Wilkinson's Busy Store.

There is no store in Shenandoah, and probably none in the county, where such a grand assortment of fine dress goods are displayed as we are now offering; the great demand for many of the most fashionable colors is daily increasing and many choice shades cannot be replaced.

We are showing a complete line of rich English Broadcades at 37 1/2c. These goods cannot be seen elsewhere and are the season's choicest offerings. We show all the newest shades of Dress Suits, Satins, Cashmeres, Henriettas, white and printed Lawns, India Linens, Embroidered Flouncings, Silk Lace Frounces, etc. The most complete stock of stylish trimmings at lower prices than you usually pay.

White Goods, Embroidery and Laces, hundreds of pretty styles, all new and correct. We carry the largest stock of underwear for men, women and children; every grade worth having at reasonable prices. Corsets at wholesale or retail. Our immense stock of ladies' and misses' Spring Coats and Wraps of every description. Infant's Cloaks in cream or tan Cashmere, plain or embroidered. Also a full line of infant's lace, silk or cashmere Caps. Our Cloak and Wrap Department is the largest and most complete in this region and we guarantee prices to be lower than any competitor.

L. J. WILKINSON,

29 S. Main St., Shenandoah.

DID YOU EVER!

Think what it cost to manufacture Baking Powder? Did you ever think how baking powder is sold? Did you ever think there must be a large profit in it somewhere? The manufacturer of a certain baking powder pays out nearly a million dollars or more a year advertising their powder, trying to make people believe it is the best made. Their baking powder is sold at 50c per pound. The retailer makes his profit, the jobber makes his profit, the manufacturer makes his profit, and the consumer pays for all these and the newspaper advertising also.

What does it cost to manufacture the powder? Other manufacturers give away 25 or 30 cents worth of china, glassware, toys, hardware, books, etc., with every pound of baking powder. Again the query, what does it cost to manufacture the powder—can you think it out? You don't need to. Girvin, Duncan & Waidley have a few words on the baking powder question. Until September 1 we will sell Pennsylvania Baking Powder at TEN CENTS per pound. It doesn't concern you whether we make or lose on it—we want to get it introduced. On and after September 1st our price will not exceed 12c per pound.

We are not going to pay a million dollars to advertise it; we are going to give away any premiums with it—we are going to sell it, every pound guaranteed, to our customers. If it does not give satisfaction, bring it back and receive your money.

Why do we say this? We expect it will please you. Why should you pay 35 or 40c profit on every pound of powder you buy? Don't forget we strive to give our customers the advantage of inside prices at which we buy all sorts of goods.

Girvin, Duncan & Waidley,

8 South Main Street.

Carriers make a general collection at 6:00 a. m. and a general delivery at 7:15 a. m. and 3:15 p. m. Additional deliveries and collections are made in the business part of town at 10:15 a. m. and 2:00 p. m.

Fire Alarm Boxes.
The following list shows the location of the alarm boxes of the Shenandoah Fire Department:

LOCATION.
15—Coal and Bowers streets.
16—Bowers and Centre streets.
24—Bridge and Centre streets.
25—Main and Centre streets.
34—Main and Poplar streets.
35—Main and Coal streets.
42—Gilbert and Centre streets.
43—Gilbert and Cherry streets.
82—Chestnut and Coal streets.

To send an alarm open the box, pull down the hook once and let go. When an alarm is sent in the fire bell will sound the number of the box and repeat the alarm four times.

HOW TO LOCATE ALARMS.
If the alarm is sounded from box 15 the fire bell will strike one, then pause and strike five which will indicate that the fire is in the vicinity of No. 15 box. Every alarm is repeated four times.

Electric Railway Change.

Hereafter the electric railway cars will leave the corner of Main and Centre streets at 5:30 a. m., daily, and every 25 minutes thereafter until midnight, at which hour the last car will leave.

THE COUNCILMEN MET LAST NIGHT

THERE WAS A DISCUSSION ON THE WATER QUESTION.

LAW SUITS AND COSTS DISCUSSED

The Coats in the Leitzel Case Ran up to Two Hundred Dollars. A Claim for Damages Was Ignored.

The Borough Council last night held the meeting that was to have been held on Thursday evening last, but which was postponed to give the members a chance to attend the graduating exercises. It was a very tame affair and was marked by the absence of even a suggestion concerning the approaching election on the water question.

