have been made with the mountain a little above the air shaft at the rear of Joseph Bell's property, Glover's Hill, and six-inch pipes have already been laid from the place of connection to a point near the place where the electric railway turns on to Coal street. The pipes are to be laid to the corner of Coal and Gilbert streets, and will there be connected by a "T" with the pipes of the company already laid. The total length of six-inch pipe to be laid under the new arrangement is 3,500 feet. Thirty men are now engaged in digging trenches and laying pipes, and it is calculated that from two to three weeks will be required to complete the work. The four-inch pipe now down on Coal street will not be disturbed. The connecting of the new line will cost the company about \$4,000. In speaking of the new undertaking officers of the company said yesterday: "We are simply perfecting our plant and guarding against any accidents that may happen to our works at the eastern outskirts of the town, by reason of which the supply may be cut off or diminished. The new connection will enable us to keep up an adequate supply at all times and will be abundant in case the other plant should be shut down. It is not to be understood that we anticipate any serious mishap to our old plant. The fact is, the ultimate caving in of some properties will break our old connections at times and it will be necessary to cut off the supply of water until the connections can be made again; but by this new undertaking we will be enabled to keep the people abundantly supplied at all times. There are few towns that can boast of two independent sources for an abundant supply of pure water."

The residents of Glover's hill are delighted over the new connection, and have already asked that the Borough Council give them a fire plug which may be connected with the new pipes. The place is certainly in need of one.

A Wonderful Machine.

There is no doubt that man is a fine mechanism, but like every other machine he wears out by friction. It is said that he is born again every two or three years. His body is virtually re-made from food. To retard this making over is radically wrong, as a man loses so much vitality in the delayed process that it takes a long time to recuperate. The process of making anew is so accelerated by purging with Brandreth's Pills that a new man, as it were, may be made in two or three months, and the change in the mechanism is such that the worn out part is replaced by the new without the usual running down of the entire machine. You don't have to stop for repairs. Purge away with Brandreth's Pills, the old, dissolved and worn out body. They are purely vegetable, absolutely harmless, and safe to take at any time.

A Rare Opportunity

Is offered by the Nickel Plate, as they will sell tickets to Cedar Rapids, Iowa, at remarkably low rate from May 30th to June 6th, on account of the Conference of the German Baptist Brethren.

G. A. B. Attend Divine Worship.

The local post of the Grand Army of the Republic will attend divine worship tomorrow evening, in accordance with their usual custom. Rev. M. H. Haynes, of the English Lutheran church, will preach the memorial sermon.

### Electric Running Time.

The electric cars now leave the corner of Main and Centre streets at 6 a. m. and leave at intervals of 45 minutes thereafter until 11 p. m. This schedule will be subject to a change from day to day, as the work of putting in the turnouts progresses. The miners will find the early morning cars convenient.

"Good Bye My Honey" schottische. Organ or piano. 10 cents. Wilde's music store.

### PERSONAL.

I. M. Waters, of St. Clair, spent the day in town.

Miss Phoebe Smith, of Mahanoy City, circulated among her friends in town last evening.

Thomas Johnson and Miss Rachel Johnson, of Sandy Run, Luzerne county, are visiting friends in town.

William M. Thomas, of Mt. Carmel, was a visitor to town to-day. He contemplates purchasing property here.

Benjamin F. Kottler has secured through Squire Shoemaker a pension of \$5 per month, dating from August 20, 1890.

Superintendent Freeman and wife attended the graduating exercises of the Girardville schools last night. Mr. Freeman says the exercises were of a very interesting character.

Rev. William Powick returned home to-day, and will occupy the pulpit in the M. E. church to-morrow as usual. He has been spending the week visiting Philadelphia, Wilmington and Coventryville.

### Memorial Day.

The line of parade on Memorial Day will form at 9:30 a. m. sharp.

The Pottsville cadets, with forty uniformed men, will arrive here on the 8:45 Lehigh Valley train Monday morning.

Company A, 1st Regt., Penna. Light Infantry, of town, have been drilling the past week preparing for the day.

The indications are that the celebration here on Monday will exceed that of any other in the county. Shenandoah not only leads in point of numbers, but in patriotism as well.

Assist the old veterans in their noble work by doing your share to make the day a success.

### SUPT. HOUCK'S MISHAP.

He Was Thrown From a Train at Girardville Last Night.

Deputy State Superintendent of Instruction Houck met with an accident last night and had a narrow escape from very serious injury. Mr. Houck and County Superintendent Weiss were passengers on a train going to Girardville last night to attend the graduating exercises at that place. They became so deeply involved in conversation that they failed to notice the arrival of the train at Girardville until it started from the depot. Mr. Houck and Mr. Weiss hastened to the car platform and jumped off. The train had attained a good speed, but Mr. Weiss landed safely. Mr. Houck, on the other hand, fell and sustained several painful bruises on his hands and face. Fortunately the injuries were not serious and Mr. Houck was enabled to attend the graduating exercises.

