The arrangements for the observance of Children's Day in the Presbyterian church to-morrow are of a very elaborate character. The church will be handsomely decorated for the occasion and the exercises will be of a very impressive character. They will be founded on "America for Christ."

PERSONAL.

D. C. Henning, Esq., of Pottsville, was in town last evening on business.

Mrs. John L. Williams, who was visiting friends in town, returned to her home in Shamokin yesterday.

Edward J. Hatchford, of town, is in Philadelphia, having received notification of the death of his mother.

Henry Roads went to Philadelphia today to accept a position. He intends to become a permanent resident of the city.

D. J. Williams returned from Philadelphia last evening, where he is employed, to attend the funeral of his infant son who died from an attack of cholera infantum.

Political Points.

It is all over, Denny. The corpse looks beautiful.

Pensioners do not take kindly to the Democratic ticket.

Our people prefer to take Protection rather than Free Trade.

West Coal street is to be barricaded to keep out "The Modocs."

One good drubbing deserves another—and you'll get another, Grover.

"The Modocs" will make it interesting the coming campaign, if they are left to have their own way.

It will be time enough to look for a new location to remove the post office to after Cleveland is elected.

If every Democrat had the same opinion of Tammany Democrats as Wash Titman has there would be few Democrats in this county.

When last heard from the Tammany tiger was slinking through the back streets of Chicago with its tail between its legs pensively inquiring what time the next train would start for New York.

It was common talk among the Cleveland men at Chicago that their favorite could be elected without the vote of New York. That is a queer way of entering upon a Democratic canvass—to concede that the Empire state will go Republican.

HERE AND THERE.

Interesting Items Concerning Different Sections of the Region.

All the Coxie Bros.' collieries have suspended operations until next Thursday to give time for repairs.

James Paine had his left arm pulled from the socket in the Delano shops. The arm caught in a belt.

A Hazleton paper, in connection with Cleveland's nomination says: "Mrs. McLean, of Beaver Meadow, who was fired out of the post office there when Cleveland was elected president, has been postmistress for twenty-four years. Her grandfather was Nathaniel Boileau, who cut quite a figure in the Revolutionary epoch. Mrs. McLean has in her possession many letters belonging to Nathaniel and others bearing dates from 1673 to 1789 all speaking of interesting and important events in the nation's early history."

Pottsville citizens have organized a permanent committee to furnish relief in all cases of distress.

The people of Weathersville have concluded negotiations for the transfer of a pearl button factory to that place from Newark, N. J. The factory will be in working order by August 1st. The citizens subscribed \$2,500 for the enterprise. On Friday the railroad shops shut down for the week and 700 unemployed began work on the button plant.

Another Foot Race.

Edward Boyley and Edward Dowling, both of town, will run a 100-yard foot race at Columbia Park on Saturday next for \$50 a side.

Mr. Driscoll was a faithful employee of the company and liked by every one who knew him. William Harman, of town, has taken Mr. Driscoll's place.

The distance was 100 yards, and Kirlin, who was given three yards start, won by about a foot. Another race has been arranged for next Saturday between two well known runners of town.

A Little Girl's Experience in a Lighthouse.

Mr. and Mrs. Loren Trescott are keepers of the Gov. Lighthouse at Sand Beach, Mich., and are blessed with a daughter, four years old. Last April she was taken down with measles, followed with a dread ailment and turning into a Fever. Doctors at home and at Detroit treated her, but in vain, she grew worse rapidly, until she was a mere "handful of bones."—Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you may get a trial bottle free at C. H. Hagenbuch's drug store.