The Councilmen present were Messrs. McGuire, Scheidt, Stout, James, Van Dusen, Amour, Holman, Coakley, Betteridge, Devers, Gallagher, Gable and Lamb. Mr. Betteridge reported that the roads and highways committee had done considerable work about town, but that the work of putting stone on East Centre street was stopped on account of the die in the stone crusher giving out. He explained that a new die had been ordered and he expected the crusher would be in working order within a few days.

Mr. James called the attention of the committee to the bridge on East Centre street, the stone work of which was damaged by the recent storms; and Mr. Holman called attention to several wash-outs on the Turkey Run road.

The lamp and watch, room and stationery, ordinance and construction committees had no reports.

Under the head of new business Mr. Betteridge stated that an old lady who represented herself as the mother of John Malone had requested him to see what Council could do concerning her son. She said Malone is a widower and has four children. He seems to be insane and the old lady says she is afraid to enter the house.

Chief Burgess Smith stated that the case had been reported to him and he had advised legal proceedings. Council decided that it could do nothing in absence of the police having jurisdiction.

Mr. McGuire complained that the creek in the First ward had overflowed and damaged the east end of Centre street. The street committee was instructed to notify the Reading officials.

Upon motion of Mr. McGuire the ordinance committee was instructed to prepare an ordinance for the regulation of the grade on East Centre street.

Mr. Gallagher asked why a pavement had not been put down at the west end of Coal street and Chief Burgess Smith replied that the work would be done as soon as the street can be filled up and a grade given.

The report of the Supervisor showed that the expenses for work on the streets for the month of May amounted to \$655.14.

The report of the Chief of Police for the month of May was as follows: Arrests, 24; borough fines collected 19, amounting to \$41. Five of the parties arrested served time.

A bill of Sheriff Wolf's in the recent case of High Constable Flynn against Leitzel was presented. The costs amounted to \$199.45. The bill was referred to the law committee for investigation.

A letter from ex-High Constable Fairley requesting the payment of the judgment for \$27.25 he recently secured against the borough was met by a statement by Mr. Lamb that arrangements had been made to appeal the case.

An invitation from Major Jennings Council, No. 967, Jr. O. U. A. M., to participate in the flag raising ceremonies on July 4th, was accepted.

The ordinance committee was instructed to prepare an ordinance prohibiting the cleaning out of cess pools in the day time.

Mr. Lamb, for the law committee, made a report in the case of the claim for damages made by William Pascal for injuries sustained by his daughter. Mr. Lamb said an investigation had shown that the child climbed upon a large iron pipe left by the borough authorities at the corner of Centre and Gilbert streets and that the child fell when trying to get down. Mr. Lamb said the Borough Solicitor and Law Committee had concluded that Mr. Pascal had no claim upon the borough.

The following bills were ordered paid:

E. Decker	\$15.00
L. V. R. Co.	10.00
George Robinson	1.00
William Newwater	10.00
William Brit	12.10
Bevas Bros	2.75
Andrew Elliott	18.17

Richard Amour..... 3.12
Anthony Flynn..... 26.00
Chief Burgess..... 50.00

SEEING THE WEST.

Impressions Editor Boyer Receives During His Trip.

Editor H. C. Boyer, of the HERALD, is still in the West and, according to his letters, is having a very enjoyable time. He has made the most of the time at his disposal and has covered considerable territory. Under date of June 1st he writes that Chicago pretends to be "some pumpkins," and she is. Her buildings are monstrosities and six and eight story structures are more dwarfed beside them. The Palmer, Girard, Pacific and Auditorium are three of the largest hotels in the city and they do an immense business. Through some misunderstanding, Mr. Boyer says, he and Leo Bamberger, also of this town, failed to make connection, and Leo worried all night, fearing the editor had fallen into the hands of the Anarchists. They met the next morning and everything went smoothly. Sunday is like every other day in the week, says the writer. A visit to the Columbian fair grounds was made by Mr. Boyer, Mr. Bamberger and Mr. Amour, of Hamburg, Berks county, Pa. Mr. Bamberger was the guide, because of his knowledge of the city. The buildings are very much advanced. Admission to the grounds can be secured upon payment of 25 cents. It is estimated that from 10,000 to 15,000 people paid for admission on the day Mr. Boyer visited the grounds. Libby Prison was also visited and an hour or two was spent examining relics of the war, and the Chicago fire. "Bamberger," says Mr. Boyer, "examined the opening of the tunnel under Libby prison where the Union prisoners attempted to escape. He wanted to know if the tunnel had been brought from Richmond, Va."