### Shooting Match.

A pigeon shooting match took place at the park this morning between William Foreman, of Ringtown, and John Herring, of town. The former killed six birds out of a total of seven, and the latter one.

## PREPARATIONS FOR MEMORIAL DAY.

### CONGRESSMAN JOHN ROBINSON WILL BE THE ORATOR.

### LIST OF GRAVES OF VETERANS

#### Brief Mention Regarding Some of the Veterans Whose Names are on the Record of the Dead.

ARRANGEMENTS for the observation of Memorial Day are complete. The ceremonies promise to be of the most impressive character, and there will do doubt be a large number of visitors to town and a good attendance at the cemeteries. During the past week those who have beloved ones in "the silent cities" have had the plots improved in many respects. The grass has been cut and pots of flowers and plants have been tastefully arranged. Many of the graves present an excellent appearance and show the effect of unswerving fidelity to the memory of the departed ones.

The oration of the day will be made by Congressman John Robinson, of Delaware county, who is an eloquent speaker and will no doubt kindle the patriotic spirit in the breast of the old veterans and others who may listen to him.

The veterans whose graves will be decorated by the G. A. R. are specified below. The officers of Watkin Waters Post have relied upon their records for the list and it may be possible that there are other graves that should come under the Post's jurisdiction. If this is so, the parties cognizant of any oversight are requested to notify the officials at once.

The list is as follows:

Henry Horncastle	Jacob Derr
Jonathan Dirk	James Harlor
Henry D. Brown	Capt. G. B. F. Kitchen
David P. Brown	Daniel Rose
William Kehler	

### OLD FELLOWS' CEMETERY.

Wm. Fenstermacher	William Taylor
Andrew Bollen	Isaac Dietrick
Clark Williams	Samuel Williams
John T. Williams	David Swinden
William Moore	David Nichols
Jacob Siney	Gettys Jenkins
John J. Hoes	Charles Taylor
Michael Sheltner	William T. Richards
Samuel Wilson	William Schultz
Jacob Beacher	William D. Edwards
John Lanes	Watkin Waters
William Evans	George Rumer
Henry Staley	Richard Hopkins
Samuel Rushworth	Samuel Mitchell
John Lamb	

### ANNUNCIATION CEMETERY.

Patrick Welsh	Mathias Laubach
Edward Murphy	John Sunderland
Edward Mitchell	John Burns
Patrick Grant	Frank Matz
Edward Coyte	Patrick Curry
John Bambrick	James Cosgrove

The graves number fifty, as far as known, and of all the veterans who sleep the sleep of the just, not one went to the war from Shenandoah. This was due to the fact that when the rebellion broke out Shenandoah was practically a wilderness.

Watkin Waters Post has a membership of nearly one hundred, and it is safe to say that there are as many more veterans in the town who are not connected with the organization.

Reference to the history of some of the sleeping veterans may not be out of place here. Henry Horncastle, whose name Camp No. 49, Sons of Veterans, of town, bears, will be remembered by the old residents of town as having been an employe at the Shenandoah City colliery. He was an active member of Watkin Waters Post, which derived its name from his brother-in-law, Watkin Waters.

William Kehler was a hero of two wars—the Mexican and Civil. He died at a ripe old age.

Captain G. B. F. Kitchen was adjutant of Watkin Waters Post for many years. He was an invalid for many years previous to his death.

Frank Willman died under distressing circumstances. He was suffocated by gas in the Kehley Run colliery at the same time that John Reese and Jonathan Wasley met their death, when efforts were being made to extinguish the fire in the mine.

Captain Thomas Williams and Samuel Williams were brothers of John P. Williams, the furniture dealer of town.

John J. Reese, one-armed and daring, was one of the best known and most popular men of the town years ago. He at one time held the High Constabship.

Samuel Wilson, a popular veteran, met his death as a miner in the mines of the Wm. Penn colliery. William Evans, another of the veterans, was also killed in the mine.

Samuel Rushworth, will be remembered

### as a hotel proprietor in the Fourth ward for many years. He was an eccentric character and bluff in his treatment of friends as well as neighbors, but when he died there was ample evidence that he was held in high esteem and that his death was deeply mourned.

William T. Richards was a merchant in town for a number of years and was a member of the original Grant Band. His death was sudden and was deeply lamented.

Patrick Grant was a well known character of the town and, though he had faults, there were many who had a good word for him.

Mathias Laubach was a good fellow and his friends were legion. He was one of the original members of the Columbia Hose Company and was highly respected by his fellow members.
