Acknowledgements of Payment.

To the officers of the Home Friendly Society of Baltimore, Md.:
GENTLEMEN:—I hereby tender my sincere thanks to the officers of your society for the promptness in paying the claim due on the death of my husband, Henry Makley. Such promptness is most commendable and I recommend your company to the consideration of all.

GENTLEMEN:—My thanks are due to the officers of the Home Friendly Society of Baltimore, Md., for the quick manner in which my claim was paid through your officers upon the death of my beloved mother, Mary Jones. Enthusiastic Republicans.

An amusing incident occurred last evening. While a number of enthusiastic Republicans were upon the swing in front of the Boddall building displaying their gratification of the re-nomination of President Harrison, a package of fireworks became ignited in some manner, and there was immediately a tremendous explosion. For a minute or two those in the neighborhood thought the town had been visited by an earthquake or some similar calamity, while the Blaine followers attributed the occurrence as a rebuke for the failure to nominate the Plumed Knight. The only damage caused was a broken window pane in the Ferguson House building.

Charged With More Crimes.

From information received here to-day it is believed that Henry Hall, who is in jail at this place for attempting to burn Robbins' building at Shenandoah several weeks ago, is a bigamist. There is a warrant out for the arrest of a Henry Hall, of New York, who deserted two wives in that city. The Hall in jail here answers to the description of the one in the warrant.—Chronicle.

The Best in the World.

Senator Henry C. Nelson, of New York, writes: "On the 27th of February, 1889, I was taken with a violent pain in the region of the kidneys. I suffered such agony that I could hardly stand up. As soon as possible I applied two Alcock's Porous Plasters, one over each kidney, and laid down. In an hour, to my surprise and delight, the pain had vanished and I was well. I wore the plasters for a day or two as a precaution, and then removed them. I have been using Alcock's Porous Plasters in my family for the last ten years, and have always found them the quickest and best remedy for colds, strains and rheumatic affections. From my experience I believe they are the best plasters in the world."

MERCURIAL

Mr. J. C. Jones, of Fulson, Arkansas, says: "About ten years ago I contracted a severe case of blood poisoning. Leading physicians prescribed medicine after medicine, which I took without any relief. I also tried mercurial and potash remedies, with unsuccessful results, but which brought on an attack of mercurial rheumatism that made my life one of agony. After suffering four years I gave up all remedies and began using S. S. S. After taking several bottles I was entirely cured and able to resume work. S. S. S. is the greatest medicine for blood poisoning to-day on the market."