From Chicago Mr. Boyer went to Tip-top, Indiana, and took part in the exercises in that city on Memorial Day. Speaking of the city Mr. Boyer made special reference to the street paving. He says the Main street is paved with brick. The paving is now two years old and it is still as good as new. It cost about \$1.75 a square foot. First there is a layer of sand, then a layer of brick—laid flat, then a few inches of sand, and on top is a layer of bricks placed on ends. The road is then heavily rolled. The street is scraped once or twice a month, according to the season.

Frankfort, Ind., was the next place Mr. Boyer visited. When he was there 15 years ago the place was but a small village. It is now one of the prettiest cities in the state and has a population of 8,000. Speaking of the advancement of the place, Mr. Boyer says immense shops of the Clover Leaf railroad are nearing completion. The citizens of the place gave the company several acres of choice land and sufficient money to pay for the buildings—\$50,000 in all, and the property owners will make money by the transaction. The people are frightened and liberal, and leave nothing undone to further the growth and prosperity of the place. Each vies with the other in building pretty homes, all of which have ample ground room on all sides and there is not an unpainted house in the place. Natural gas is used in place of coal and wood. People who do not own homes and who live from hand to mouth are scarce and there isn't a Pole, Hungarian or Italian in the place. In fact, with very few exceptions, the people are native born.

If you wish to purchase a neat fitting shoe of the latest style call at the People's shoe store, 121 N. Main street. 6-7-1w

PERSONAL.

Miss Mattie Elliott, of Pottsville, is the guest of town friends.

Hon. Elias Davis, of Broad Mountain, was a visitor to town to-day.

Mrs. David Lewis and son spent yesterday with relatives in Mahanoy City.

Mrs. James Heap and Miss Sarah Bearford, of St. Clair, are visiting friends in town.

Misses Hannah Reese and Mame B. Boyer have gone to Steelton to spend a few days among friends and relatives.

Ulysses Loucks and family, after spending several weeks in town the guests of relatives, returned to their home in Reading to-day.

LAST MEETING OF THE OLD BOARD

IT ADJOURNED SINE DIE LAST EVENING.

THE NEW BOARD ORGANIZED

The New Board of School Directors Select Conry for President and Hanna for Secretary. Latter's Salary \$200.00.

The old Board of School Directors held an adjourned meeting last evening in the office of the superintendent, in the High School building, for the purpose of settling up the accounts preparatory to the organization of the new board. Those present were: Baebman, Brennan, O'Hearn, Butts, Baird, Ogden, Williams, Treatise, Hanna, Gallagher, Muldoon, Davenport and Gable. In the absence of President Boddall, Patrick Conry presided over the meeting.

Secretary Gable stated that he had not drawn an order in his favor for services, as he refused to accept the amount provided by the board, which was \$35 for the town. A communication was read from ex-Tax Collector Schmidt in reference to the amount due the board from the duplicates of 1889-90. The board finally decided by motion to allow Mr. Schmidt extra exonerations to the amount of \$168.84.

Mr. Davenport stated the wall at the northwest corner of the Lloyd street school building was in a bad condition, and had been that way for some time.

The Finance Committee reported that ex-Tax Collector Titman had made a settlement in full with the Board, the amount being \$1,469.47.

The report of Treasurer Lamb showed the total receipts received by him to be \$16,535.99, with an expenditure of \$13,492.30, leaving a balance of \$3,043.69.

Superintendent Freeman submitted his annual report, showing an enrollment for the 43 schools during the term of 2,602 pupils—1,205 males and 1,397 females. The average daily attendance was 1,721. The Superintendent made 1,548 visits and the Directors 258. The report shows the past school year to be a very successful one, the school buildings, with the exception of that on White street, being in excellent condition, much better than at the close of any previous year. He recommended procuring the same rooms for next year that are now being used, inasmuch as it is not probable that the new White street building would not be ready for occupancy by that time.

In his report the Superintendent strongly urged upon the board the great necessity, in filling any vacancies that may occur in the present corps of teachers, of considering the moral, intellectual and professional fitness of the applicant, rather than political, sectarian or social considerations. From this very cause, through a disregard of this principle, the schools in the past have been greatly retarded. All other things being equal, the report states, length of service should be a factor in determining what teachers should be promoted to higher grade. The Superintendent paid a high tribute to the present efficient corps of teachers, and strongly urged their retention. He also recommended that the teachers in the first grade grammar schools be paid not less than \$800.00 per year, and the second grade \$600.00.

The proceeds from the commencement exercises amounted to \$222.25, about six dollars less than last year.

The old board then adjourned sine die.

THE NEW BOARD.
After a short recess the new board organized with A. J. Gallagher in the chair, and Frank Hanna acting as temporary secretary.

