POLITICAL POINTS FROM POTTSVILLE

A WIDE-AWAKE AND PLEASING CORRESPONDENT

RYON LEADING JUDGE PERSHING

What will be necessary to increase the Judge's Speed. Something About Alliance Rumors.

Special correspondence to HERALD.

POTTSVILLE, July 12.

IT IS hoped the dear readers of the HERALD have not missed the periodical letters from the county seat, which should have appeared with more frequency for the past month, but we fear they have. However, our excuse is that until the past week there has been a dearth of subjects to write about, owing to the principal actors in the great arena being engaged in winding up their more profitable business affairs, preparatory to engaging in the expensive pastime of office hunting.

I am reminded that it is high time to resume business at the old stand and, therefore, dash off the following budget, let it be news or otherwise.

The hottest kind of fights are now in progress among our friends, the enemy, and it is now most difficult to determine just which particular candidates are making the most lively combat. With a nip and tuck contest for the nomination for Congress between Reilly and Shepherd, and a free-for-all scramble for District Attorney between Cumming, Ryan, Ulrich, Sells, Kinck and Minogue, you would suppose the Democracy had enough to keep it employed, but when the campaign is garnished with a first class hustle for a seat on the bench you can imagine how exciting and interesting politics hereabouts have become.

Pershing had better keep off the ticket." So that if the Ryon men keep their people well in hand the nestor of the bar will grace the head of the Democratic ticket next Monday.

And what then? Why, Mr. Koch will lead him a lively dance, you may wager, and with fair prospects for success; not so bright as he would have if Pershing were his opponent, but yet bright enough for all purposes.

But returning to the paragraph reprinted above. Let me tell you that it is not Ryon that "has allied himself with certain candidates," but it is Judge Pershing himself, or his alleged friends have done it for him. One combination is Pershing, Shepherd and Jim Ryan. Another is Pershing, Reilly and Cumming, or Ulrich, most likely the latter.

If this statement is "discredited" by any one let him call for corroboration on Jack Toole or Jimmy Ryan. If Toole will tell all he knows about it, he will say how intimate he and Judge Pershing are; how his anxiety to make Shepherd Congressman and Jim Ryan District Attorney keeps him busy fighting to put Judge Pershing at the head of the ticket. Now, dear HERALD, don't let it circulate in the west end of the Unions, or thereabouts, where you have such a wide circulation, that Mr. Toole is for Pershing, because it would certainly injure the latter's chances, and as Republicans we are interested in having the Judge on the Democratic ticket. He would make the easiest meat for Mr. Koch to chew.

A BOY STRUCK BY AN ENGINE.

JOHN MATTHEWS RECEIVES VERY SERIOUS INJURIES.

SKULL FRACTURED AT THE BASE

Saved From Instant Death by His Brother—White Street School Building Again Examined.

GAME of base ball with boys as the players was in progress on South Gilbert street last evening and when the ball rolled down the embankment to the Lehigh Valley tracks there was a rush by boys anxious to secure it. Among them was John Matthews, an eight-year-old boy. He failed to notice the approach of an engine. Thomas, his brother, 11 years old, was close to John and managed to pull him back far enough to save him from being crushed upon the track, but the bumper of the engine struck the boy on the back of the head and fractured the skull at the base. The boy was taken to his home at the corner of Gilbert street and Mayberry alley and received the attendance of Dr. Langton. This afternoon the boy was in a semi-conscious condition. His injuries are of a dangerous character.

FIELD, NOT ASTOR, DEAD.

A Late Dispatch Contradicts the Report of the Latter's Death.

Special to the HERALD.

NEW YORK, July 12.—Reports of the death of William Waldorf Astor are erroneous. Latest cable dispatches announce that he is still alive.

Cyrus Field died this morning.

PERSONAL.

Miss Gussie Kiene is visiting friends at Pottsville.

Councilman Lamb was at the county seat yesterday.

J. Irwin Steel, of the *Ashland Advocate*, is laid up with the gout.

Theo. F. Barron, of the *Ashland Record*, was in town last evening.

Miss Rachel Rosen, of Centralia, visited friends in town yesterday.

Editor Tiley, of the *Ashland Telegram*, was in town on Saturday.

Misses Mame Wasley and Hannah Reese went to Wilkes-Barre this morning.

James Fitzgerald, has returned to Roanoke, Va., after spending a week in town.

C. D. Fricke, has returned from New York city, where he combined business with pleasure.

Lewis Goldfin, wife and son, and Levi Redowick went to New York yesterday to spend the week.

H. C. Boyer, wife and daughter, Mame B., left this morning for Scranton to join the Pennsylvania Editorial Association on its annual trip.

