Interesting Items Concerning Different Sections of the Region The miners of the Ashland and Girard-

ville district received their pay to-day. The Reading Company's Marion colliery, at Ashland, resumed operations this week, after a long idleness.

The farmers of Pinegrove township are troubled by the appearance of a band of White Caps.

Terrance O'Brien, 70 years of age, besame lost in the Gayland shaft at Plymouth on Monday and a searching party spent 52 bours in a hunt for him. When found O'Brien was almost exhausted through hunger and fright.

The Evangelical camp meeting will be opened at Lakeside on Tuesday next.

F. W. Cooper, of Mahanoy City, chaienges a crack shot of Gordon for a pigeon hooting contest at from \$200 to \$300 a side. Mt. Carmel authorities are searching for an unknown man who outraged a 19-yearid demonted girl of that place.

It is rumored that a number of telegraph perators along the Lehigh line of the Reading system contemplate resigning because the company refuses to furnish them with passes from their places of residence to the stations of employment, The company wants the operators to board or live where they work.

#### No Fight Probable.

The excitement attending the Gibson-Donahoe mill and its sudden interruption threw the Homestead question into the shade so far as the sports of town were concerned. Last night the streets were crowded by people. The town had a payday appearance and the least ripple of excitoment soon blocked the streets, doctor said there was no fracture of the Sporting men who seem to be posted in the matter say that there is no likelihood of Gibson and Donahoe meeting again. The former seems anxious for another trial, but Donahoe does not show backing for the go. In conversation with a reporter yesterday Gibson stated that he will very likely leave for Philadelphia in the near future. Thomas Caldwell, the negro trainer who town, have undertaken a movement to es- had charge of Gibson, left for his home in

#### Safe, Oulck and Effective.

The valuable curative properties of Allock's Porous Plasters are due to the employment of the highest medical and chemical skill. They are purely vegetable, and in ingredients and method have never een equalled; safe, quick and effective in their action, they do not burn or blister, but soothe and relieve while curing, and can be worn without causing pain or inonvenience.

Do not be deceived by misrepresentation. All other so-called Porous Plasters are imitations, made to sell on the reputation of Allcock's

PASTIME PARK Mrs. Kritz, of Sintington, is the guest of PLEASURE RESORT NEW PICNIC GROUNDS NEAR WM. PENN. ILLUMINATED BY ELECTRICITY

SHENANDOAH, PA., THURSDAY, JULY 14, 1892.

It Will be Formally Opened or Saturday by the Grant Cornet Band With a Monster

Picnic. RRANGEMENTSar made for the forms opening of Pastime Park, near Wm Penn, on Saturday. The opening will be under the auspices o the Grant Band of town. Pastime Pari is destined to become

pleasure resort in this the most popular valley. It has a splendid location, an abundant supply of the best spring water, plenty shade, and is reached by the new branch of the electric railway. The park is on the west of the lower section of Wm Penn. Cars will be run from the main

electric line to the grounds as often as shall be necessary for the convenience of the patrons and the fare from all points on the electric road to the park will be but five

cents. The Grant Band is a very suitable at traction for the opening of these beautiful grounds, and thousands will no doubt flock to the place to hear the concert to be given by the band.

The management of the park has expended several thousand dollars to make it a point of attraction for the pleasure ockers in this section of the county. An immense dancing pavilion, the largest and most improved to be found in this section has been finished at heavy expense. For the children and young people a carousal

has been placed upon the grounds at additional heavy expense. Another feature of the beautiful grounds is that they are illuminated by electric lights. This stroke of enterprise will make the park particularly attractive in the evening.

The opening takes place next Saturday. Don't forget the date.

They Reliterate That Non-Union Men Will Not be Allowed in the Mill.

HOMESTRAD, Pa., July 14 .- A delegation of workmen from the Duquesne Mills of the Carnegie Company visited Homestead in the afternoon and had a conference with members of the Advisory Committee of the workmen. The strikers were as-

sured that the Duquesne men were ready to go out at any time and only awaited the word of the Homestead Advisory Com-mittee. This offer, coupled with the re-port of proposed strikes of men in the 29th and 38d street mills in Pittsburg and those at Braddock gave measurement to the at Braddock, gave encouragement to the workmen.

In conversation with a prominent mem-ber of the Advisory Committee in the afternoon a "United Press" reporter called attention to the intimation by Mr. Love-joy of the Carnagie Company that non-union men would be placed in the Home-

"Oh, he won't do that; people have heard him talk before," said the Advisory Committeeman. "But nearly everybody thinks he will,"

"But nearly everybody tonks as with said the reporter. "Well, if he attempts that," was the answer, "there will be lots of news for you. We are determined not to allow non-union men in the mill, and will keep to our determination without regard to the consequences."