Messrs. Baird, Owens and Butts are the retiring members, their places being taken by Messrs. Lynch, Ogden and Burke respectively. Messrs. Hanna, Davenport and Muldoon were re-elected at the last election.

The present board is now composed of the following members: First ward, O'Hearn, Hanna and Conry; Second ward, Williams, Lynch and Ogden; Third ward, Boddall, Davenport and Treatise; Fourth ward, Brennan, Burke and Gable; Fifth ward, Gallagher, Muldoon and Bachman.

In the permanent organization everything passed off pleasantly and smoothly, the slate going through without a visible crack.

Patrick Conry and Frank Hanna, from the First ward, were elected President and Secretary respectively without opposition.

Mr. Conry, in assuming the chair, thanked the board for the honor conferred, and hoped to fill the position with credit both to himself and the board.

For Treasurer, Gallagher nominated Thomas Bellis, and Bachman did a like service for Supt. Thomas Baird. The vote showed Bellis having received 8 votes and Baird 6.

On motion of O'Hearn the secretary's

salary was placed at \$200.00, with \$75 additional for his services as assistant librarian, and the Treasurer's at \$200.00.

It was also decided, on motion of Gallagher, that the financial condition of the school district be published in the town papers instead of handbill form, as heretofore.

The Treasurer's bond was fixed at the same amount as last year.

The Board adjourned to meet to-morrow evening, when the selection of teachers for the coming term will be considered.

THEY CELEBRATE.

School Directors Charter an Electric Railway Car.

After the organization of the new board and the adjournment last evening eleven School Directors and their friends adjourned to the restaurant of Treasurer elect Thomas Bellis, and regaled themselves, after which they walked to the corner of Main and Centre streets and took possession of one of the electric railway cars and started on a trip to Girardville.

On the way down the directors were entertained by D. J. Doyle, of the *Sunday News*, who gave an interesting discourse on the superior merits of David B. Hill in contrast with those of Grover Cleveland. Mr. Doyle was enthusiastic and all who concurred in his views were assured that in due time their loyalty to the chief-keeper of Tammany Hall would be recognized in the shape of post offices. Mr. Doyle promised the Shenandoah post office to four different parties, and when his attention was called to this discrepancy he evaded up by saying that Hill would see that a sufficient number of post offices would be conveniently located.

As Mr. Doyle concluded the car ran across the Girardville borough line and in front of Hon. Eugene Donohue's hotelery it stopped and all parties alighted. The directors were received by Messrs. Nolan and Curley, members of the Girardville School Board, who guided the visitors about the town for a while and then took them to the electric railway power house. After a brief stay there the car was again boarded, Messrs. Nolan and Curley being among the passengers.

The directors arrived in town in good time and as they separated they expressed the hope that the entire school year would be as pleasant as the first night. The directors who took part in the expedition were Messrs. O'Hearn, Hanna, Conry, Williams, Lynch, Brennan, Burke, Gable, Gallagher, Muldoon and Bachman. Treasurer Bellis and John J. Reilly were also in the party.

To Cleanse the System
Effectually yet gently, when constive or bilious or when the blood is impure or sluggish, to permanently cure habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, to dispel headaches, colds or fevers, use Syrup of Figs.

Follow the crowd to the People's store, 121 N. Main street. 6-7-1w

Sixth Anniversary.

On Friday evening next Camp 200, P. O. S. of A., of town, will celebrate their sixth anniversary, by a musical and literary entertainment. Prominent speakers of the order will be present, together with excellent local talent. The entertainment will be held in Robbins' opera house, and the admission will be free.

The Best in the World.
Senator Henry C. Nelson, of New York, writes:

"On the 27th of February, 1883, I was taken with a violent pain in the region of the kidneys. I suffered such agony that I could hardly stand up. As soon as possible I applied two Allcock's Porous Plasters, one over each kidney, and laid down. In an hour, to my surprise and delight, the pain had vanished and I was well. I wore the plasters for a day or two as a precaution, and then removed them. I have been using Allcock's Porous Plasters in my family for the last ten years, and have always found them the quickest and best remedy for colds, strains and rheumatic affections. From my experience I believe they are the best plasters in the world."

"Good Bye My Honey" schottische. Organ or piano. 10 cents. Wilde's music store.

Organization Urged.
EDITOR HERALD:—Please allow me space to ask my fellow laborers if the time is not here for this company to stop robbing the men of their living. According to the recorded price we should get 15 cents on the dollar. It is time to organize and do something.
