BLOWN TO PIECES.

Twenty-four Sailors Killed by an Explosion Near Bordeaux.

BORDEAUX, June 18.—An appalling accident occurred yesterday just outside the harbor of Blaye, on the River Giroude, 24 miles northeast of this city. Lying off the harbor was the British steamer Petrolia, commanded by Capt. Hubcock, which had arrived June 12 from Philadelphia.

The usual routine work was being performed on board, when suddenly there was a flash, a tremendous roar and the vessel was blown to pieces.

Huge fragments of the deck and deck-houses were carried upward to a great height. The river was strewn with wreckage from the Petrolia, and it was readily seen that the disaster was due to an explosion of gas that had formed from the petroleum forming her cargo. Burning oil was floating on the water. This drifted with the tide, and floating against several vessels lying at anchor near by, set them on fire. Two or three other vessels were ignited by the burning oil that fell on their decks or tarred rigging.

The Petrolia was burning furiously, and the heat was so intense that it was dangerous for the many small boats that were launched to approach near to her. Dense volumes of stifling smoke hung over and around the burning steamer.

Some of the more venturesome boatmen heard cries for help and rowed as closely as possible to the Petrolia. They succeeded in picking up 16 of her crew, three of her engineers and the second officer. Some of the rescued men were severely burned. They were taken ashore as rapidly as possible and physicians were then summoned to attend them.

The survivors said that there were 30 others on board the vessel when the explosion occurred, and a search was made in the vicinity of the steamer for them, but not a body was found, and it is believed that every one of these 30 men perished.

GRAND LODGE OF ELKS.

Important Matters to Be Discussed Before the Annual Meeting at Buffalo.

BUFFALO, N. Y., June 15.—A conservative estimate of the number of Elks and their guests in attendance at the Grand Lodge and annual reunion here, is placed at six thousand. It is conceded on all sides to be the largest gathering in the history of the order, and the visitors are enjoying themselves to the full extent of their opportunities.

Gossip about the hotel corridors indicates that a feeling exists in favor of a national change in the present administration. With one or two exceptions new officers are contemplated. Louisville wants several officers and several reforms. Among the reforms to be discussed is that the lodge and per capita tax to the grand lodge should be reduced, as the fund is considerably larger than there is any need for. The "Progressionists" oppose this. They want the present tax retained and the surplus regarded as a fund for the building of a permanent Elks home. The latter sentiment is regarded in the most favorable light.

The fight for the Grand Lodge meeting place will be hot. The decision is likely to rest between Chicago and Detroit. The former is favored because of the World's Fair, while it is argued on the other hand that in view of the crowded condition of Chicago next year, Detroit will be able to provide better accommodations.

The canvass for the chief office continues active and feverish. Louisville is said to have a good lead.

Among the candidates for Grand Secretary are James V. Cooke of Indianapolis; Mr. Chauncey of Grand Rapids; Mr. White of Chicago and Mr. Wolf of Albany.

CRASHED THROUGH A BRIDGE.

Four Persons Killed and Six Hurt on a Kentucky Railroad.

MIDDLEBORO, Ky., June 15.—A freight engine with 16 loaded box cars on the E. C. M. & G. L. Railroad went through a bridge spanning Lonesome Hollow and fell 200 feet.

Four persons were killed and six hurt. The north-bound passenger train, with over 100 passengers, was only saved by being behind its schedule time.

Among the killed are Frank Sargent, Fireman Henry Slater, Conductor Duckworth and Thomas Allen.

Strike at Tonawanda Settled.

TONAWANDA, N. Y., June 15.—The strike is practically settled. The men have agreed to go to work. They will form themselves into gangs and will work at 23 and 25 cents per thousand, money to be equally divided among the men. The arrangement was brought about last night by Arbitration Commissioner F. F. Donovan. This does away with the violence, a victory for the men. The lumbermen's association does not, however, recognize the men as a union.

Newark's Stone Cutters' Strike Ended.

NEWARK, N. J., June 15.—The stone cutters' strike of this city has been ended this morning a number of men went back to work. The strike was begun six weeks ago, when 300 men left their positions for an advance of 5 cents an hour, making the maximum wages 50 cents an hour. The bosses succeeded in defeating the men by getting men from Detroit and forming a progressive union.

Big Colliery Changes Hands.

POTTSVILLE, Pa., June 15.—The purchase of the William Penn colliery, one of the most prominent operations of this region, has been effected by the Pennsylvania Railroad, the transfer having been just consummated through its agents, Stickney & Co. The colliery was the property of E. & G. Prooke of Birdsboro, and has an annual output of over 300 tons.

The Louisiana Senatorship.

BATON ROUGE, La., June 15.—The joint Assembly met at noon and for the sixteenth time balloted for United States Senator, without result. The ballot was as follows: Jones 31, Gibson 25, Adams 23, Blanchard 23, Caffery 17, Mahony 1, Bourgeois 4, Bolton 1.

Aldrich Re-elected Senator.

PROVIDENCE, R. I., June 15.—Hon. Nelson W. Aldrich was re-elected United States Senator yesterday. The vote was: Aldrich 64; David S. Baker, Jr., 39.

OVERRUN WITH TRAMPS.

All Manner of Crimes Attributed to the Idle Wanderers at Willimantic.

WILLIMANTIC, Conn., June 15.—This section is being overrun with tramps, and reports are coming in daily of their many depredations throughout this vicinity.

A mill was set on fire in Canterbury, a house burned in Packerville, two women insulted and a boy attacked by a tramp within a week.

The body of Frank Johnson was found hanging to a tree near the Rhode Island line, and he is supposed to have been murdered and robbed by tramps. Vigilance Committees are being founded and there is talk of stringing up some of the nomads on sight.

Ohio Democratic Convention.

COLUMBUS, O., June 15.—It is the field against Cleveland in the Democratic State Convention, and the indications this morning are that the field is in the majority. The field, however, is not concentrated on any one man. Some of the delegates favor Hill, others ex-Secretary of the Navy Whitney, a few Gov. Flower, but the great bulk of the anti-Cleveland delegates are non-committal beyond the statement that they favor any man, East or West, that stands a show of carrying New York, but that they do not think either Cleveland or Hill is that man.