Miss Carrie Spong, of Lewisburg, Union county, who spent the past few weeks the guest of Mrs. Meade Peters, returned to her home to-day.

Ex-Deputy Sheriff Ryan, candidate for District Attorney on the Democratic ticket, was in town yesterday looking up his chances. "Jimmy" is popular with the young Democracy of this neck of the woods and will get the delegates.

LEGISLATIVE LEAVES.

Major Levi Huber went take the Senatorial nomination if he has to go to Tremont and fight for it. So Democrats who are interested in having a full-grown candidate want John Sullivan and others to get off the track. Anyhow, what does Sullivan want the nomination for. He cannot tell in which battle he lost his arm, whether at Gettysburg, Fair Oaks, or Wrightsville, and he will place himself in a nice pickle if he should take the stump, we mean go to the hustings, and some fellow in the crowd should ask him to tell all about the war. He is a good fellow and I, for one, would not like to see him sacrificed on the altar of ambition.

RYON LEADS PERSHING.

No matter what the final outcome, and immaterial as it is what moneyed papers will tell you, put it down as a fact that John W. Ryon leads Judge Pershing in the race for the judicial nomination. Never before have the Ryons and their friends worked harder in a political fight than now, and the result is beginning to foreshadow itself—just as I say it—with Mr. Ryon in the lead.

Looking at it from a Republican and independent standpoint, I cannot do as the optimistical *Miners' Journal* man does; that is, prevaricate. The truth is mighty and will prevail. Unless some clear-headed man, or takes hold of Judge Pershing's canvass he is a goner. And the first thing this manager should do is to muzzle the aforesaid *Journal*. For, look you, it is making enemies for the Judge every day. A novice in political writing hashed up for the public on Saturday a melange of the grossest errors that ever appeared in public print in this county. In the first place, it fixed the Democratic county convention on the 19th inst., when everybody knows that event will come off on the 18th in Pottsville, and on the 19th the Legislative convention will be held at Tremont. Then he puts Judge Pershing in the lead for Judge when everybody who makes any pretension to political sagacity knows that Mr. Ryon is head and shoulders ahead in the race. Both these errors might be forgiven were they not followed by the following outrageous blunder:

"Mr. Ryon has unfortunately allied himself with certain candidates, forming combinations whose purposes are not to accomplish harmony so much as personal gain. This exhibition of unrestrained selfishness and venality combined with that old right in this county against the Ryon's has had a potential influence in inviting odium upon Mr. Ryon's candidacy. It is, therefore, very apparent that his plans have 'gang agone.'"

The HERALD and its Pottsville correspondent are for Koch, as everybody knows, but we are purveyors of truthful news and we can brook no purposely contorted statements like the above. The wish is father to the thought with the *Journal's* novice, just the same as Judge Pershing is father-in-law to the *Journal's* owner.

William Kennedy, the prominent merchant, who does business opposite George W. Kennedy, Republican candidate, is the latest aspirant for Legislative honors. Should he present himself at Tremont he will be given a nomination as a present and then there would be a Kennedy on both tickets. Their first names will have to be printed in large capitals so that the voters can distinguish one from the other.

Candidates George Kennedy and Cooper are skipping around quite lively. Losch has only been home from the West a week or so and is resting. He is bald headed and hopeful as usual. The Democrats of Pottsville are flocking to Losch's standard. Senator Keefer is making a still hunt, as always before, getting in solid work and cementing it in advance so that his opponent will have to use dynamite to break it down. Mr. Keefer is keeping his weather eye on Major Huber.

A clean-cut candidate for Sena or is Josiah Lineaweyer, E. q., one of our most popular lawyers. Like Major Huber, Mr. Lineaweyer will make no fight for the nomination, but will accept if given the place unanimously. So you see the Tremont convention will not go a-begging for candidates after all.

IT CAN BE SAVED.

Another Favorable Report on the White School Building.

The school building on White street that has been the subject of so much speculation has again been examined. This time William Gates, an architect and builder of Harrisburg makes a report. Mr. Gates has had 35 years' experience and has been called at various times to Chicago and Minneapolis to supervise work on buildings.

Mr. Gates was brought here by W. F. Sadler, Jr., who was confident that it was unnecessary to tear down the building and who brought Mr. Gates here on the condition that he would pay all expenses if it was found that the building could not be saved.

Mr. Gates has left a report for presentation to the School Board in which he states that "the building can be made perfectly safe at very slight expense." He describes how this can be done. He does not favor putting in new foundation walls, as he does not consider it necessary, and says that green foundation walls may lead to cracking and other injury to the interior of the building. But should the board decide to have the walls taken out he is willing to undertake the work on very reasonable terms. He says, also, that the building is very much in need of painting.

