RAILROADS IN THE WEST.

Splendid Time and Arrangement of the C. B. & Q. Road.
People who have traveled in the West pronounce the Chicago, Burlington & Quincy R. R., represented by Harry E. Heller, of Allentown, one of the greatest roads in the world. It has 7,000 miles and extends from Chicago north to Minneapolis, south to St. Louis and west to Denver and beyond Deadwood. The Burlington flyer covers the distance from Chicago to Denver (1,025 miles) in 30 1/2 hours—only one night on the road. Another train on the road covers the distance in 35 1/2 hours. There is great comfort in traveling on this road. All the chair cars west of Chicago are free. The chairs, unlike those used on Eastern roads, resemble invalid chairs, which can be tilted at comfortable angles and afford delightful repose as the trains speed on their way. The sleepers of the Burlington are princely in arrangement. Ample dressing room is afforded for ladies and gentlemen. Harry E. Heller can feel proud of the road he represents and we do not hesitate to recommend it for Western travel.

Deserving Praise.

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. C. H. Hagenbuch, Druggist.

For a Joint Parade.

A movement is on foot to arrange a joint parade of all the societies of towns on the Fourth of July, and to that end M. J. Scanlan, secretary of the committee, invites all societies interested to send committees to a conference in the A. T. A. B. Society's hall, at the corner of Chestnut and Cherry streets, on Sunday, July 3 at 4 p. m.

A Million Friends.

A friend in need is a friend indeed, and not less than one million people have found just such a friend in Dr. King's New Discovery for Consumption, Coughs and Colds. If you have never used this Great Cough Medicine, one trial will convince you that it has wonderful curative powers in all diseases of Throat, Chest and Lungs. Each bottle is guaranteed to do all that is claimed or money will be refunded. Trial bottles free at C. H. Hagenbuch's drug store. Large bottles 50c. and \$1.00.

Did you ever count up how much you pay for lamp chimneys? There are about twelve million families of us. We average, maybe, a lamp a family; chimneys break, perhaps, at the rate of one a week a lamp. Six hundred million chimneys a year for the ash barrels.

Suppose they cost ten cents a piece on the average; that's enough to half pay the national debt. Nine-tenths of it waste. If you get Macbeth's "Pearl-top" or "Pearl-glass" you will pay a trifle more apiece, but not one-tenth as much a year. Disreputable chimney makers are trying to furnish the dealers with cheap imitations. They break from heat, ruin the temper of the household and fill the ash barrels; a plague and a nuisance. Insist on having the right kind.