A FAMILY REUNION.

Pleasant Affair at the Faust East Union Residence.

A family reunion was held at the residence of Harvey Faust, East Union, on Saturday, in honor of O. C. Faust and wife, of Boston, Mass., who is visiting there. Those present were O. C. Faust and wife, Boston; David Faust and wife and J. M. Faust and wife, Shenandoah; H. F. Faust and wife, Daniel Horn and wife, Squire William Horn and wife, W. F. Horn, Jr., Miss Bessie Horn, Daniel VanHorn, B. F. VanHorn, Leo D. Horn and Aaron VanHorn, East Union; Miss Arvella Faust, Shenandoah; Miss Johnson, Girardville, and Mrs. Edward Rosewall, Shenandoah. A large tent was erected upon the grounds, handsomely decorated, and it covered large tables that were laden with all that goes to make a choice and substantial dinner. During the afternoon Mr. O. C. Faust a teacher in the Boston conservatory of music, gave a number of vocal and instrumental selections, assisted by his wife.

The Ministers' Action.

In another column of the HERALD will be found a report of a meeting of the Ministerial Association of town, held on the 11th inst., in which is embodied a resolution concerning Sunday funerals. In a letter to the editor of the HERALD one of the members says that the objection to Sunday funerals is not based upon an indisposition to oblige bereaved friends, but because it taxes the strength of the ministers on a day when they have their hands full, and prevents their attendance upon the services of the Sunday school. The member also states that the association thinks Sunday funerals are rarely necessary and that they are usually held on Sunday for the sake of display.

Safe, Quick and Effective.

The valuable curative properties of Allcock's Porous Plasters are due to the employment of the highest medical and chemical skill. They are purely vegetable, and in ingredients and method have never been equaled; safe, quick and effective in their action, they do not burn or blister, but soothe and relieve while curing, and can be worn without causing pain or inconvenience.

Do not be deceived by misrepresentation. All other so-called Porous Plasters are imitations, made to sell on the reputation of Allcock's.

Ask for Allcock's and let no solicitation or explanation induce you to accept a substitute.

All Republican voters of the town are requested to meet in Robbins' opera house on Thursday, 14th inst., at 7:30 o'clock, for the purpose of organizing a Republican Campaign Marching Club to participate in the Republican campaign demonstrations.

PROPHETIC WORDS.

Recently I met a prominent Democrat who lives in one of the lower townships. He has more than ordinary intelligence for a Democrat, and he conversed about the campaign with the grace and knowledge that would do justice to Bourke Cochran or Matt Quay. He said, among other things, that he was a Democrat from away up the creek and would support the Democratic ticket from stem to stern. "But," said he, "I tell you, and mark well the words, if Judge Pershing is nominated Dick Koch will get thirty Democratic votes in this township, and I know the same spirit is abroad throughout the whole lower section, because my house is a central one and Democrats from every township stop their on their way to and from town, and if their determined talk is an indication, Mr.

POINTS.

R. H. Koch, Esq., is traveling towards Niagara Falls with his good lady. He will return to the campaign on the 27th inst.

W. J. Whitehouse, Esq., looks wroky after so much court work and he will tie himself to the seaside for a season, and after rejuvenating will turn in to help elect the ticket.

Bas are being made that Mr. Brunim will retire from the field. This is no joke. Mr. B seriously contemplates the move.

John T. Schoener, Esq., of Orwigsburg, will take the stump this fall for the whole Republican ticket. Mr. Schoener makes a telling speech.

The picnic of the Young Republicans of Mahanoy City on the 21st will be attended by quite a number of Pottsville people, irrespective of party affiliation. Now that will be nice.

Literary.

James Elverson, of Philadelphia, Pa., deserves the thanks of parents who desire to see the minds of their children fed on healthy reading matter. His *Golden Days* for boys and girls is one of the handsomest and best weekly publications of the kind in the country, and should supplant the vile, sensational trash with which the country is flooded. The hope of our republic is in her youth, and if their moral characters are not elevated and made noble by a pure and lofty type of literature for boys and girls, we may expect serious trouble in the future of our race.

IMPORTANT NOTICE.

Ministers Take Action on Sunday Funerals and Newspapers.

At a meeting of the Ministerial Association held in All Saints' Protestant Episcopal church, July 11, it was unanimously resolved that we disapprove and strongly condemn the practice of selling newspapers on the streets on the Lord's day, and that we hereby call upon the authorities of the borough to enforce the law governing the same.

It was also resolved that, from this date, we will not attend funerals on Sunday under ordinary circumstances, but that in the event of an epidemic endangering the health and life of the public we will consider it our duty to do so.
